LINGERIE

PLAYBOY PRESS

T

he promise of spring, with its fragrant flowers and emerging foliage, makes the months of March and April exciting. Uncer-

tainty abounds during this time of transition; one day calls for a cashmere coat; a linen jacket is sufficient for the next; a poplin raincoat might be needed for an entire week. One thing remains constant: Sexy lingerie is appropriate year-round, whether a transparent teddy, chiffon negligee or a lacy corselet. That is not to say that flannel granny gowns are not sexy. There is something intriguing about that roomy garment enfolding the body cocoon-like, hiding its contours, leaving everything to the imagination. On the other hand, when you have a body like cover girl Kristine Rose, it's a waste to hide it. To celebrate spring, Kristine kicks off *Playboy's Book of Lingerie* with sensational intimate attire that is the ultimate in sensuality.

One of the first things you notice about cover girl Kristine Rose is her huge, luminous eyes. They are particularly captivating when she talks about her favorite things: a blossoming acting career, rock music, tattoos and lingerie. A devoted animal-rights supporter who eschews meat and fur, Kristine keeps more than two hundred pounds of pets at home in the form of two dogs and four cats, so it's not surprising that the garment she's wearing on the cover is called a catsuit.

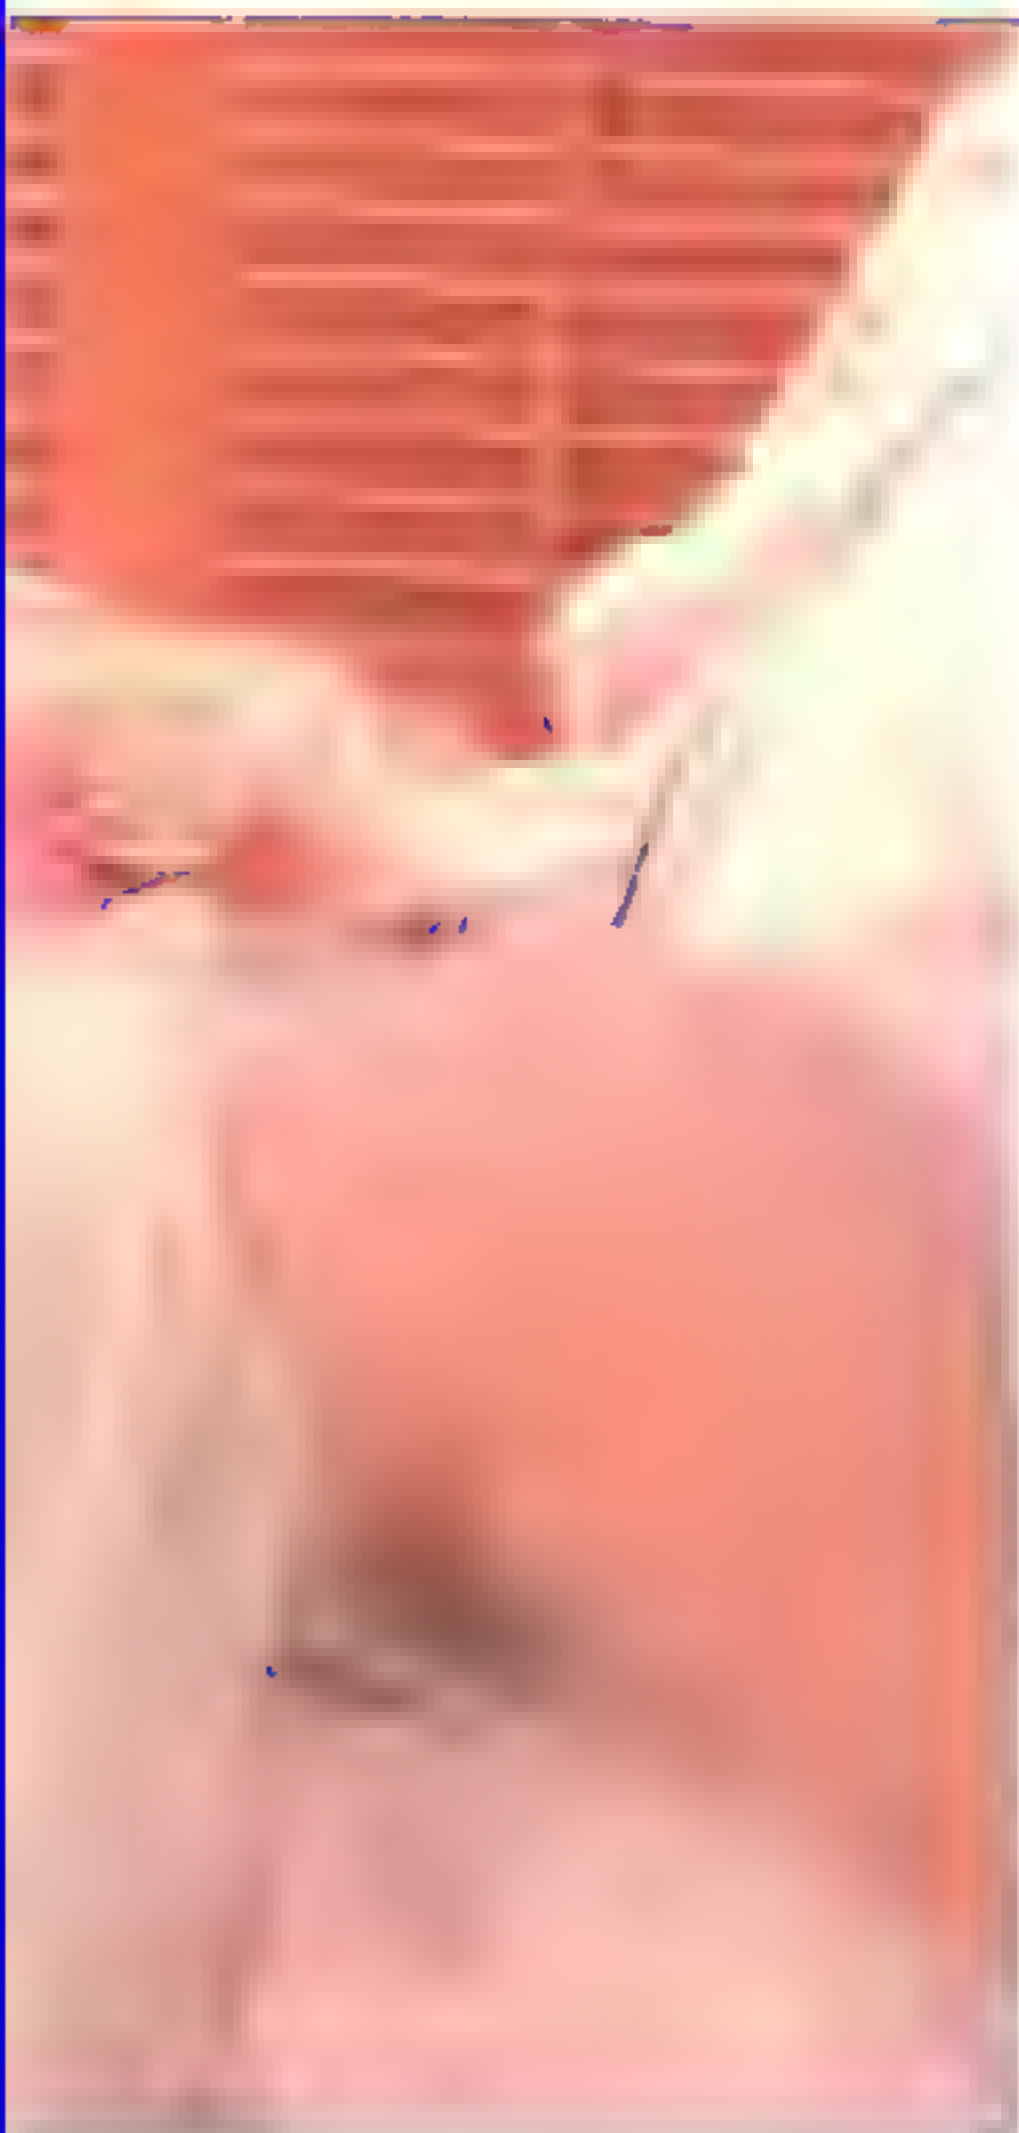

Women often have been compared to cats. With the sly smile of a Cheshire, Lynne Austin (below) cuddles up and purrs prettily in a teddy. Shirley Mason (bottom) in satin has the countenance of a serious feline on the prowl. Looking like the kitten who got the cream, sleepy-eyed Shawn Grzych (right) lazes in a minislip.

Jeannie Hallaway (left), swathed in a sheer wrap, leaves nearly nothing to conjecture. D Andrea Bryant (above, leaves nothing behind in a flounced gown and thong

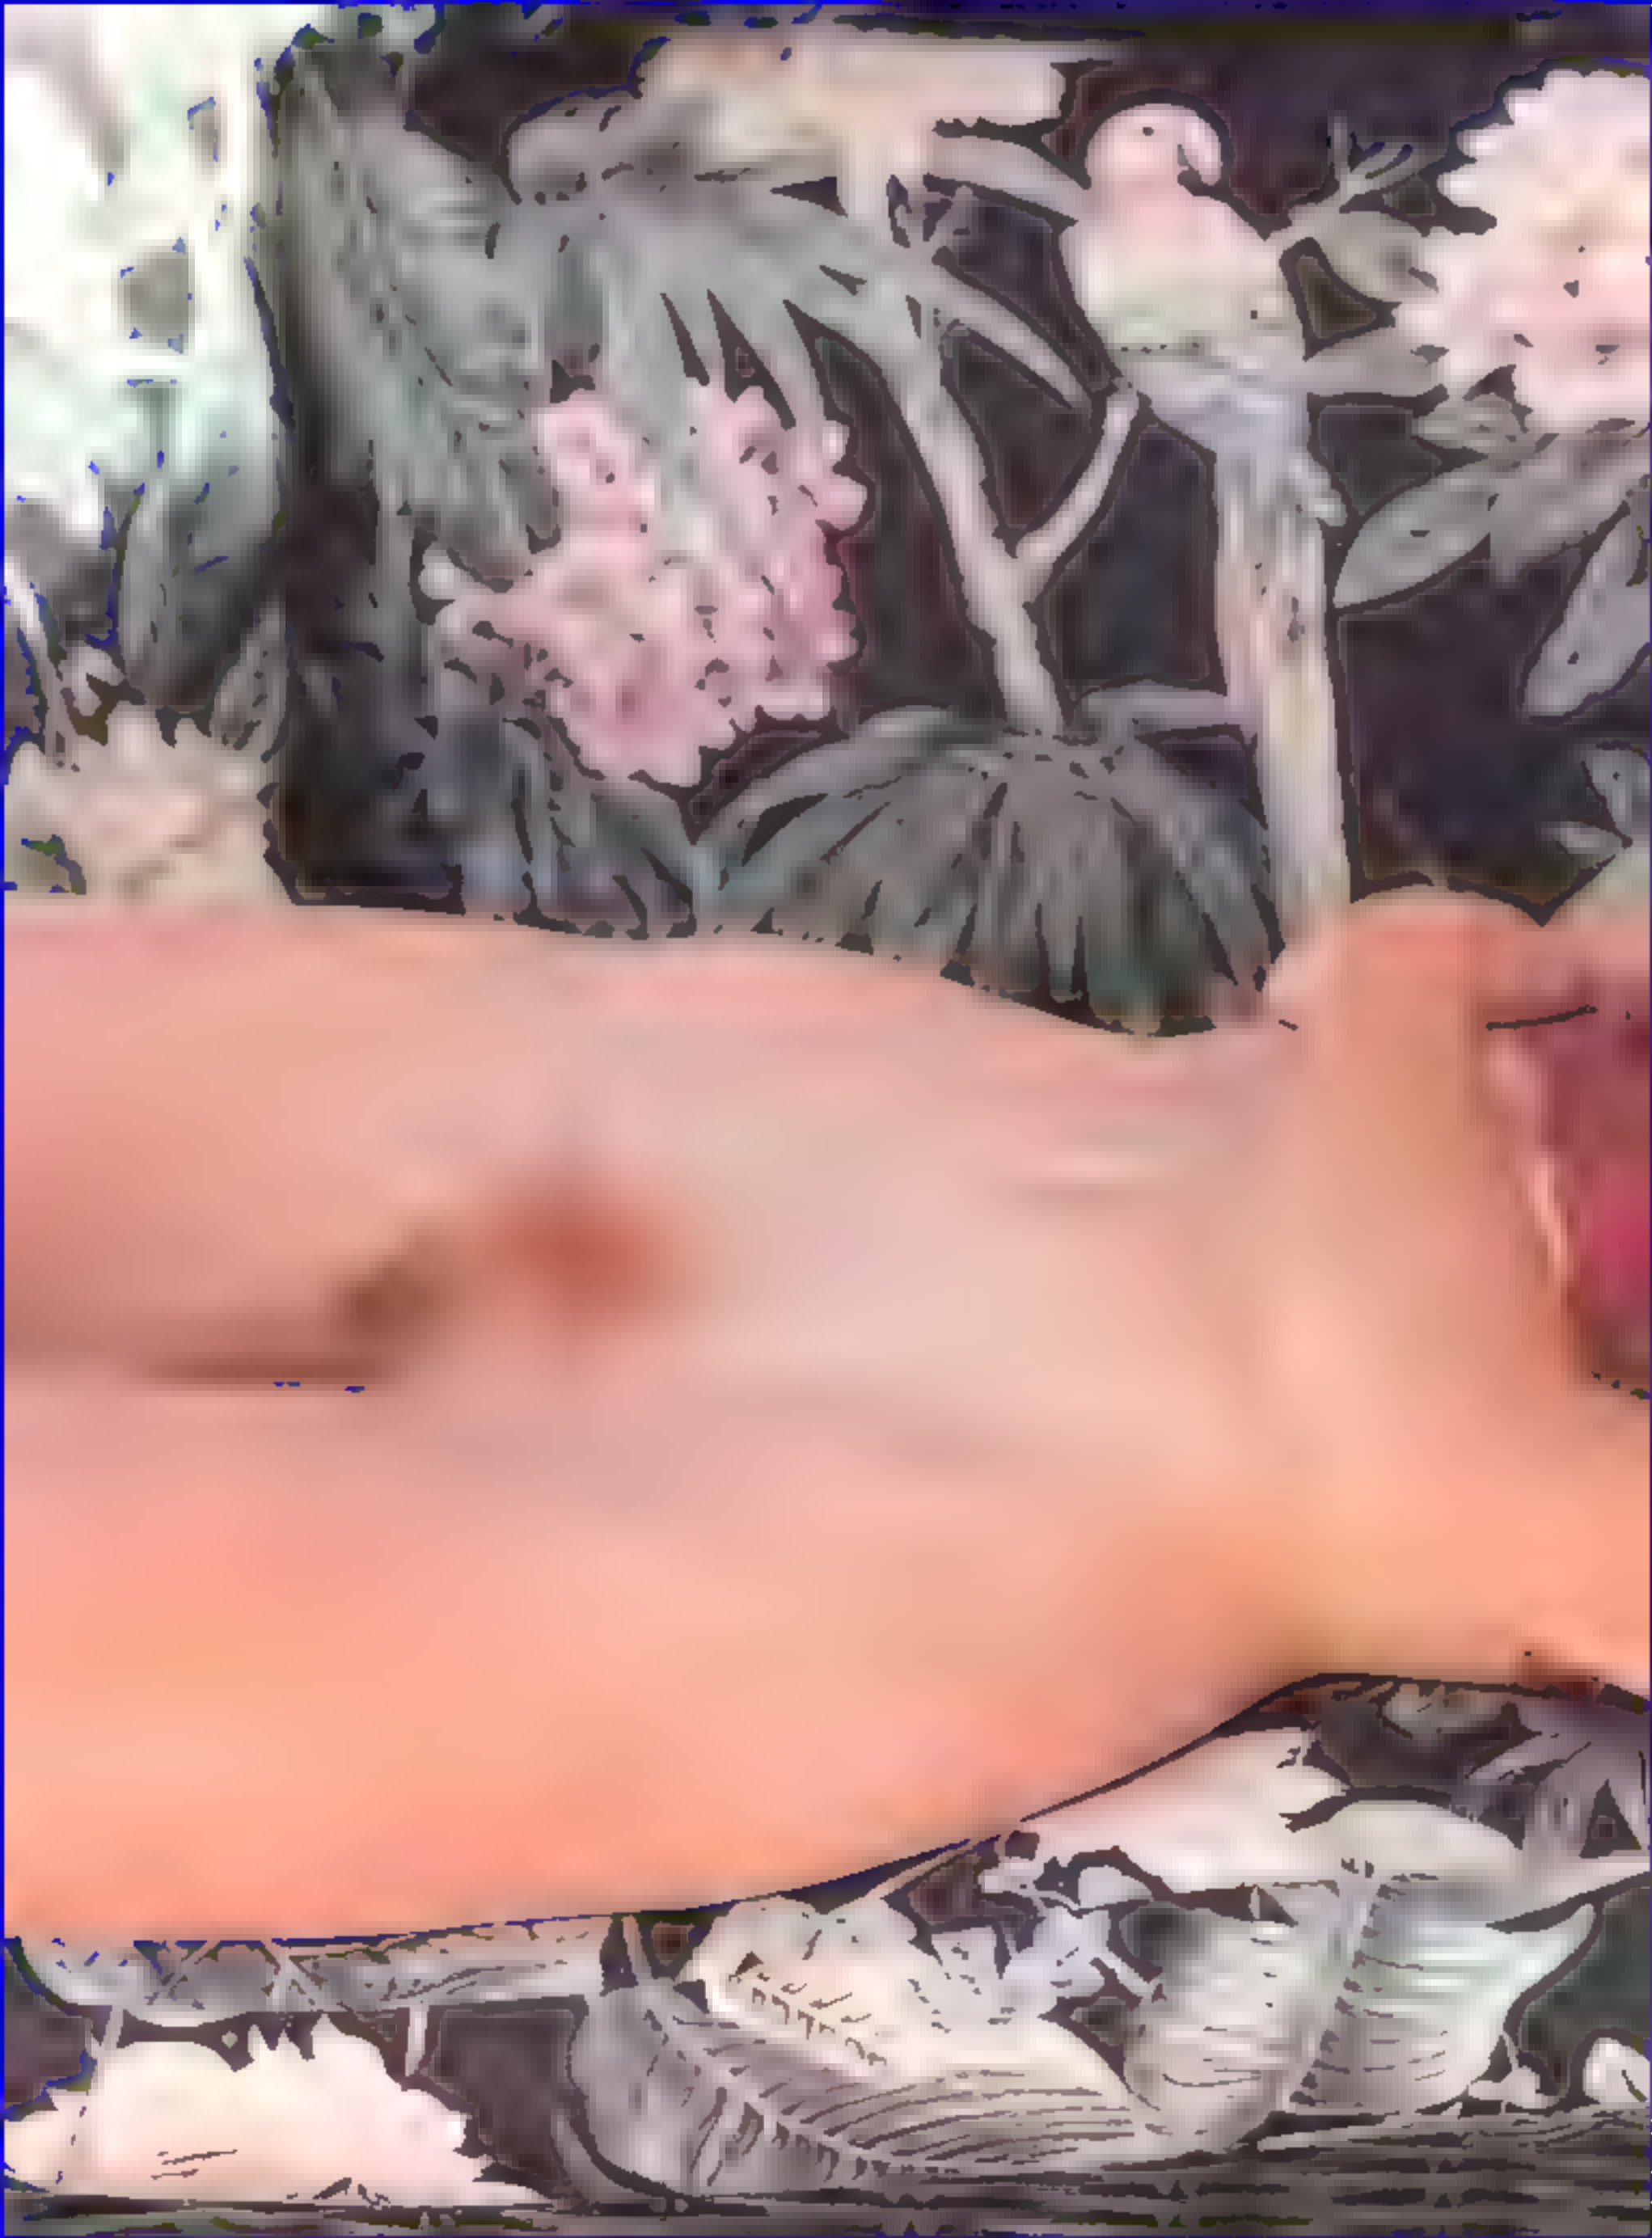

It's just too warm. But for these *seboristas* from sunny climes when an unseasonably warm spell strikes. Going topless and pulling down her panties helps Tawna Cable (left) beat the heat. Pamela West (above) dresses down to the waistline, her efforts to cool off. Enticing Dana Hardin (below) chills out in a demibra

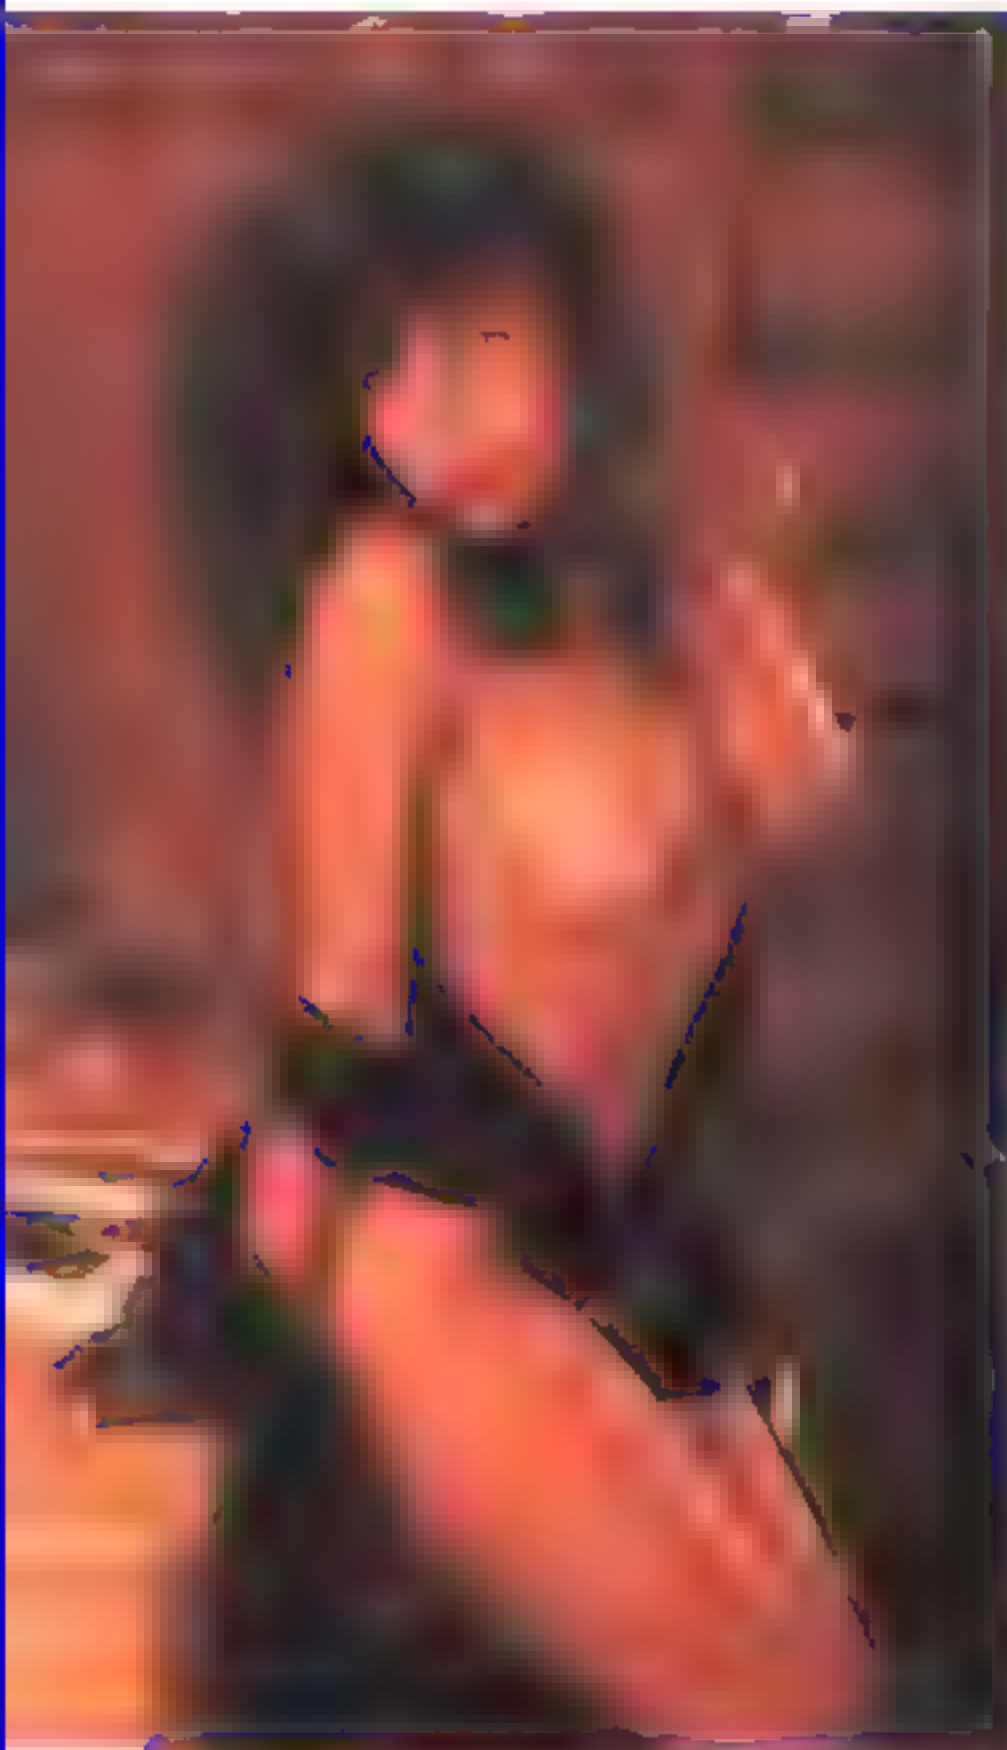

Call them old-fashioned, but this threesome believes that, despite the prevalence of panty hose, garter belts are never out of style. Laurie Carr (above left) is fabulous in black lace, while Teri Weigel (above right) helps keep temperatures rising in hot pink. Leah Luchette (right) would never leave home without white foundations. Shannon McLaren (overleaf) has made a good start in assembling her lingerie wardrobe with an intricate bra.

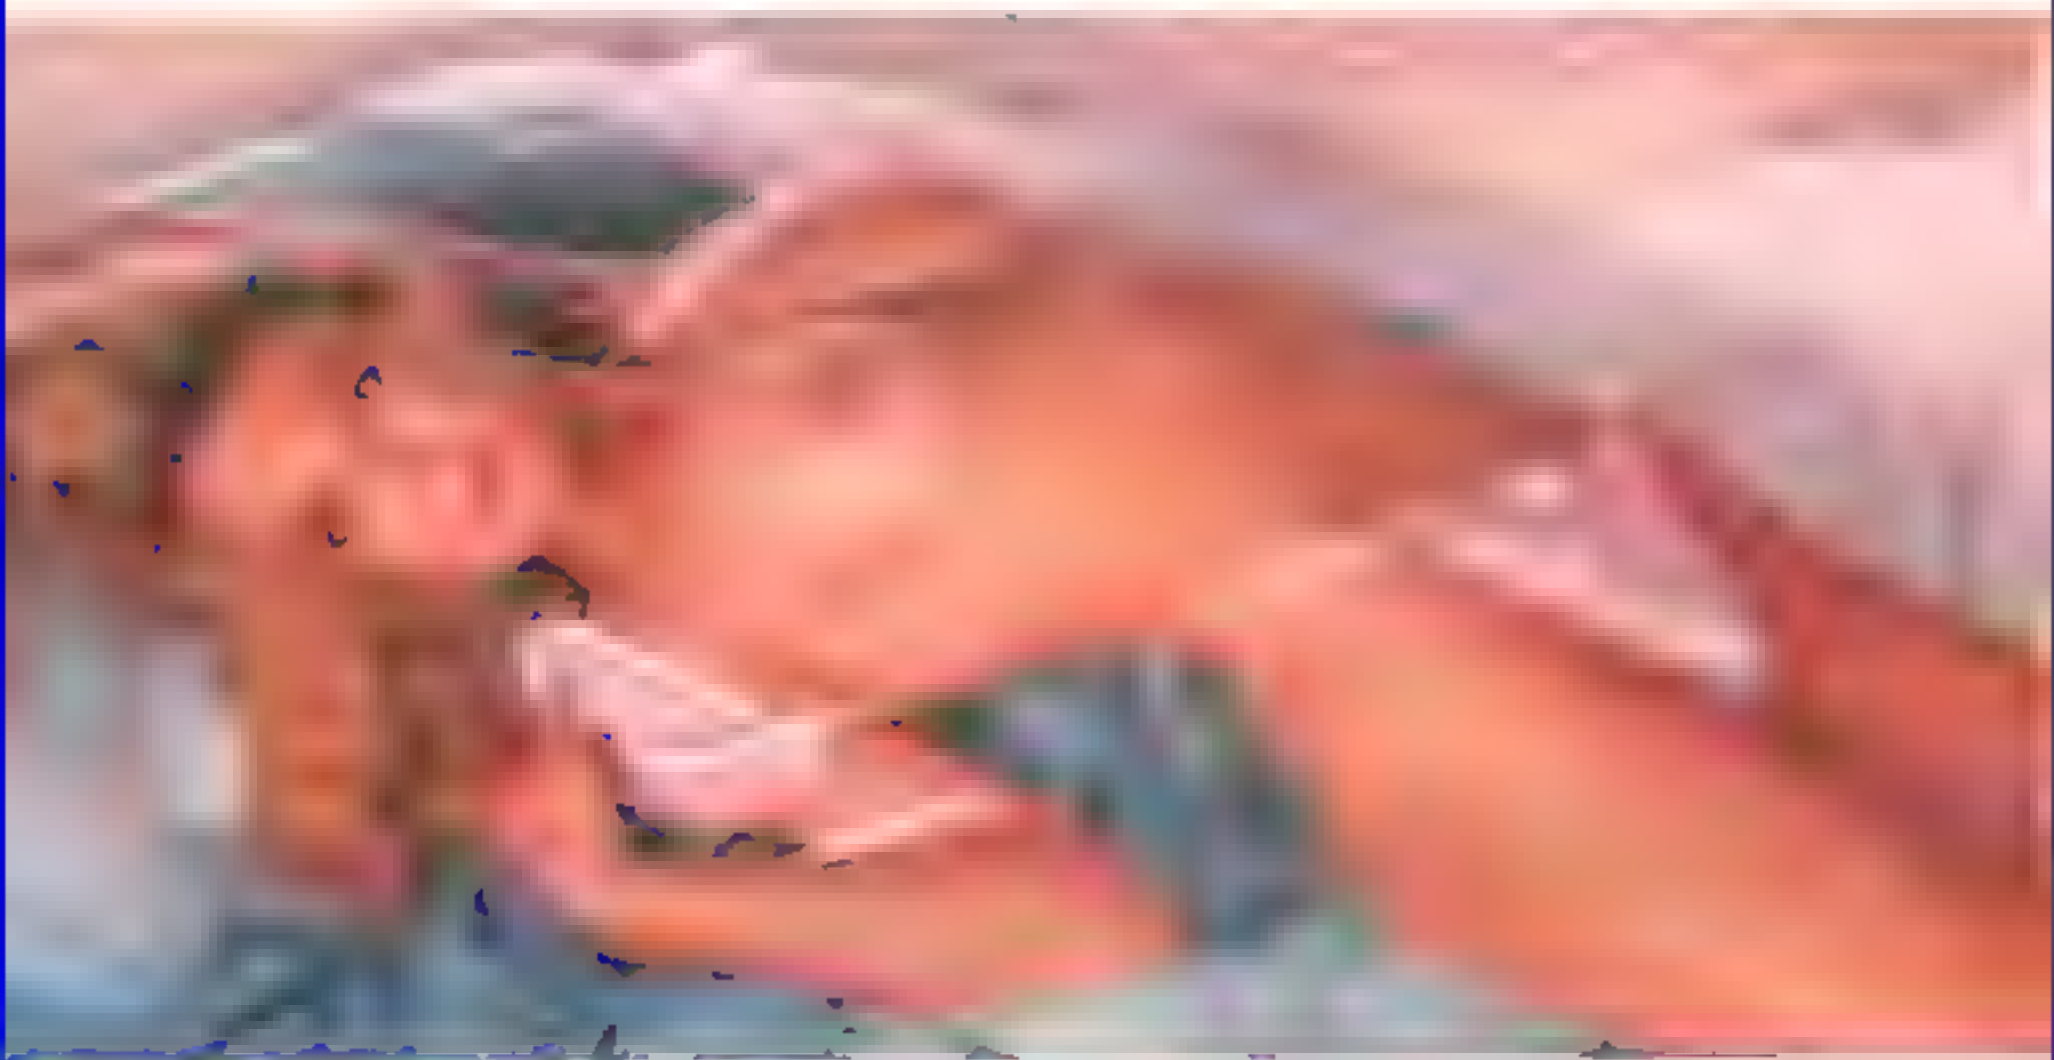

keeping oneself under wraps doesn't necessarily mean hiding one's allure. Susie Scott (left) demonstrates how to do it right with a flowered kimono. Tammy Hansen (above left) indulges herself in a peekaboo peignoir before hitting the books. In a diaphanous dressing gown, Shannon DeShay (above right) gets ready to brave the elements. Malesia Renée (overleaf) removes her cover-up to show us that she's been basking in the sun

It's important to take time to unwind. Donna Spangler (below) relaxes in embroidered panties and matching bra, while Petra Verkauk (bottom) likes to lounge in a glowing cami. Renee Tenison (right) enjoys reflecting on her day in a rich robe, and thoughtful Soula Demetris (overleaf) savors moments alone in a voluminous petticoat.

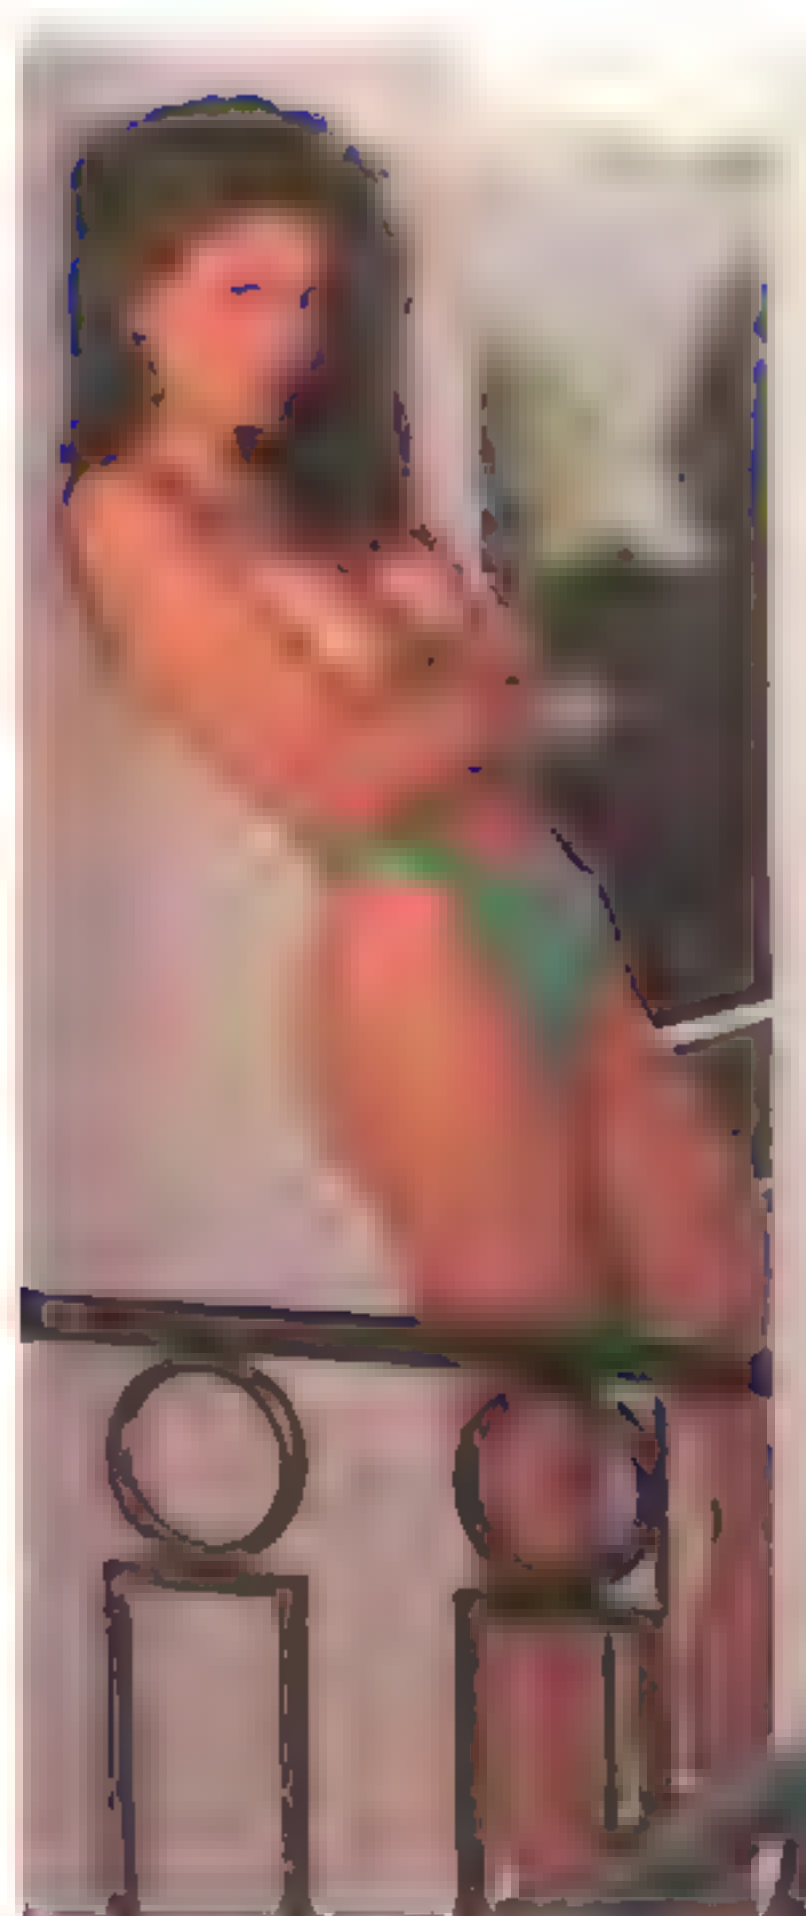

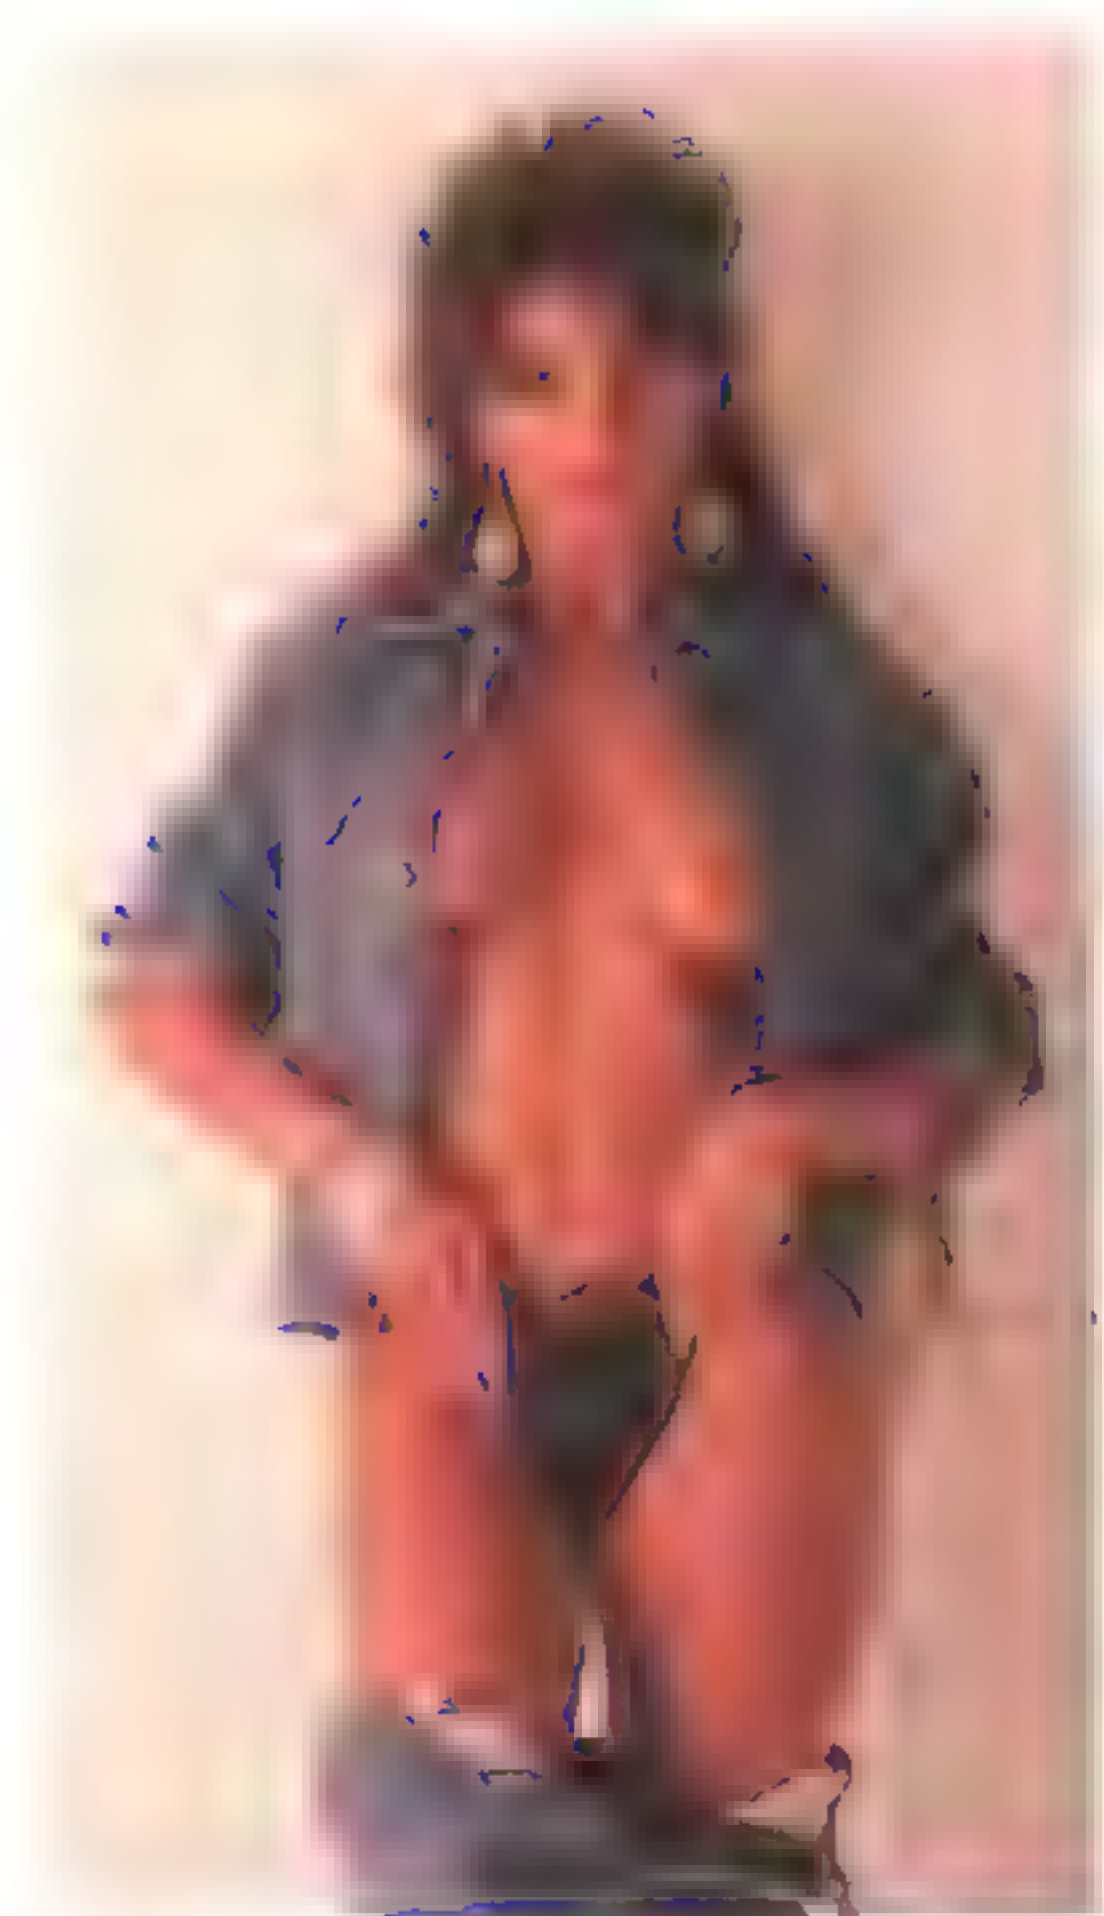

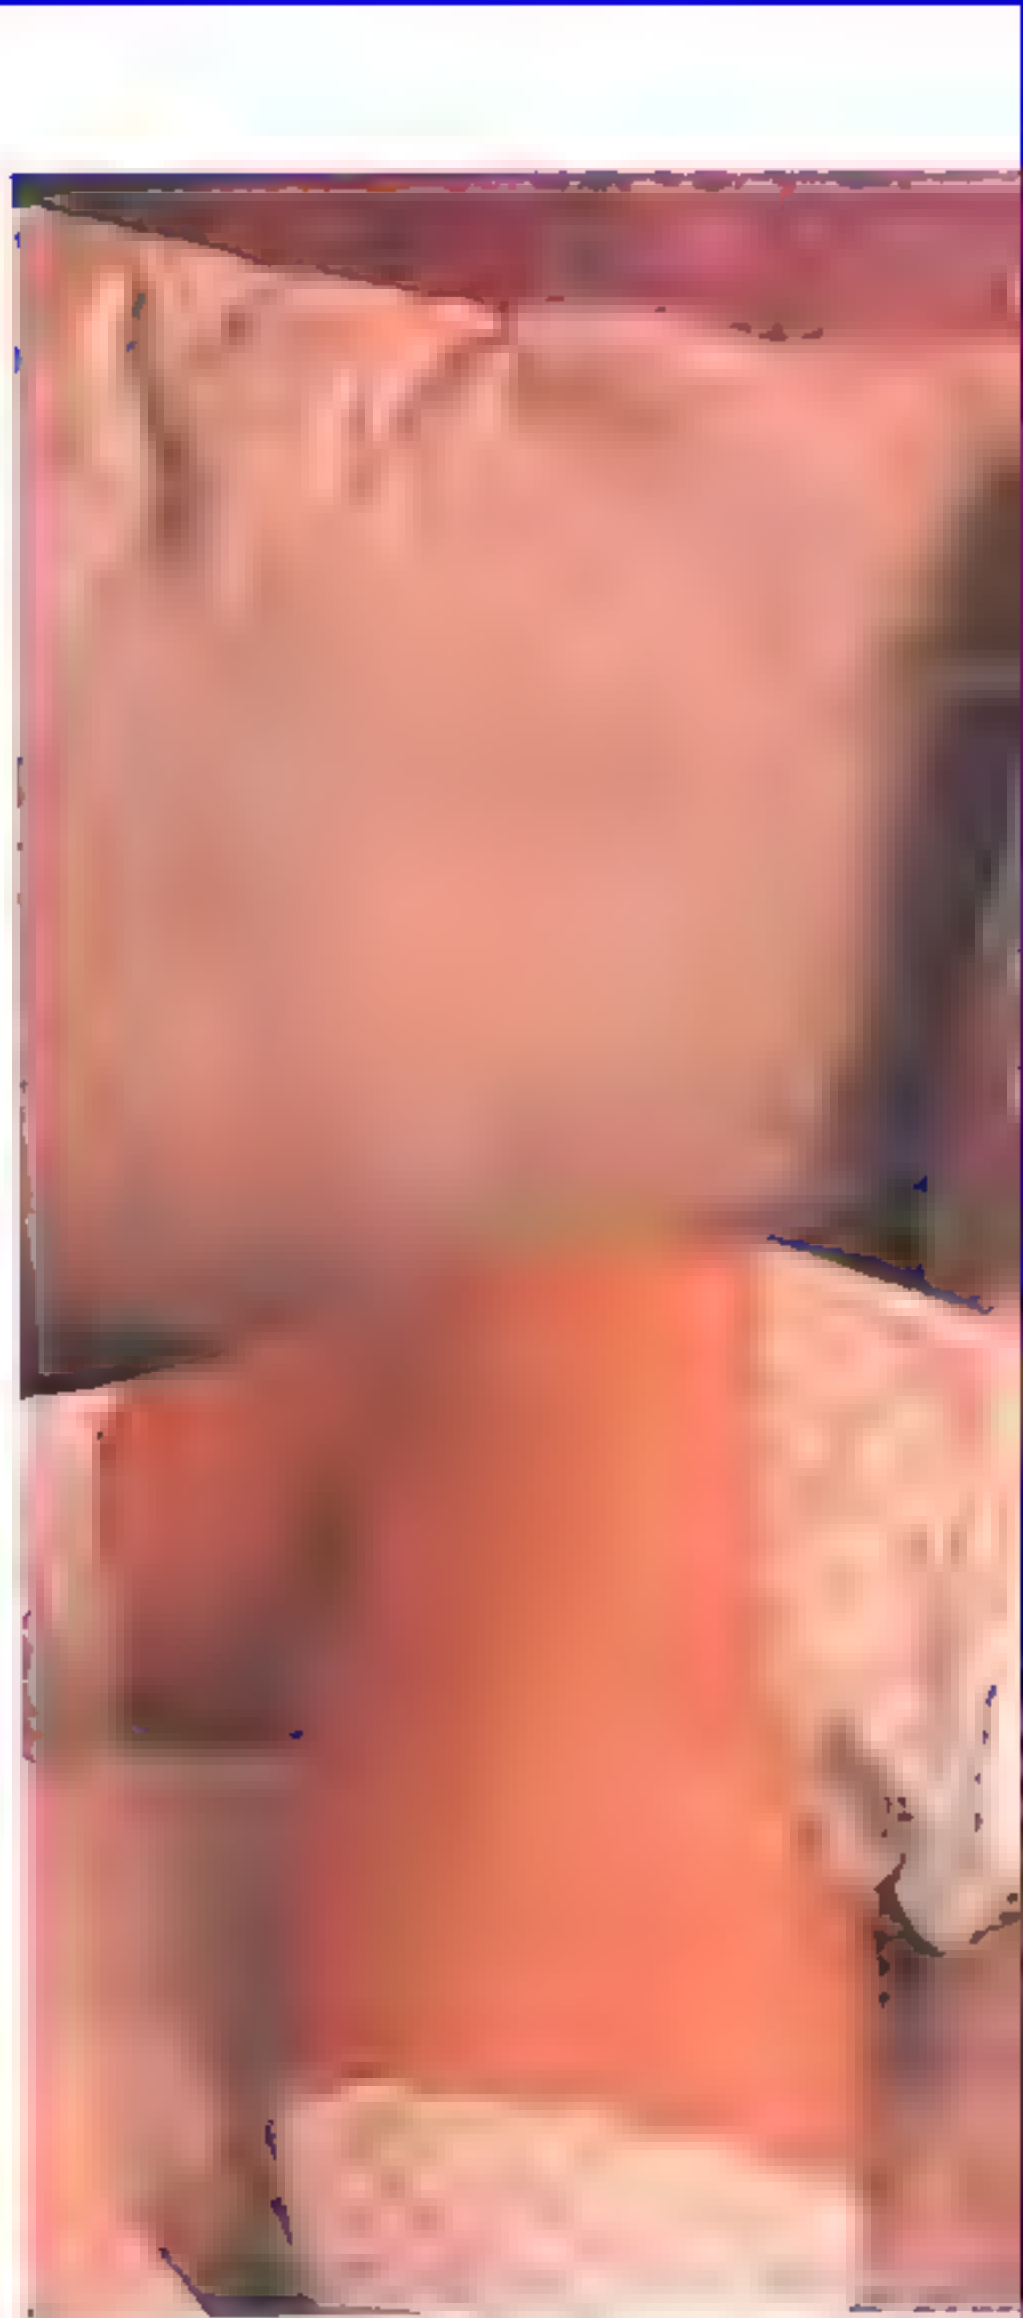

Guttering attraction Gady Cantrell (left) makes a stylish statement by teaming gold lame bra and pants with a black bolero jacket. Dana Beveridge (above left) is just as delectable hoisting her brown beret and skintight denim, while curvaceous Laurie Carr (above right) gives us an excellent view of perfectly fitted cotton briefs.

Riding the range would
never be lonely with a good-
looking cowgirl like Tracy
Wager (left) at your side.
In cowboy hat and panties,

she is at once robust and
dainty. The farmer's daugh-
ter of all our dreams, Rita
Ravonne (above) offers a
cozy saloon table for two.

White is anything but stereotypically austere on Teri Weiger (above) in gartered panties. Bonnie Ward (right) opts for a strap and bra with a hint of mint green.

A spring breeze and the softness of silk as it caresses her body make watching the sunset more special for Cynthia Brimhall (left). As the warmth of the morning sun intensifies, Ava Fabian (above) lets her terrycloth robe fall open and fantasizes herself bikini-clad on a tropical island.

Savvy women know how to put a feminine spin on traditional menswear. Hope Marie Carlton (below) catches up on the latest styles in a muscle tee and G string. Bonnie Ward (bottom) looks cool as a cucumber in boxer shorts. Monique Noel (right) layers sweater over bra. Laurie Carr (overleaf) lies about in a turquoise bodysuit.

A playful spirit is evident when a girl has a penchant for polka dots. Camisole close to hand. Angela Deters' above, is divinely dotty in black-and-white pants. DeAnna Lee (right) is a compelling composition and should earn accolades for her sensational figure and tell-all teddy.

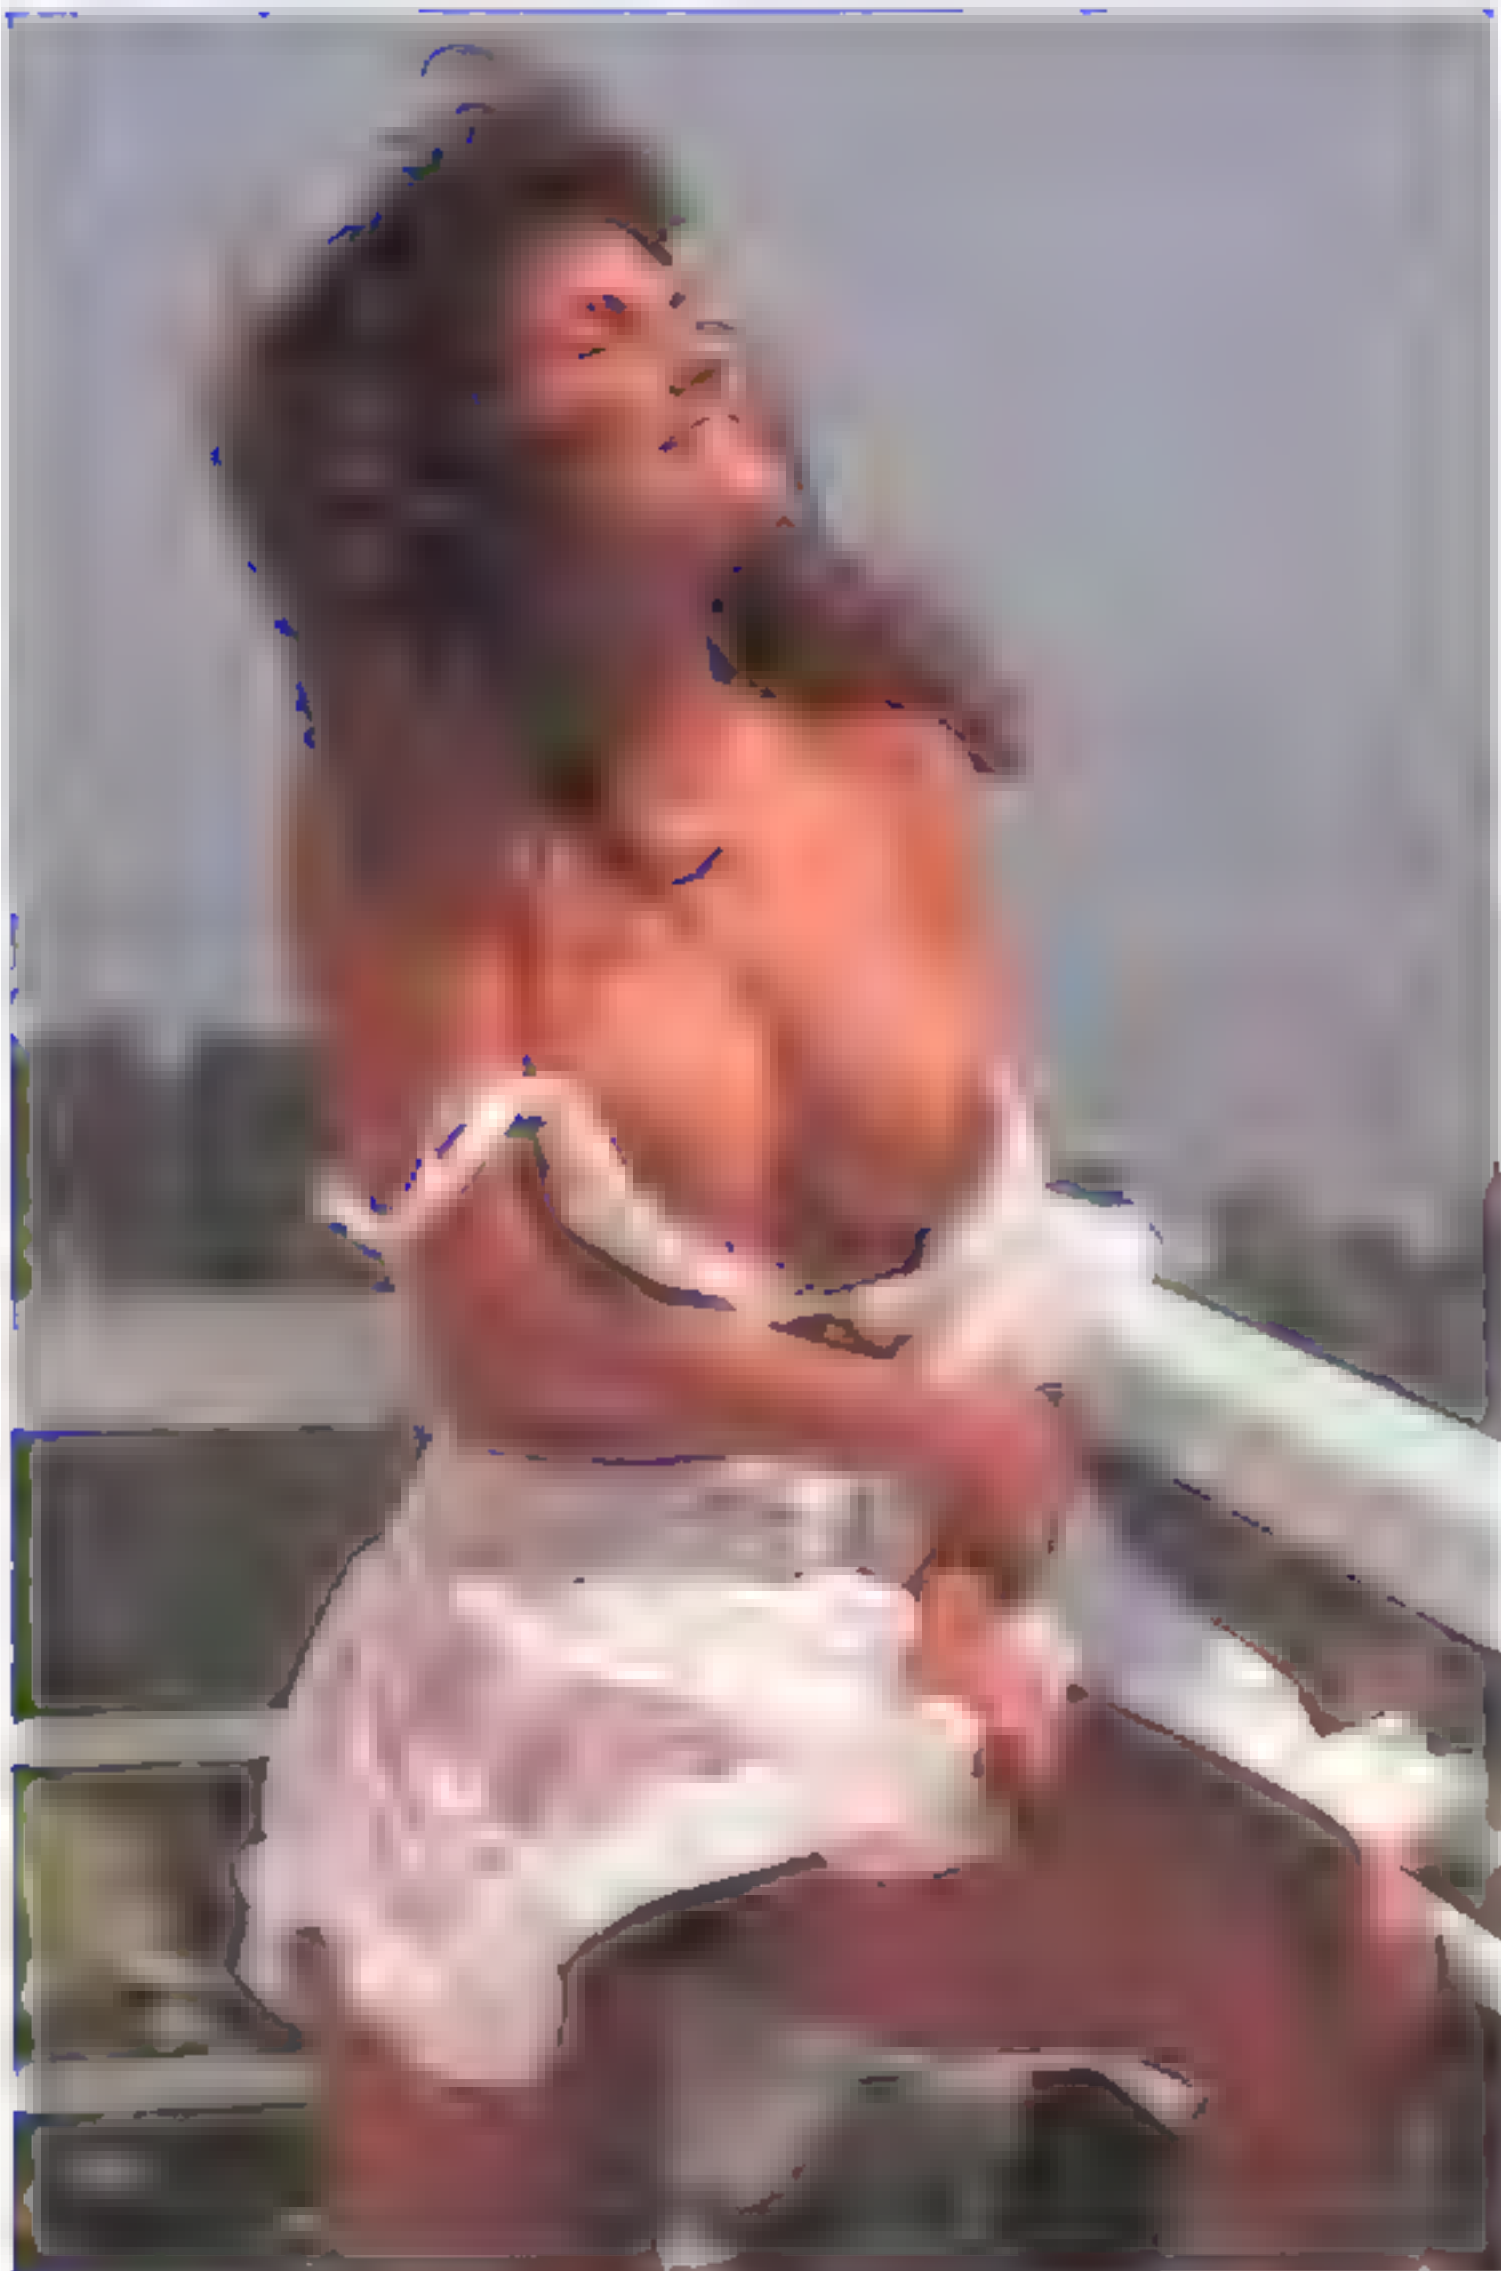

What makes a woman smile? If she's like Barbara Edwards, it could be delicate lingerie and time enough to enjoy the process of maneuvering it into position on her body

Spring is about to burst out all over and Chelsey Parks (left) is ready. She exudes country charm in a camisole and straw hat. Charismatic Kerr-Anne (above) makes all the right moves in a form-fitting stretch-lace teddy

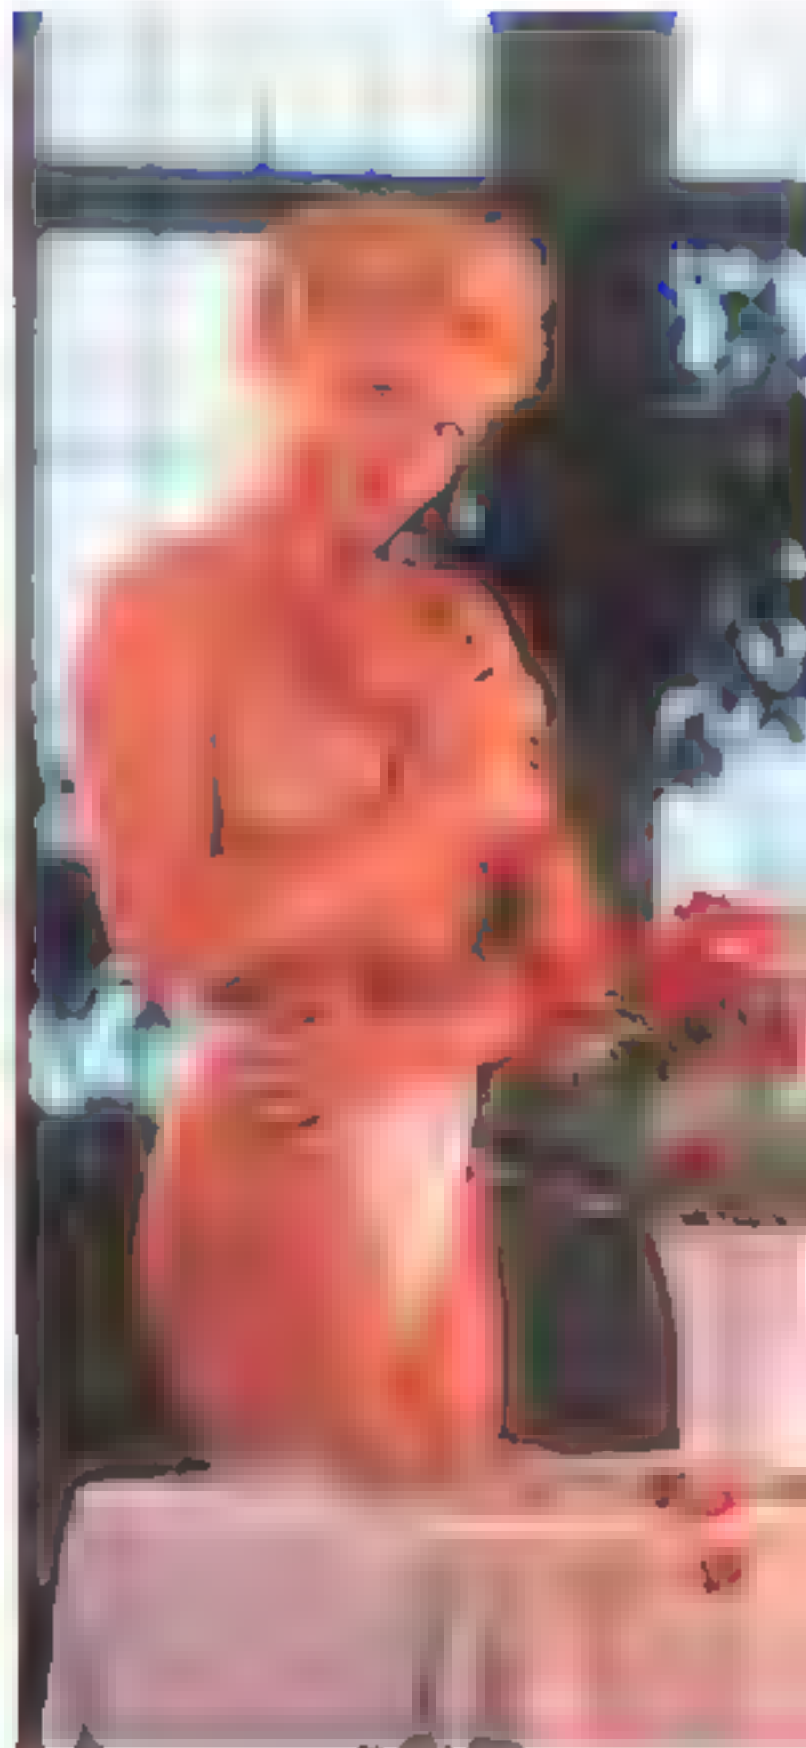

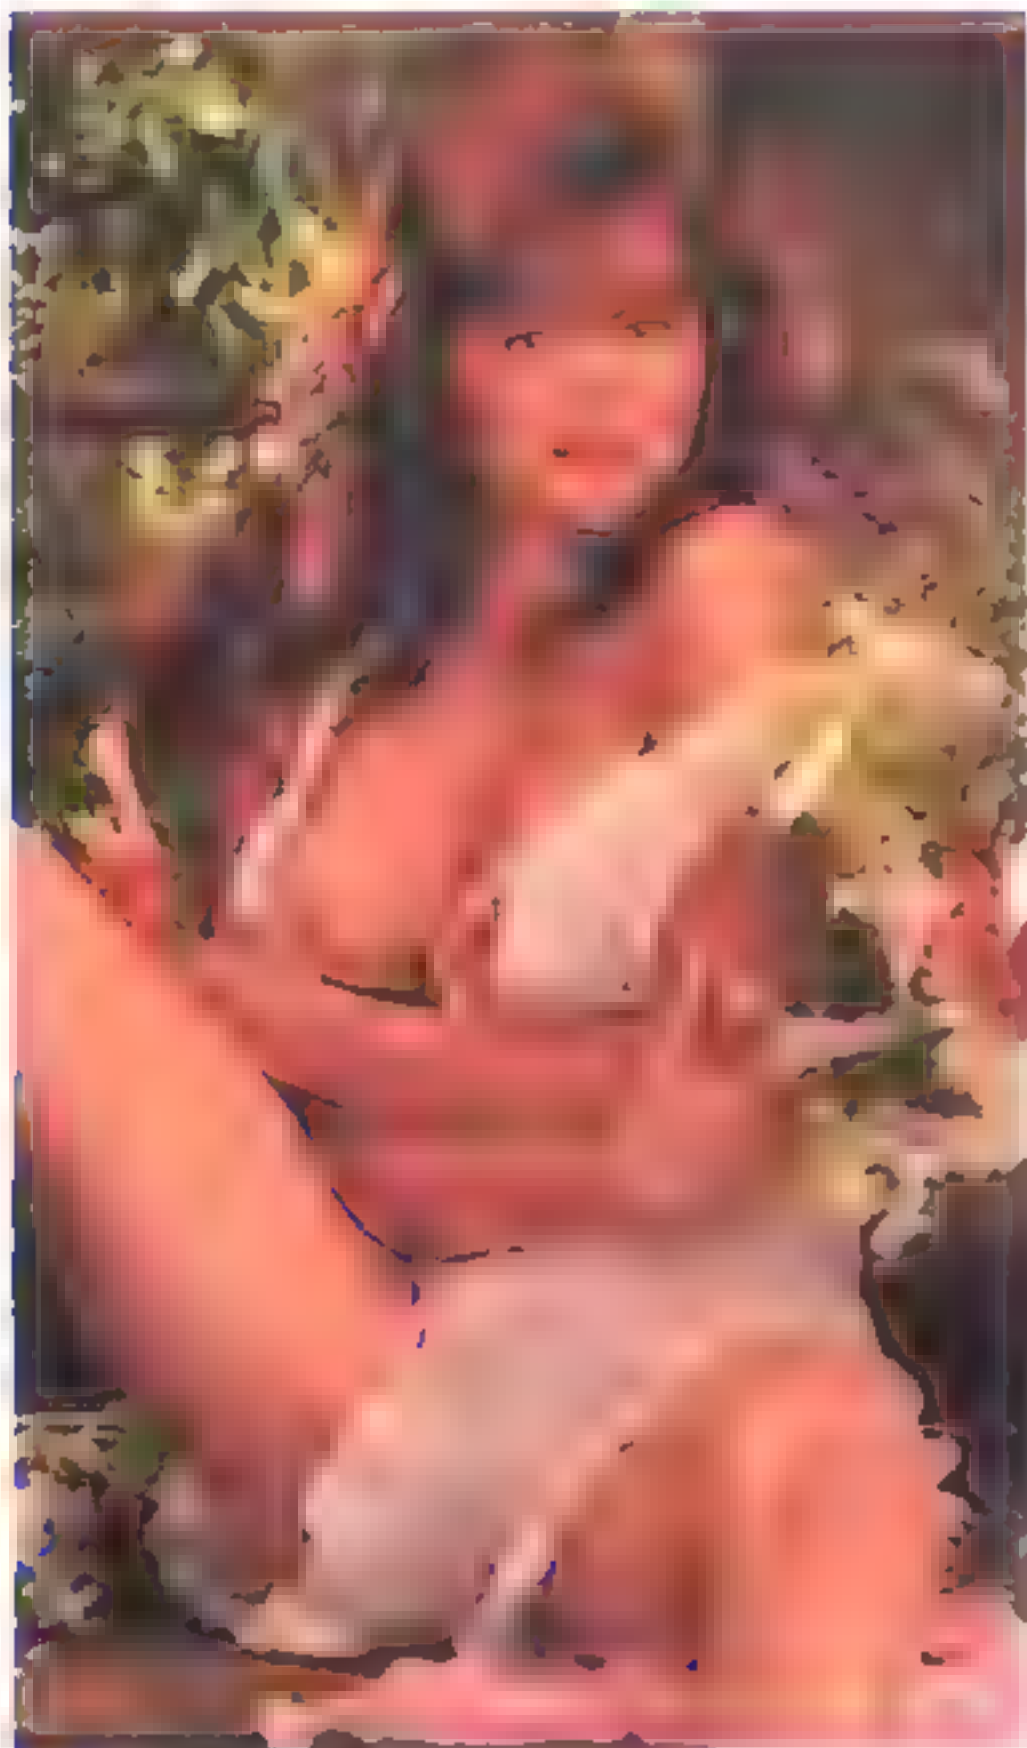

Warm weather comes early where Brandi Downs lives. Whether in a bra and half-slip or mesh teddy, she seems elated at any opportunity to embrace the sun's rays. Simone Eden, *overleaf*, in a pastel chemise still favors lounging indoors among blankets and comforters.

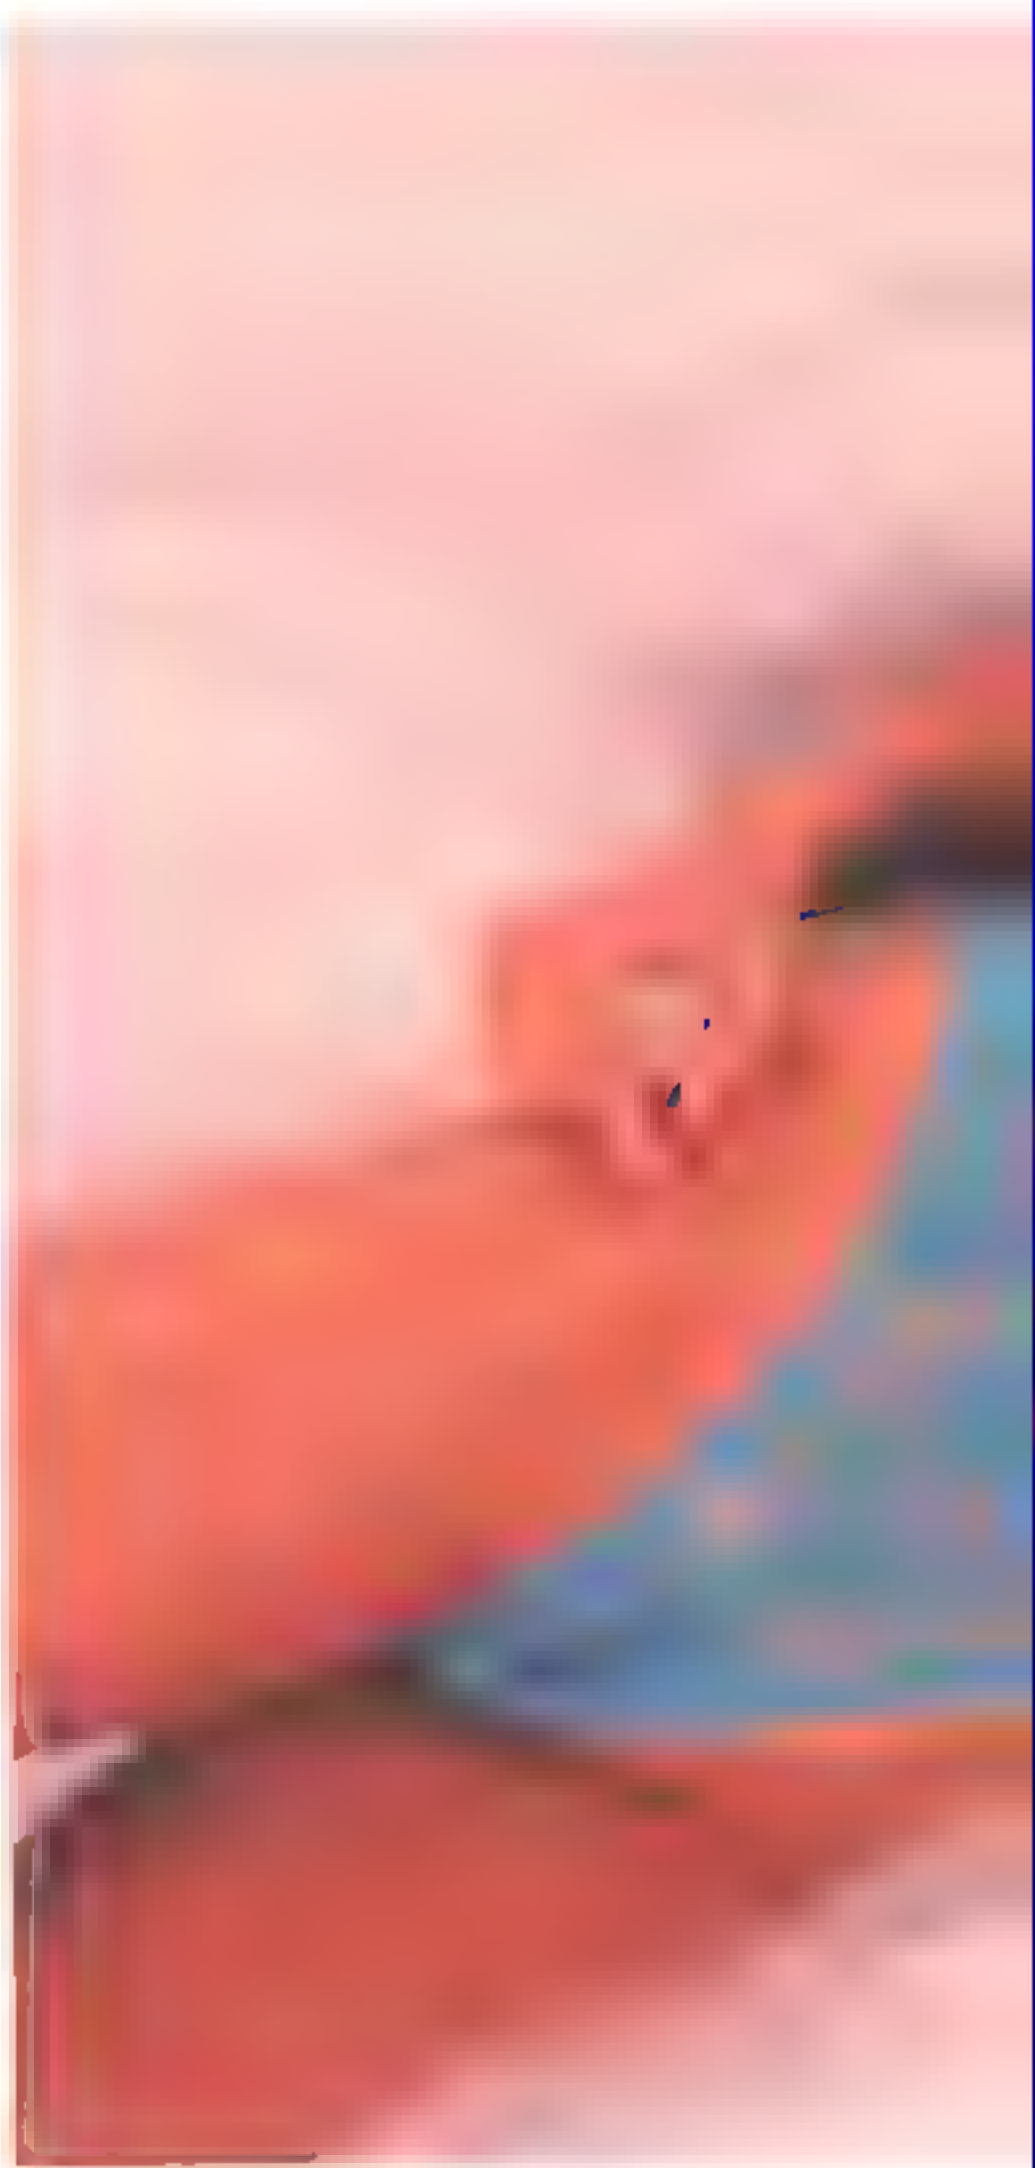

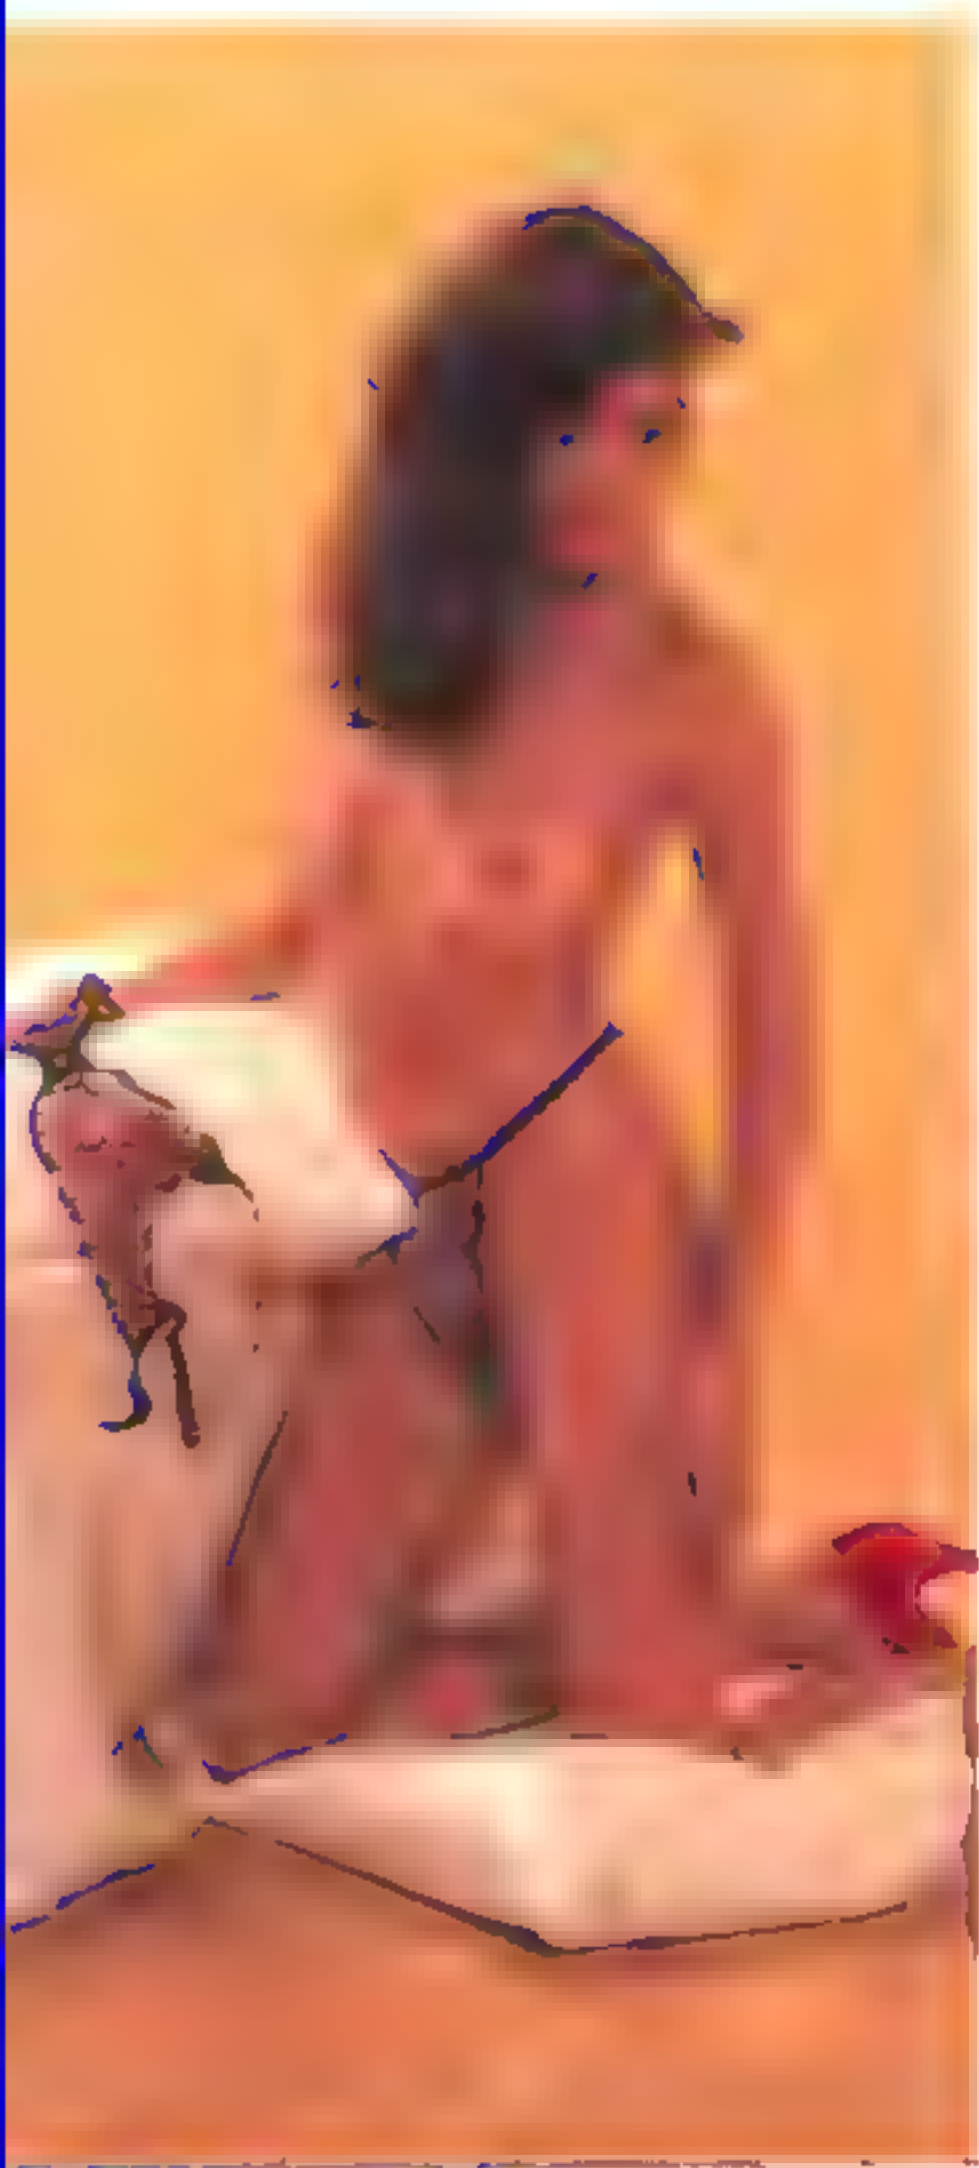

Cynthia Kaye (left) is simply irresistible in an exotic floral gown. Nia Breeon (above left), an earthly delight, poses among the posies in a vintage undergarment. An exquisite arrangement herself, Coreen Busché (above right) is a first-rate flower arranger. Terri Ranson (overleaf) gives consideration to both sides of the situation.

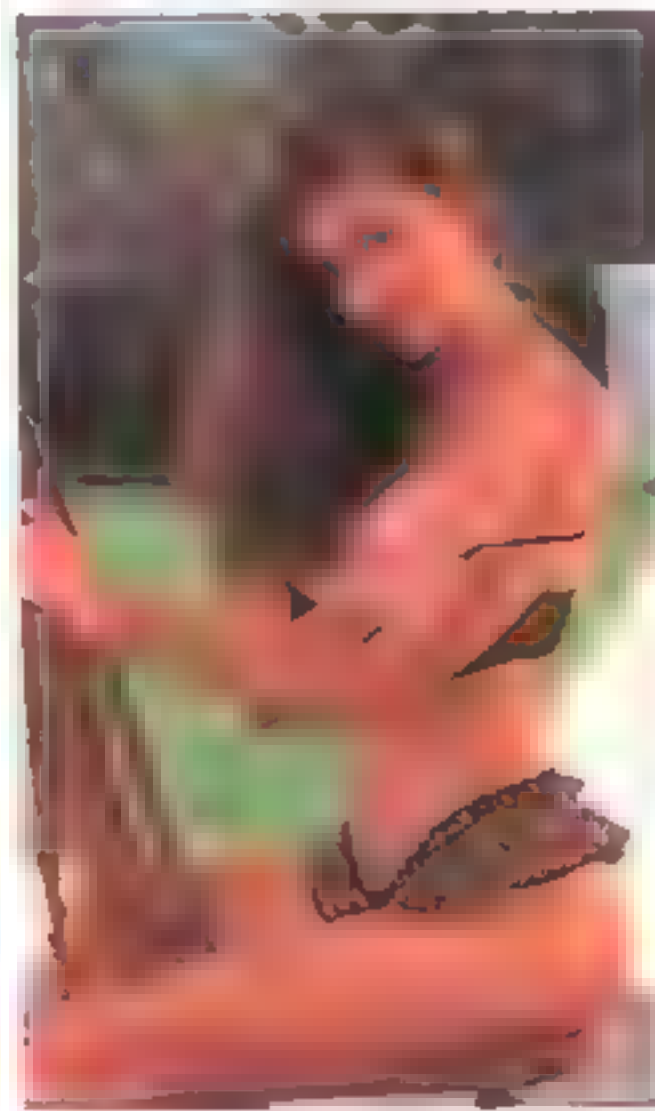

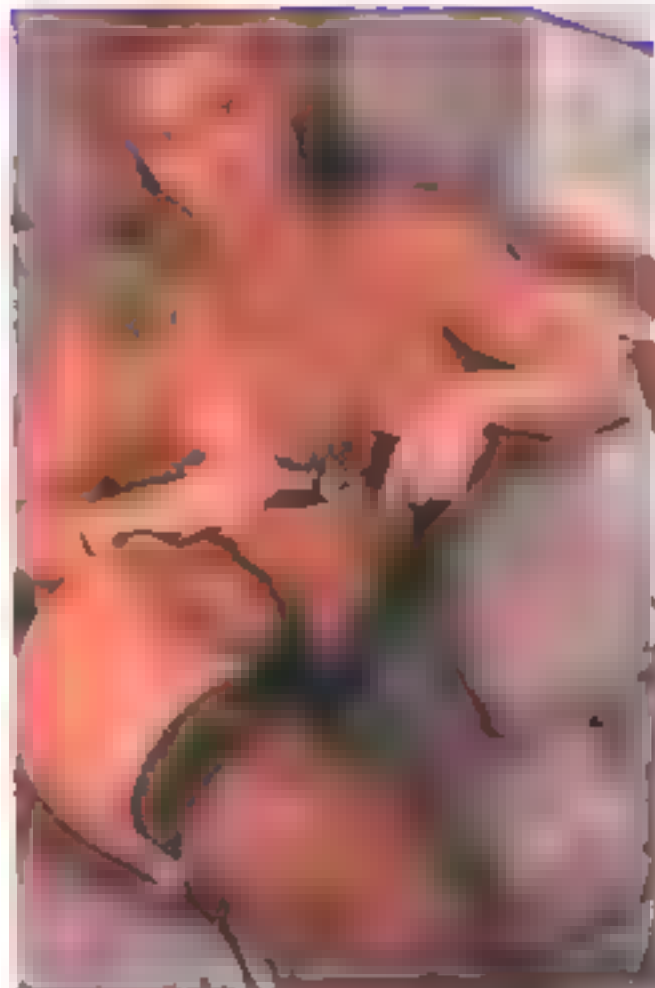

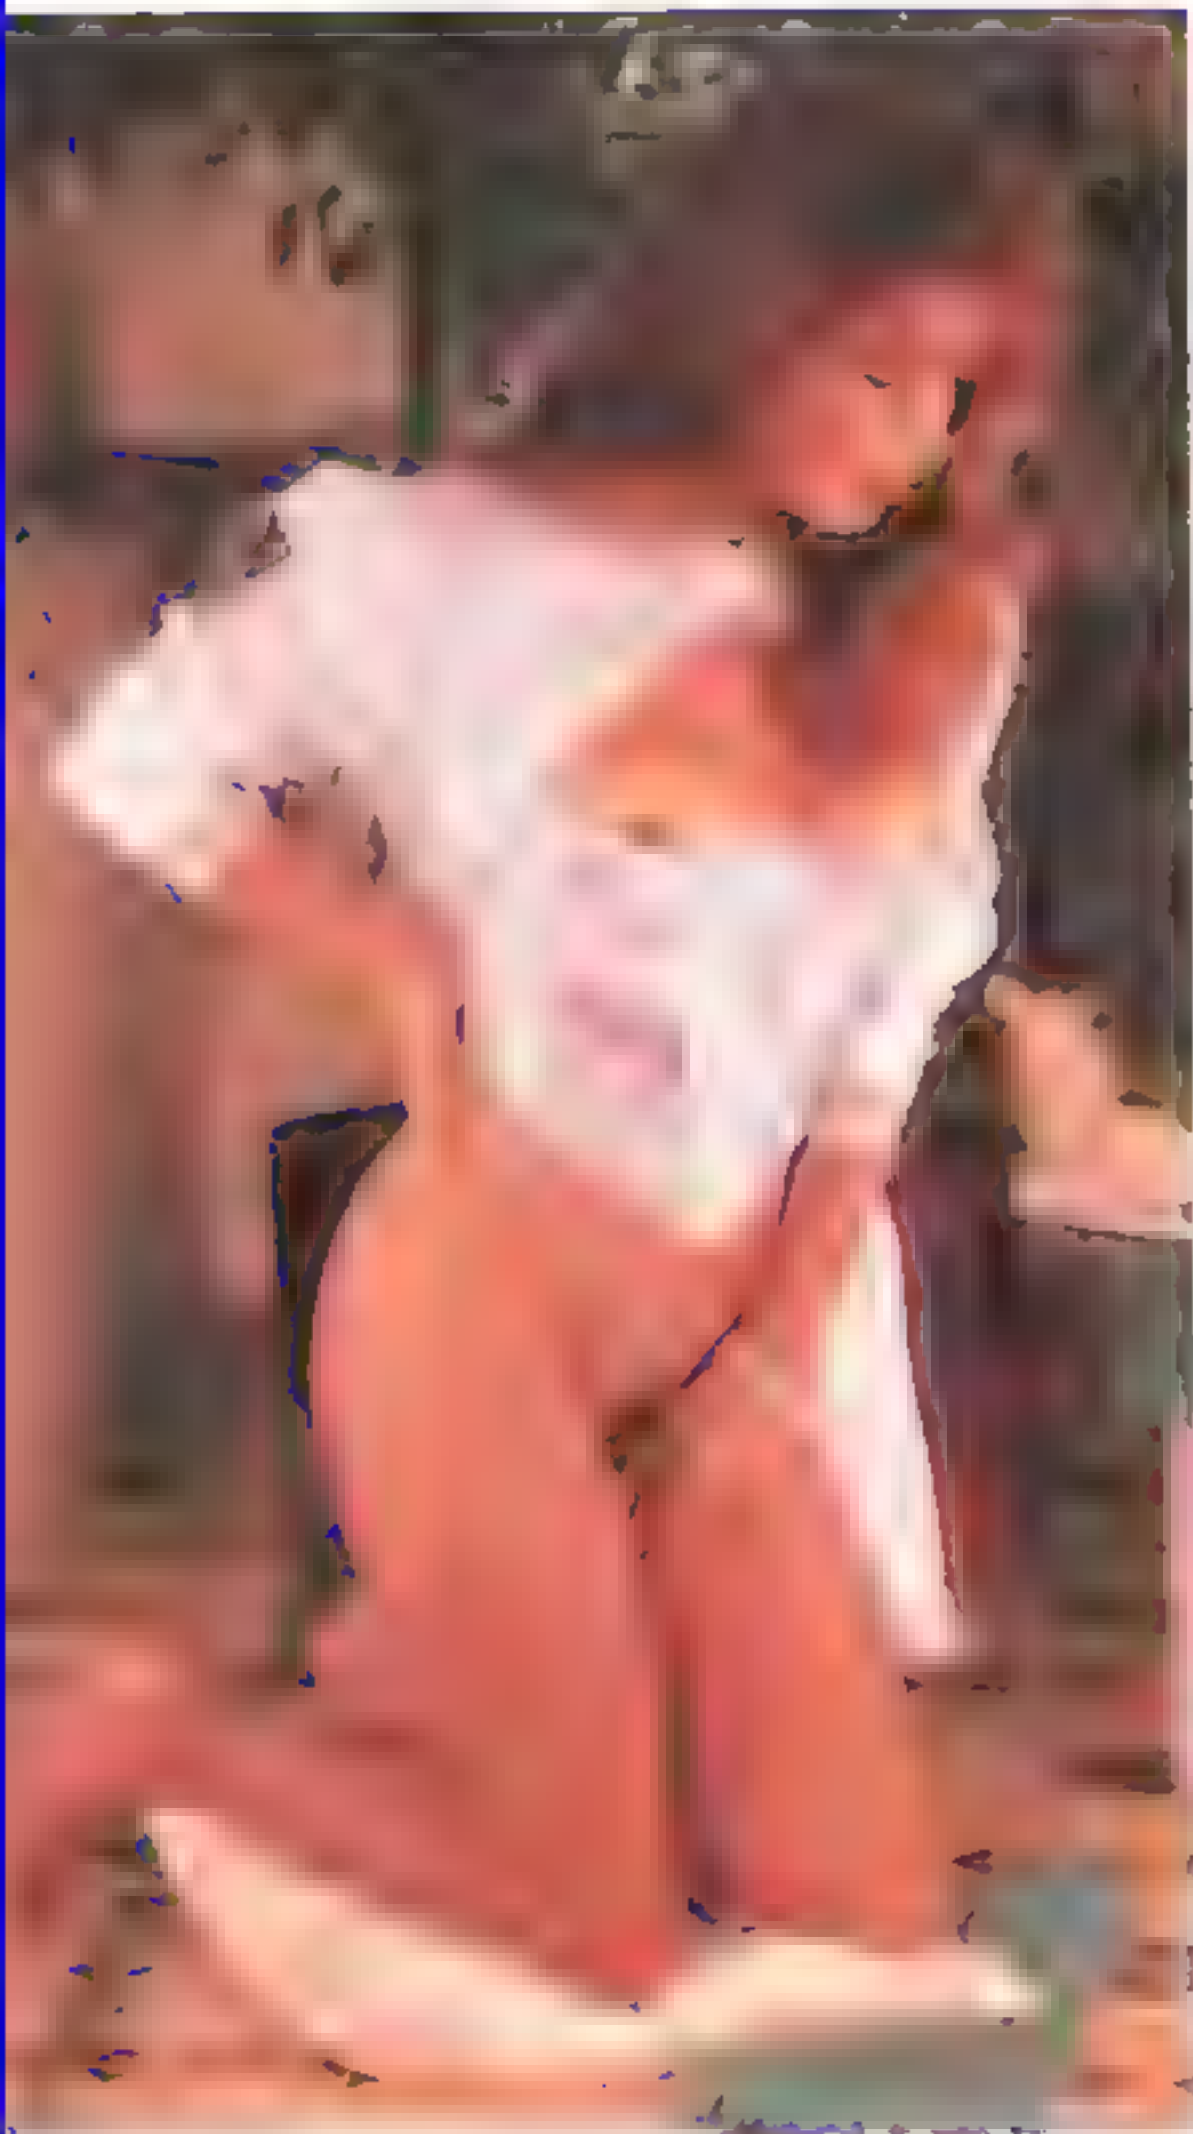

Unforgettable in a print bra and panties, Pia Reyes (above, looks as if she might have forgotten something. We'll forever remember Rita Ravonne (right), lying contentedly on a cloud in a bright, clinging teddy

Black is especially beautiful and sexy on blondes. Deliciously draped on Dona Spear (left) is a filmy dressing gown that reveals her curves and spotlights her luxurious hair. Getting set for a hot night, Ryan Knight (above) is particularly spectacular in polka dots and lace.

Lynne Marie (above left) appears demure in a bustier and robe. Melody Farr (above right, top) and Laurie Carr (above right, bottom) seem to be in agreement about floral-patterned lingerie. Tylvn (right) makes a stand for the ultimate in sheer wraps. Patt DeLake (overleaf) puts her gown into perspective from a horizontal position.

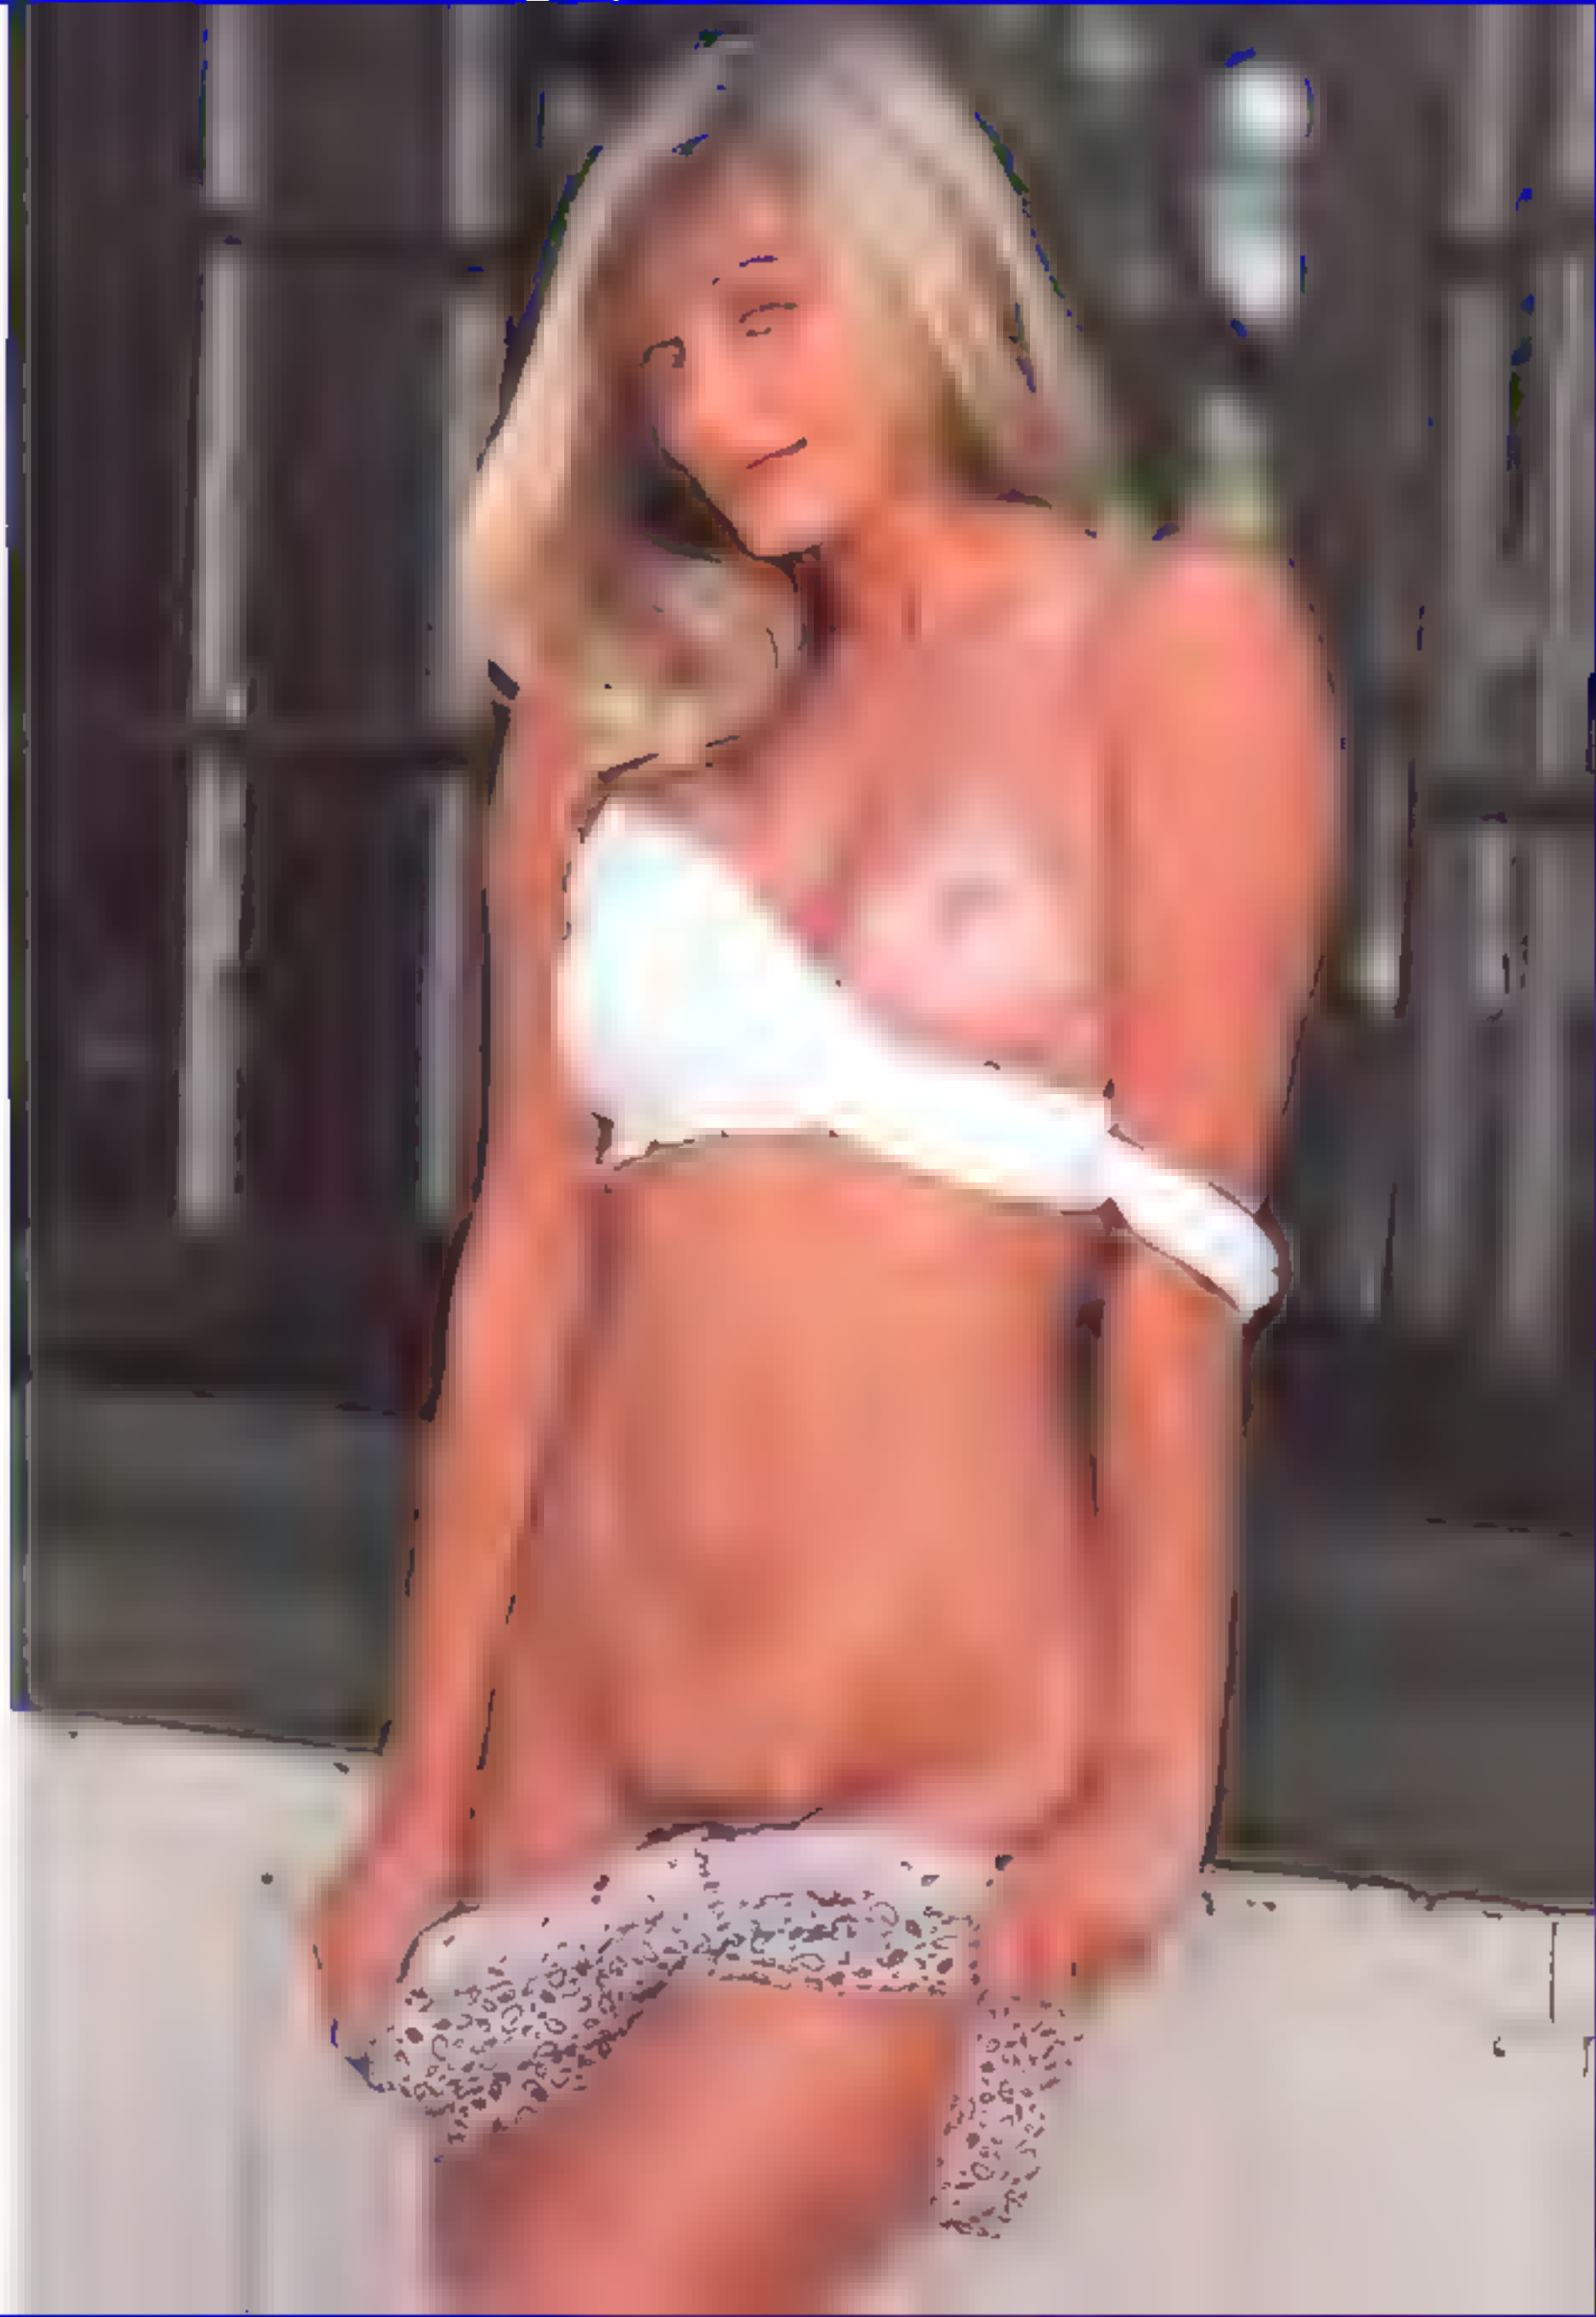

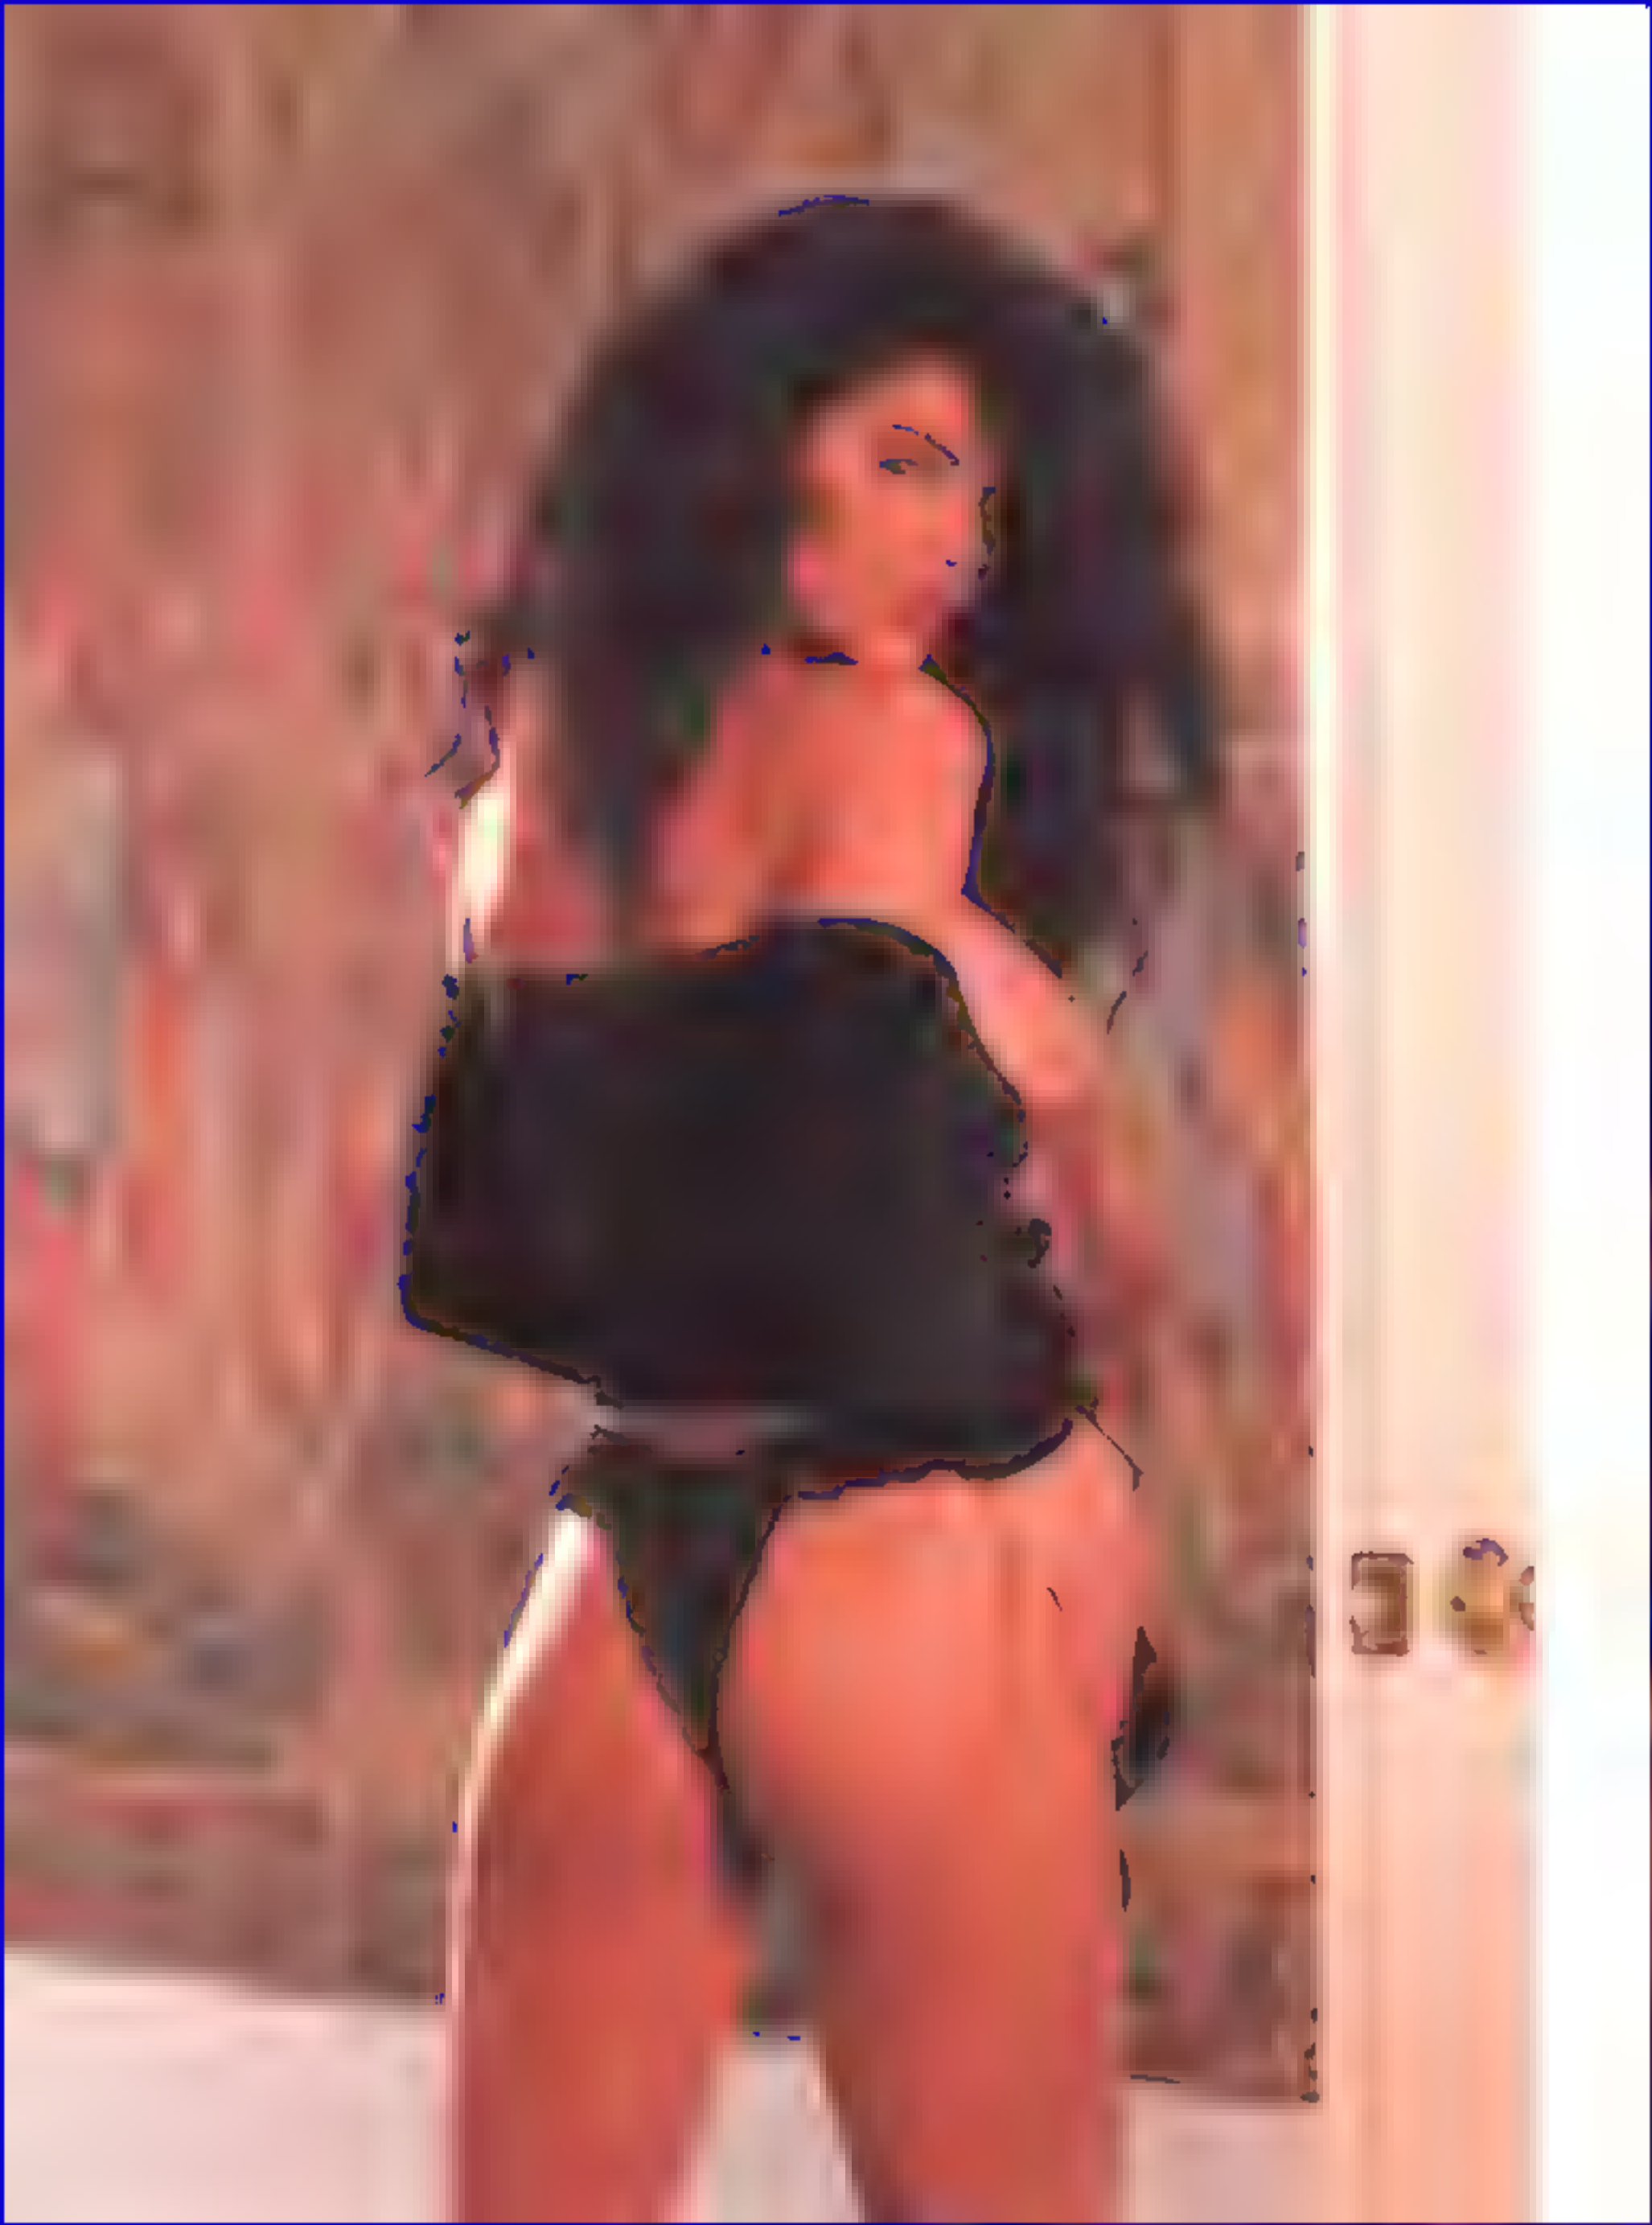

Angela Brooks above is devastating in a naughty-but-oh-so-nice see-through nightie. After selecting her lingerie Lynn Marie (below) turns her attention to the process of selecting accessories to augment her outfit. Perpetually unpredictable Pam Stein (right) might decide to wear nothing at all over boxer shorts and crop top.

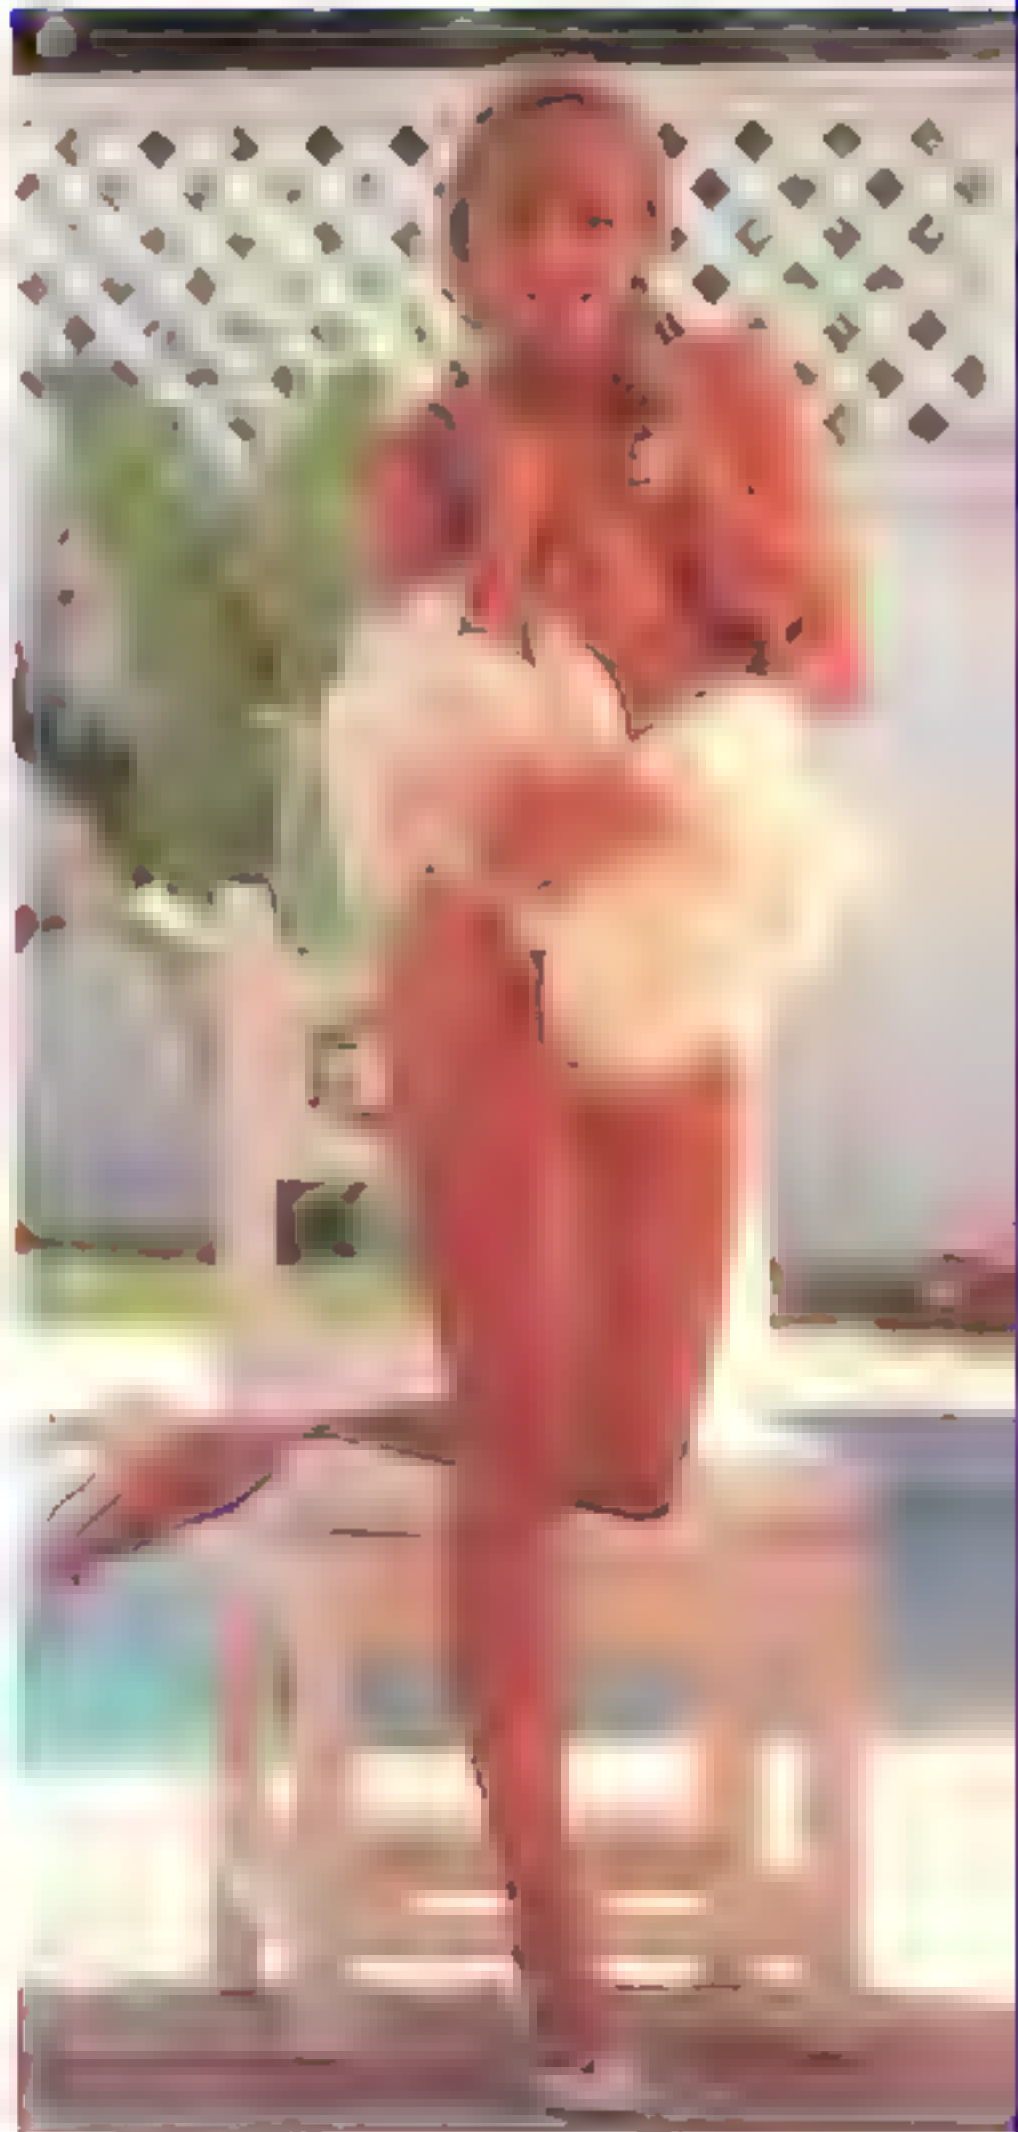

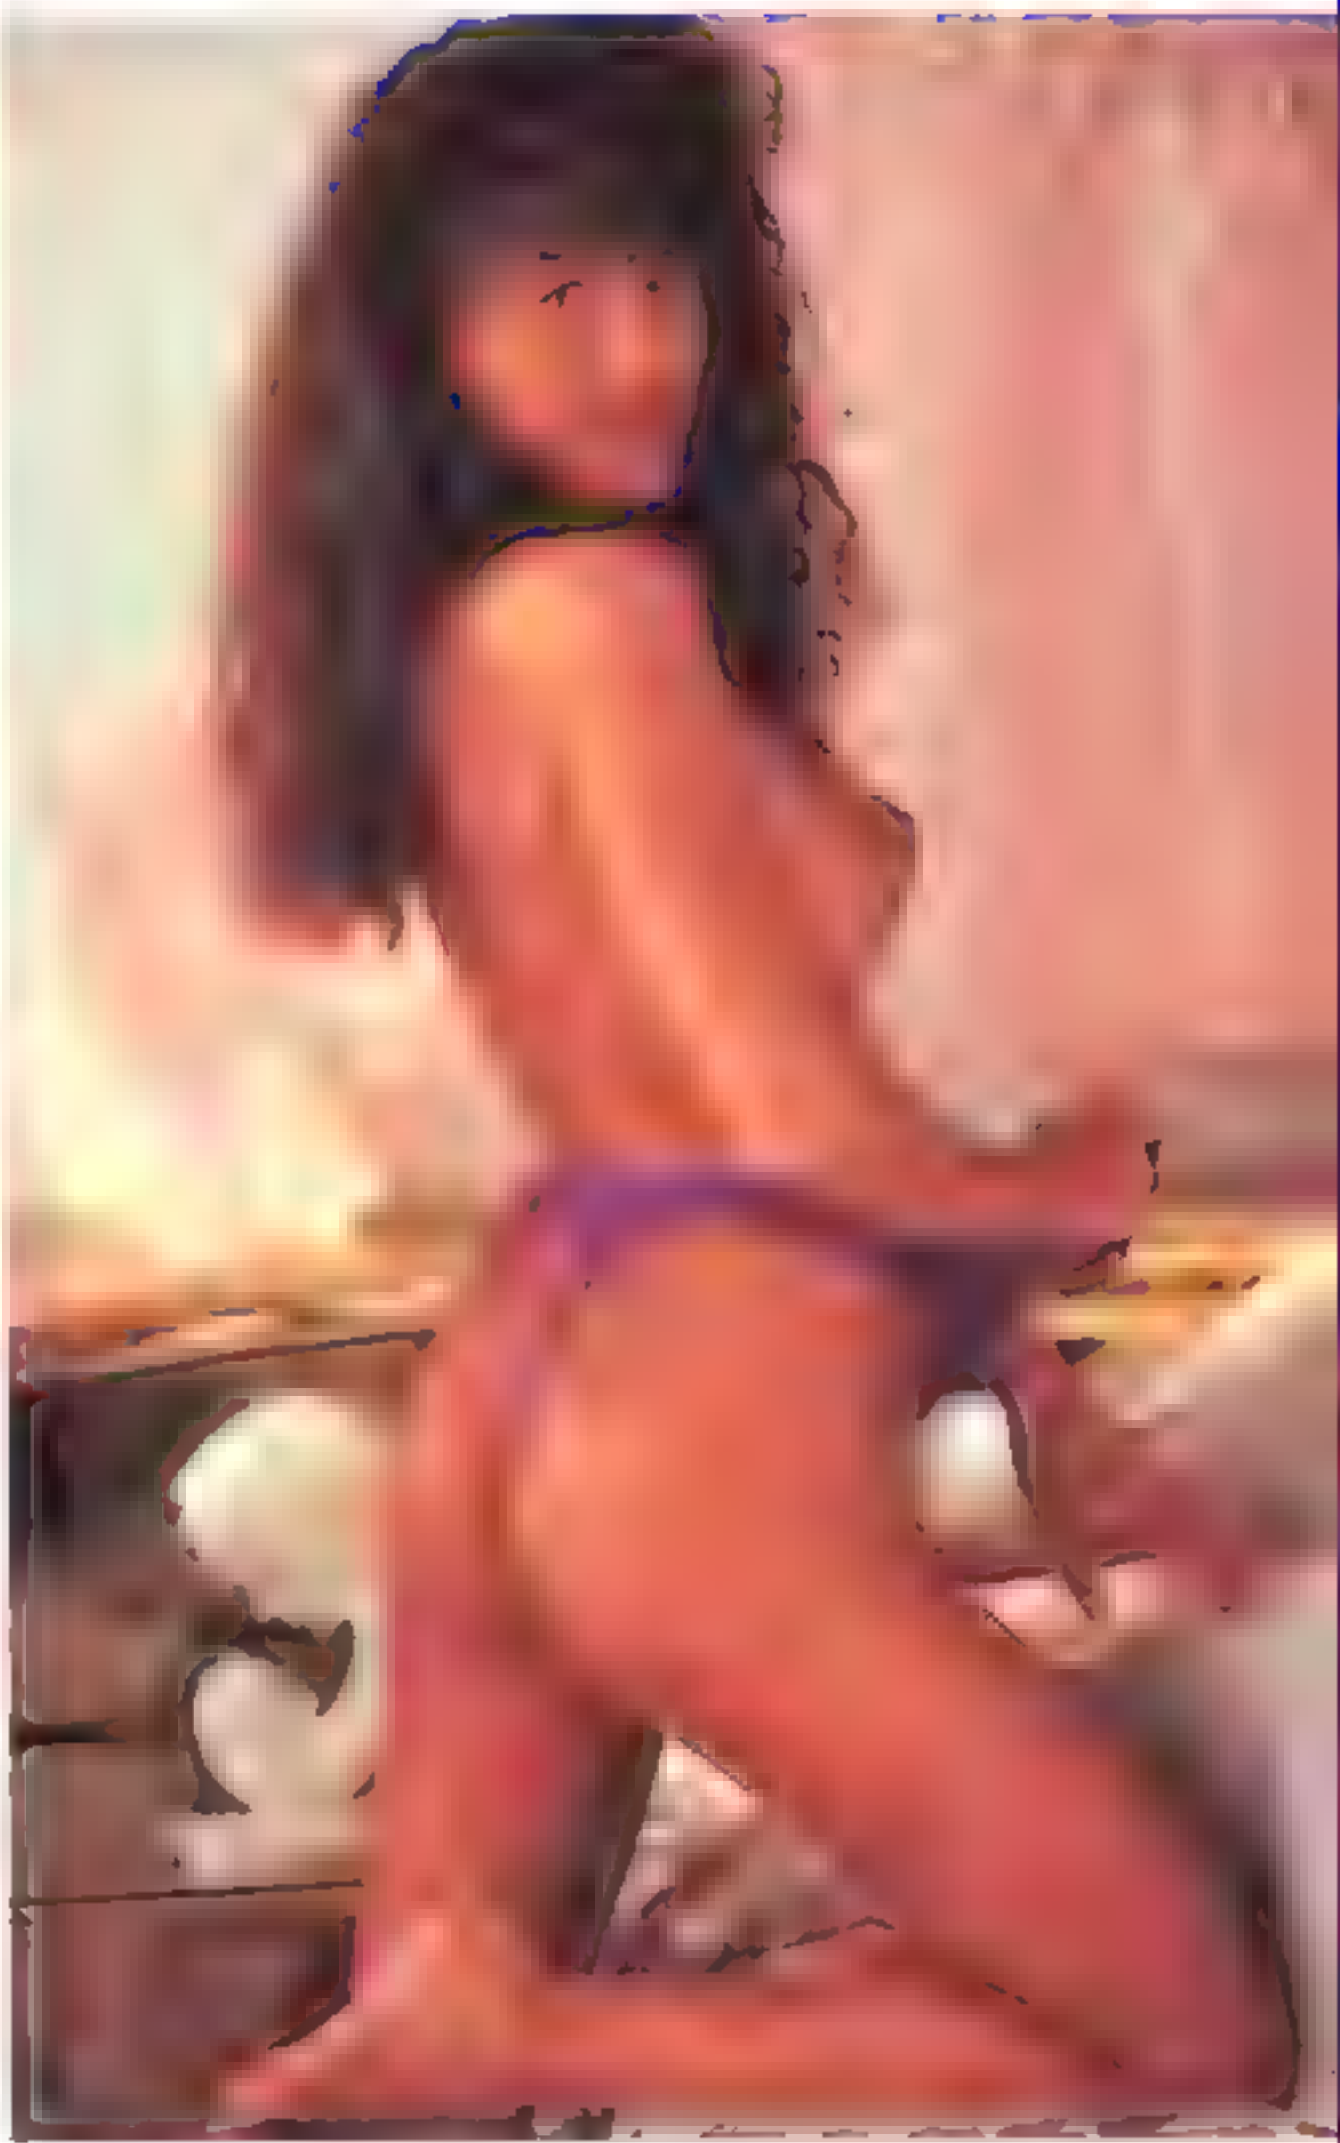

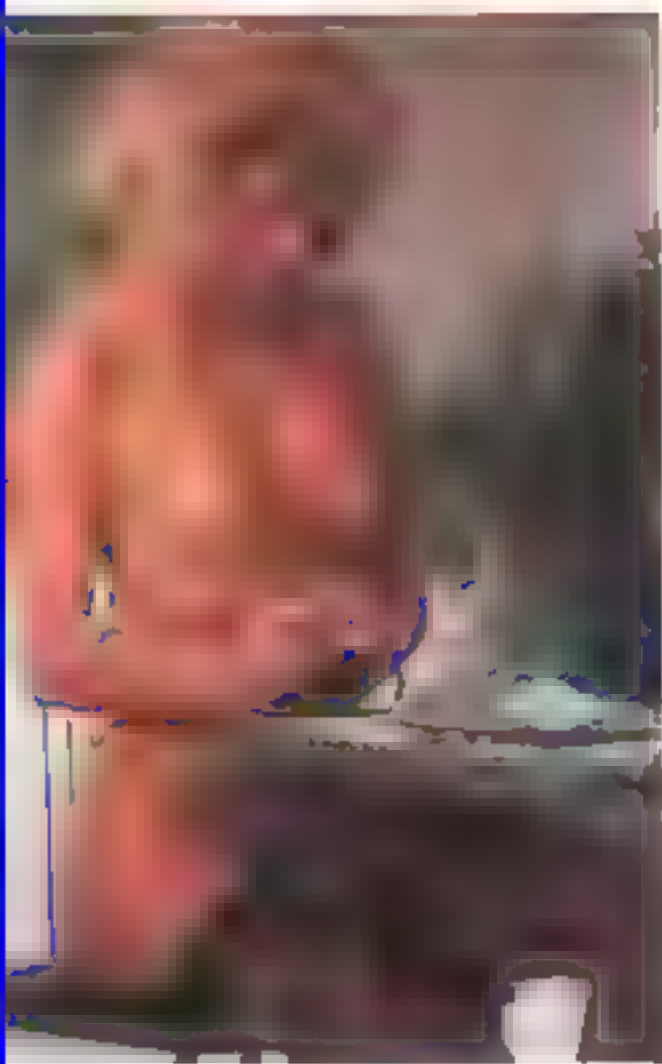

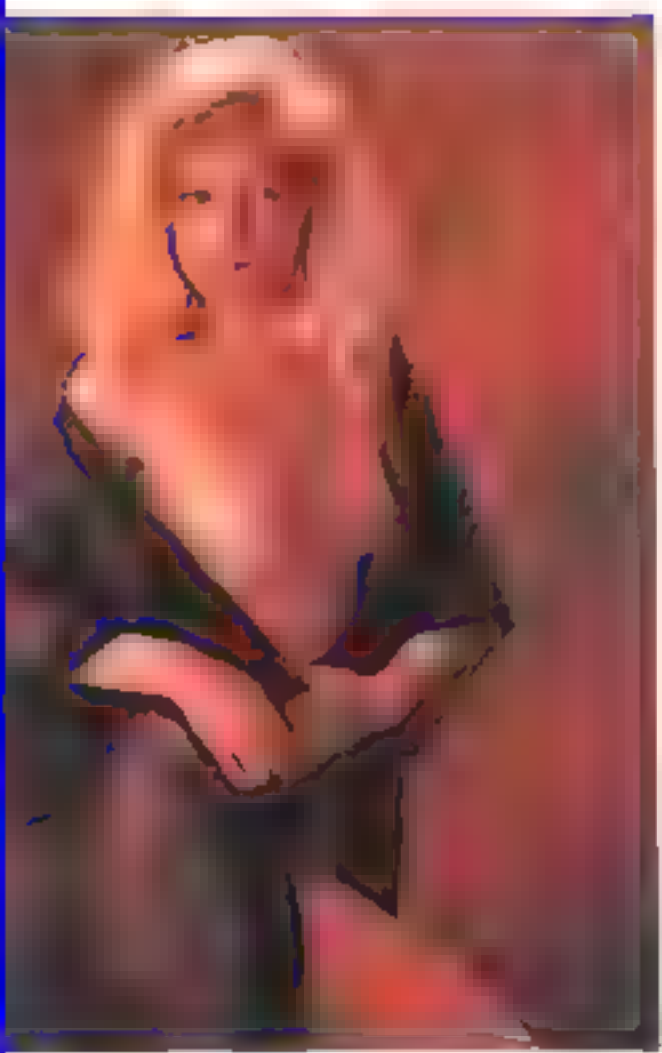

It is amazing how attractive a bit of black lace becomes when it is made into French-cut panties and placed on a body such as Tera Fabrizi's (left). A garment as elaborately adorned as the bustier worn by Wendy Christine (above) is a serious piece of clothing we find entertaining.

Rousing Sherrie Rose (left), dozing in a garter belt, G string and stockings, could be difficult. Perhaps daily laps in the pool have kept Michele Smith (above) in the swimmingly good shape she's proud to display

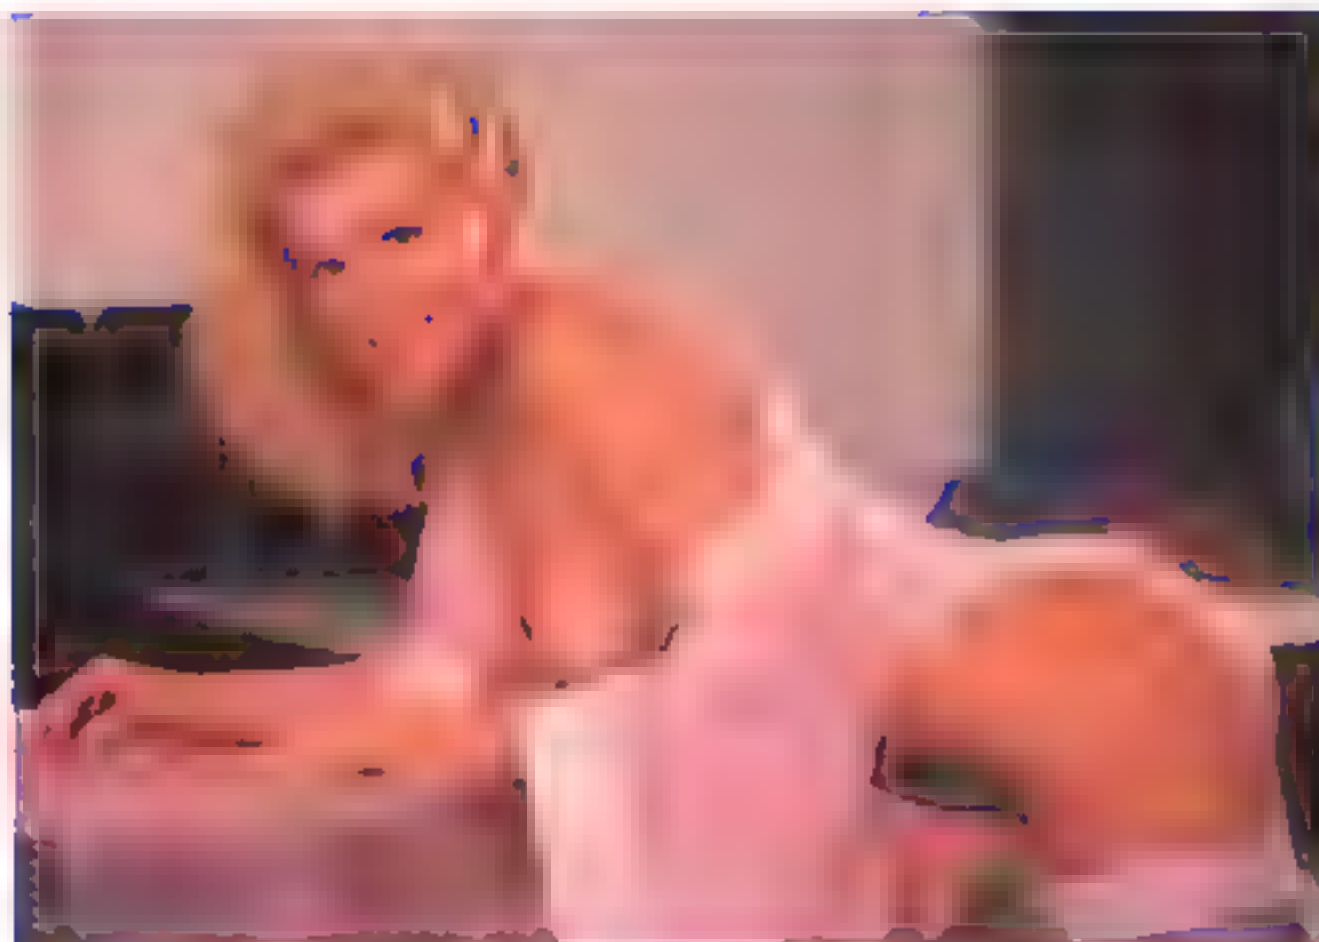

While Tammy Alison (above left, top) steps lively in a robe, Penny Morgan (above left, bottom) contemplates the feel of her gartered teddy. Kay Alton (above right) reluctant to cover up an all-over tan, seems on the verge of shedding her teddy. Mary Ann Kudwell (right) dresses the part of jungle temptress in leopard-print panties. Raquel Cristal (overleaf), attired in a pale camisole, knows that life is not solely black and white.

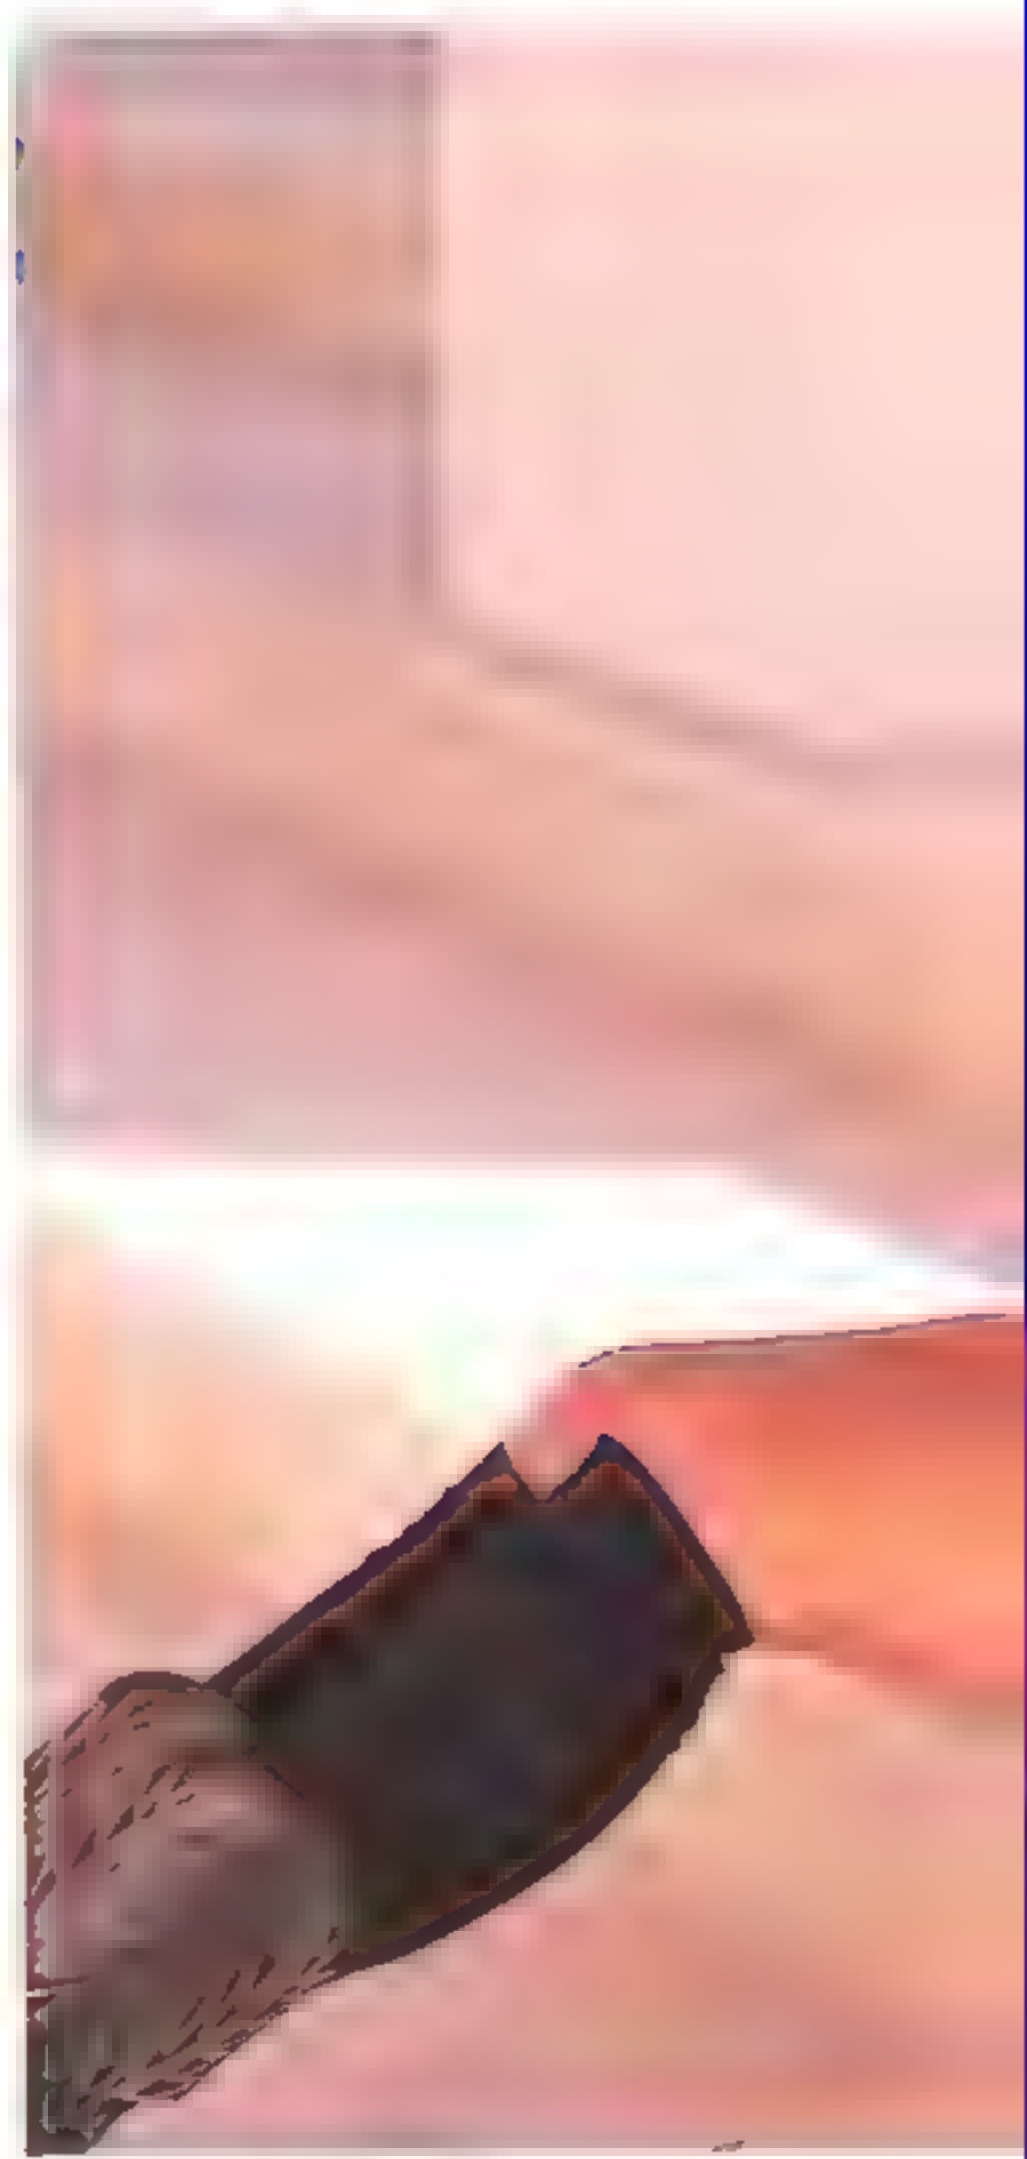

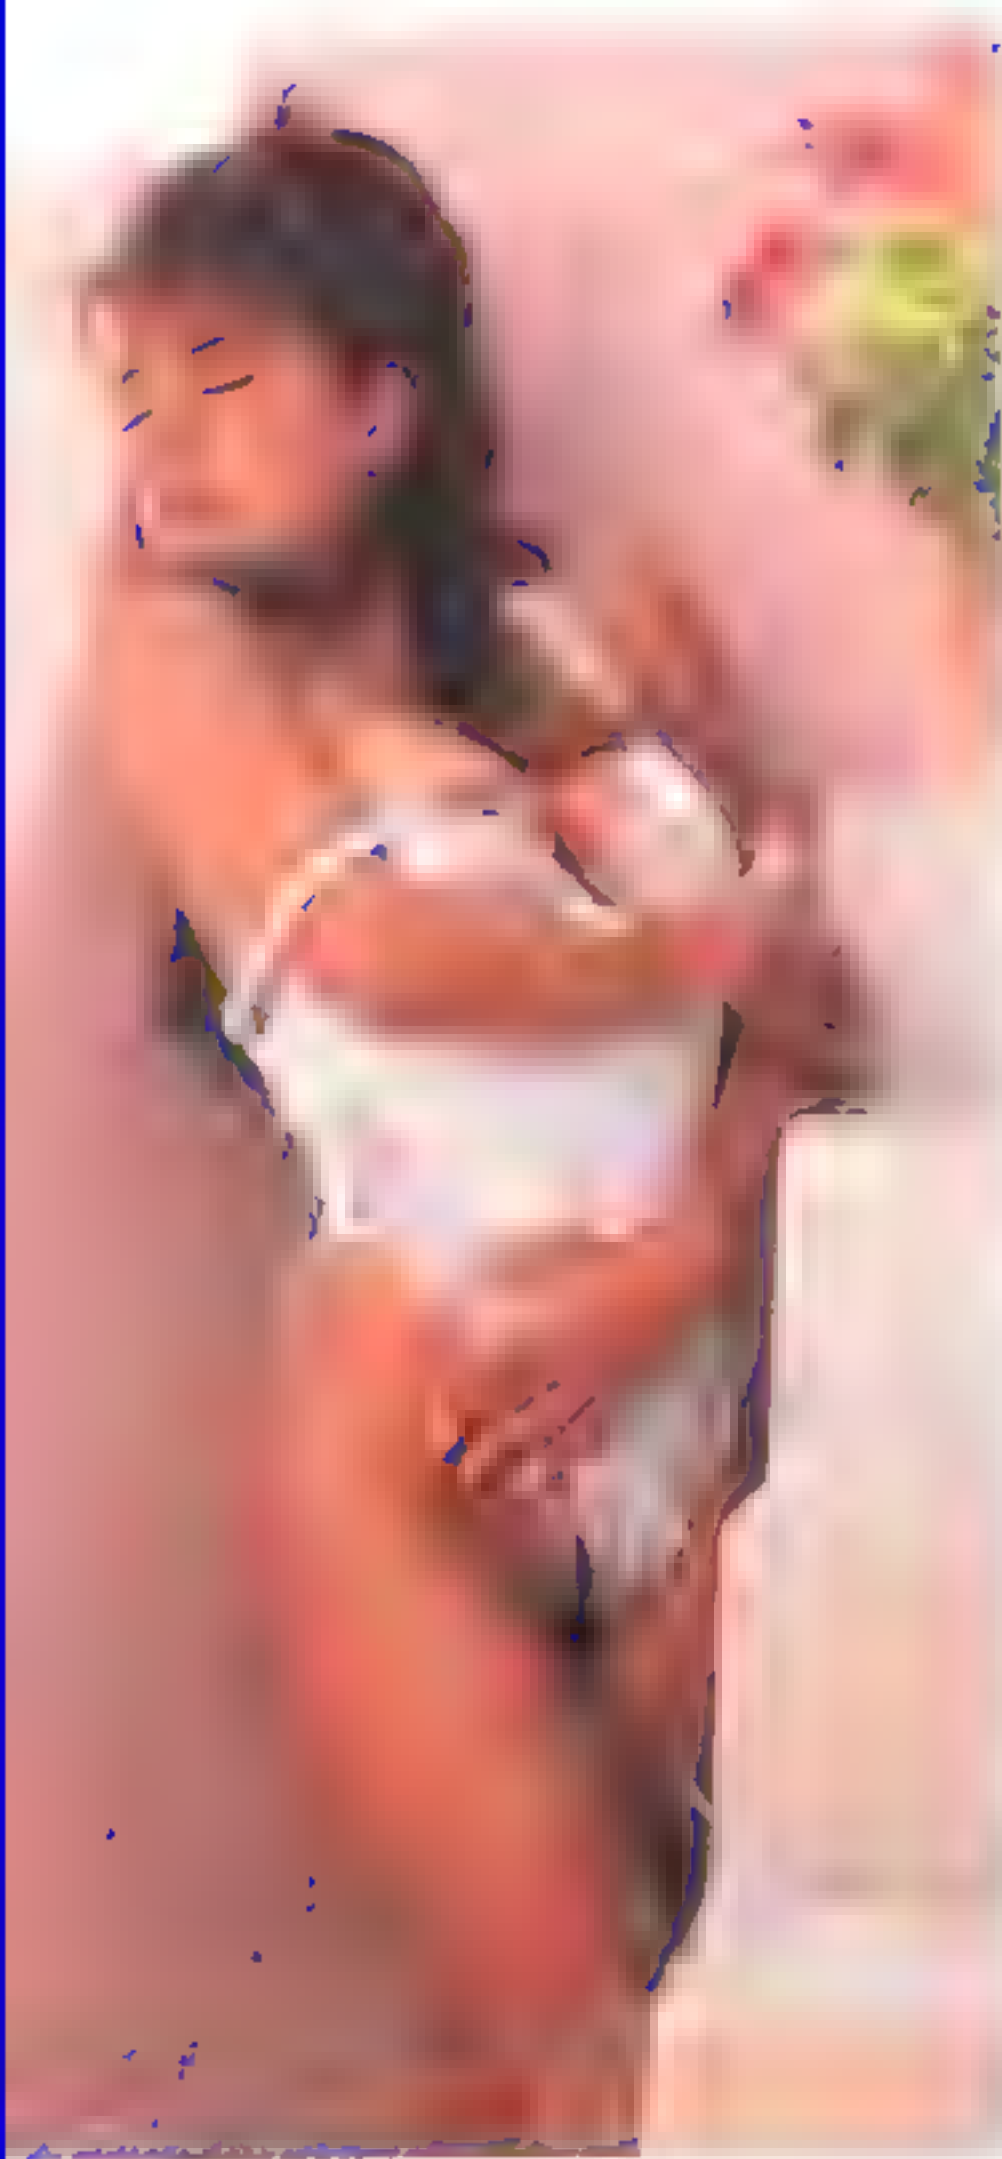

Caren Busche (above) is pleased as punch about her dressing gown. Sukry Brooke Moore (below) doffs lingerie and absorbs vitamin D. Karen Foster (right) evokes the image of a Fifties' film star making an entrance in a marvelous shimmery chemise.

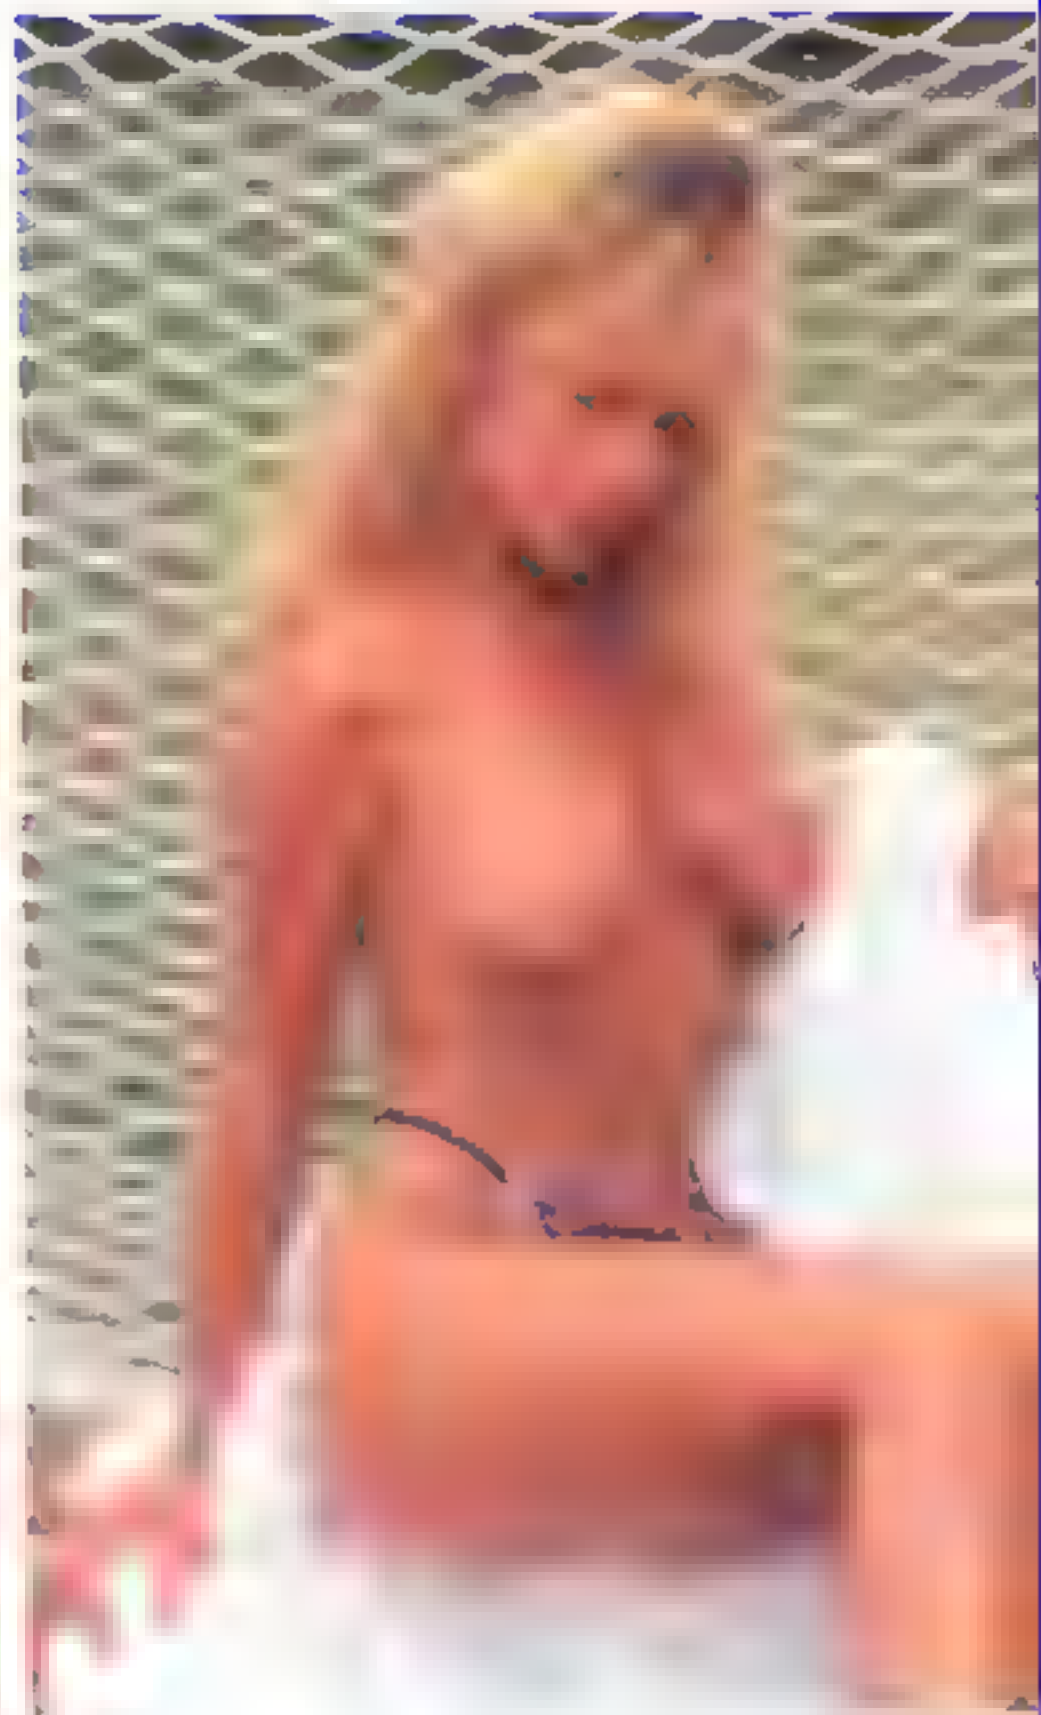

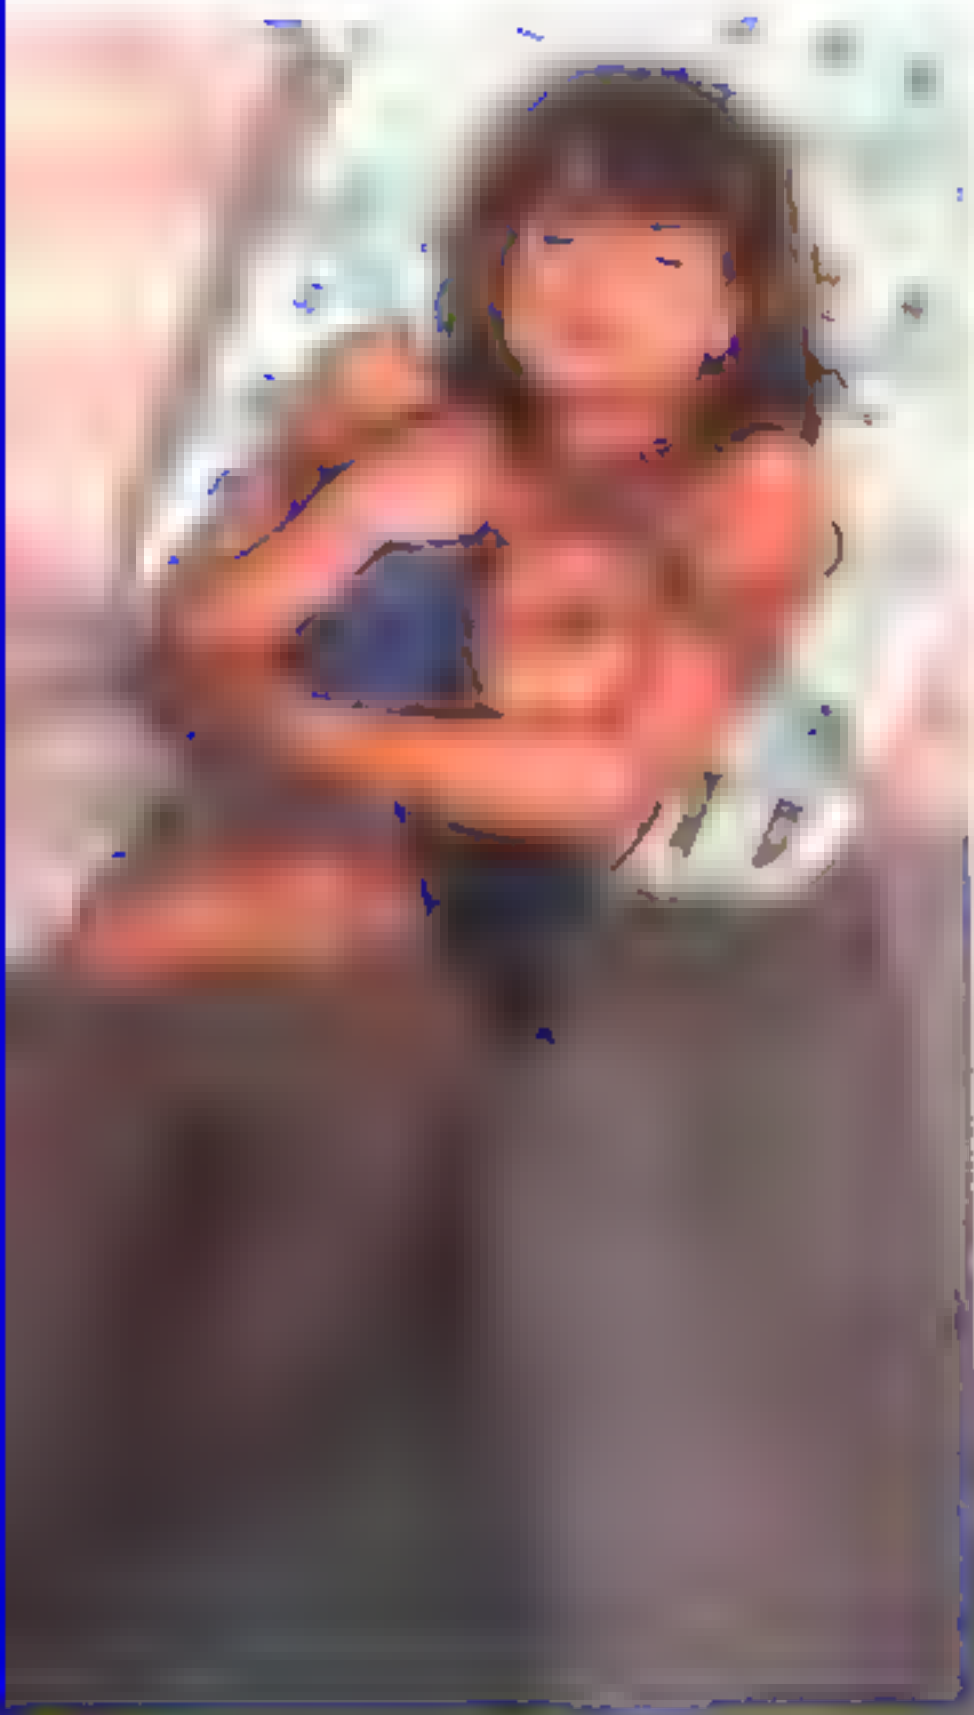

You should always have something to lean on. Brooke Moore (above) relies on a bodysuit. Pamela Norris (right) is on solid ground combining Western accouterments with sophisticated intimate apparel.

Step One on how to be a rock-and-roll star: Boogie in a black leather jacket and thigh-high boots just like awesome Abbe Vogel (above). If cabaret is your choice, check out Lee Anne Wright. She's done up in tails and top hat to croon love songs and dance her way into your heart.

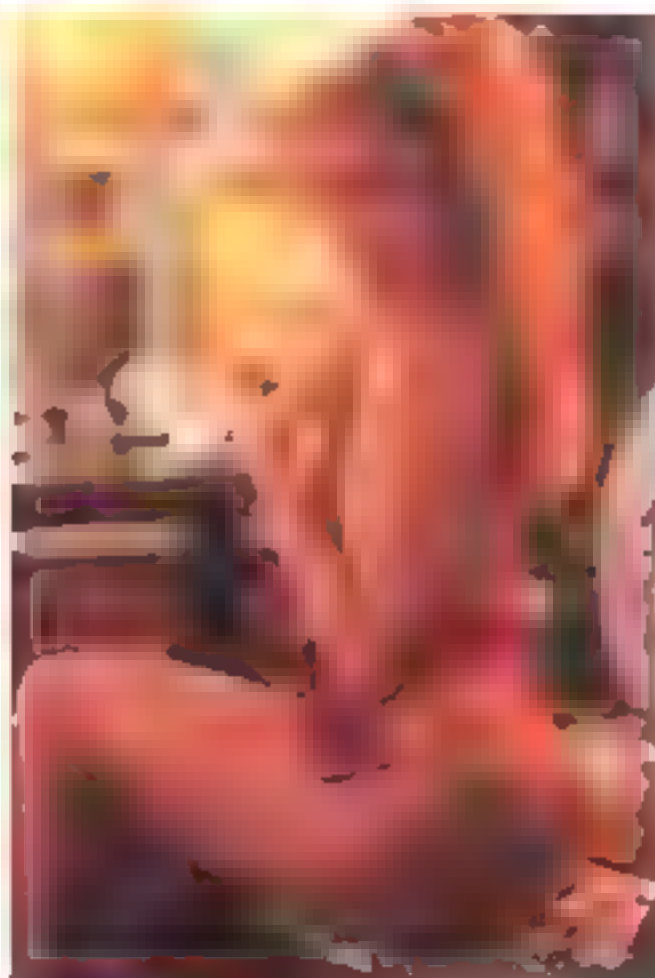

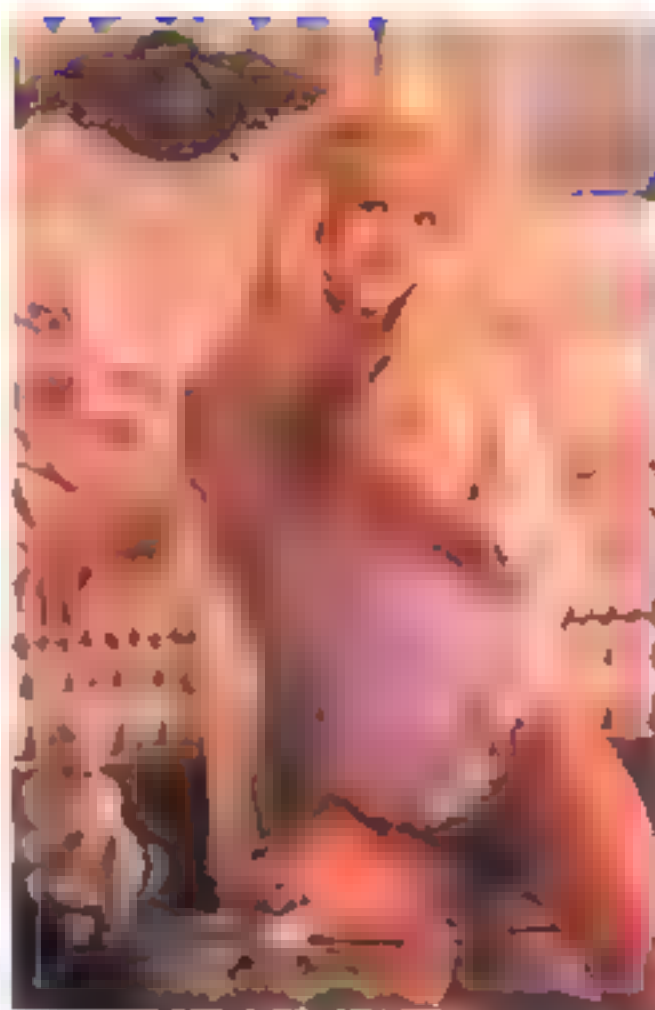

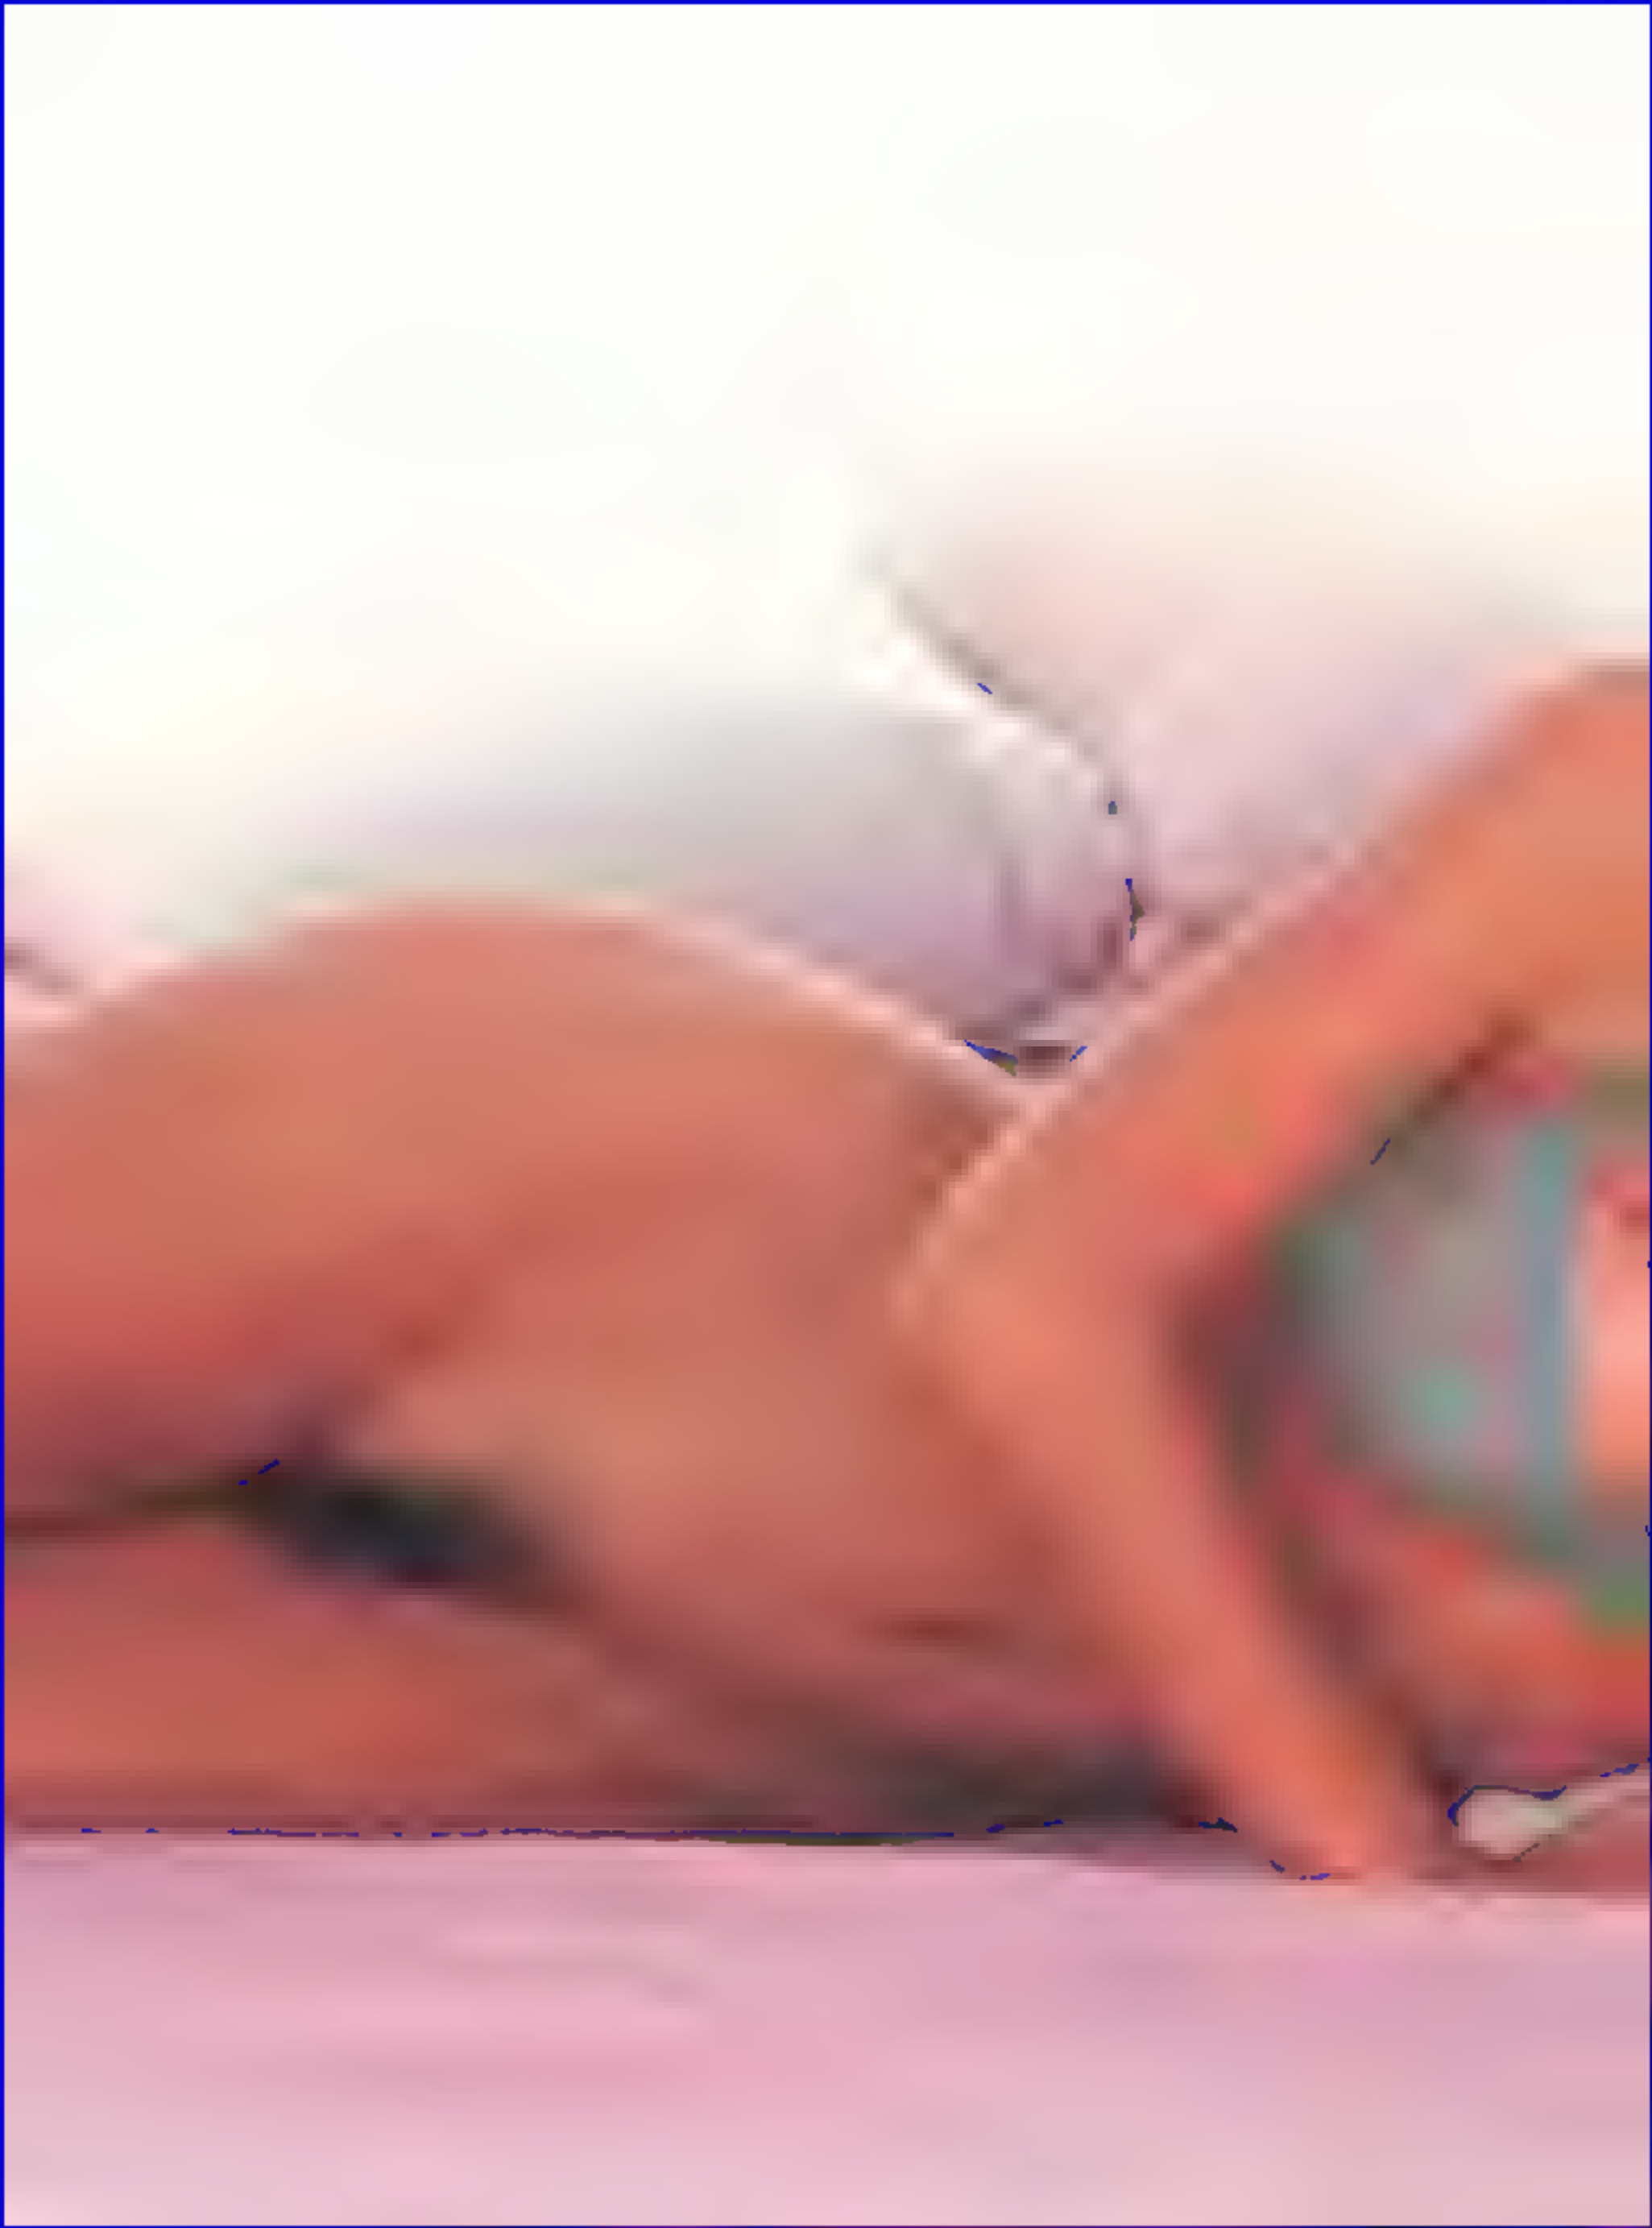

They may be rushing things a bit, but these ladies can't wait to get in the sun. A golden-brown Brandi Downs (above left) looks like she's already been to the beach. Juli-Ann Powers (above right), in a miniscule thong, tries out a hammock. Keri Lash (right) gleefully peels off her cutoff jeans and flaunts sporty cotton underwear.

Its variety keeps lingerie eternally interesting to both men and women. To illustrate, here is a diverse group of garments. Jade Lauren (left) is sweet as sugar in a satin chemise. D'Andrea Bryant (above left) pulls together an eclectic mix of dressing gown, panty and thigh. Kelly Jackson (above right, top) models a corset. Shannon DeShay (above right, bottom) is subtly seductive in a teddy. Stacey Canchola (overleaf) is electrifying in her bra.

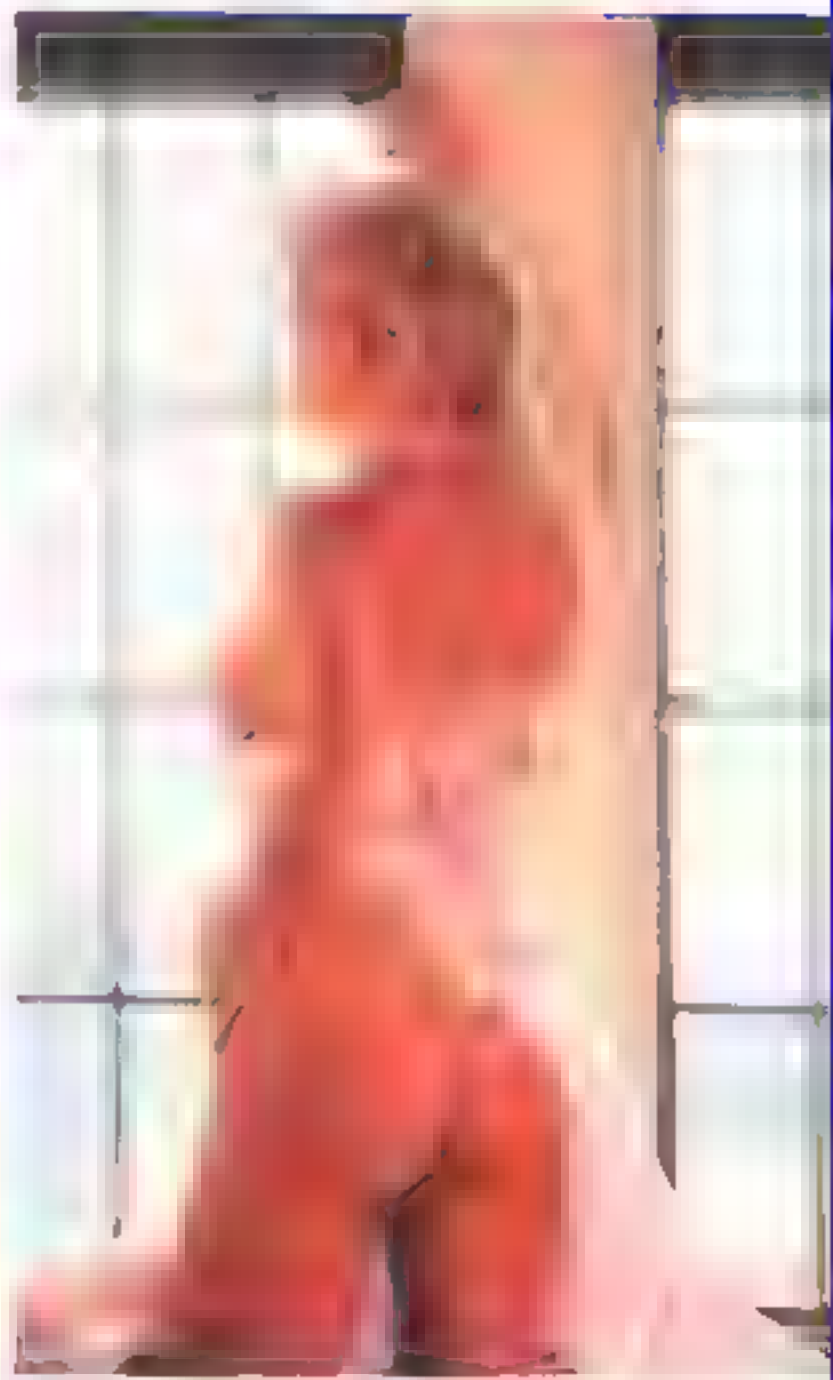

Slipping into something comfortable means different things to different women. Tracy Da... (left) settles down in a teddy. Carmen Berg (above) looks completely elegant in a elegant chemise, and Shannon Deshay (below) is content in French-cut pajamas. Ms. Breon (overleaf) makes us wish that lingerie got out more often.

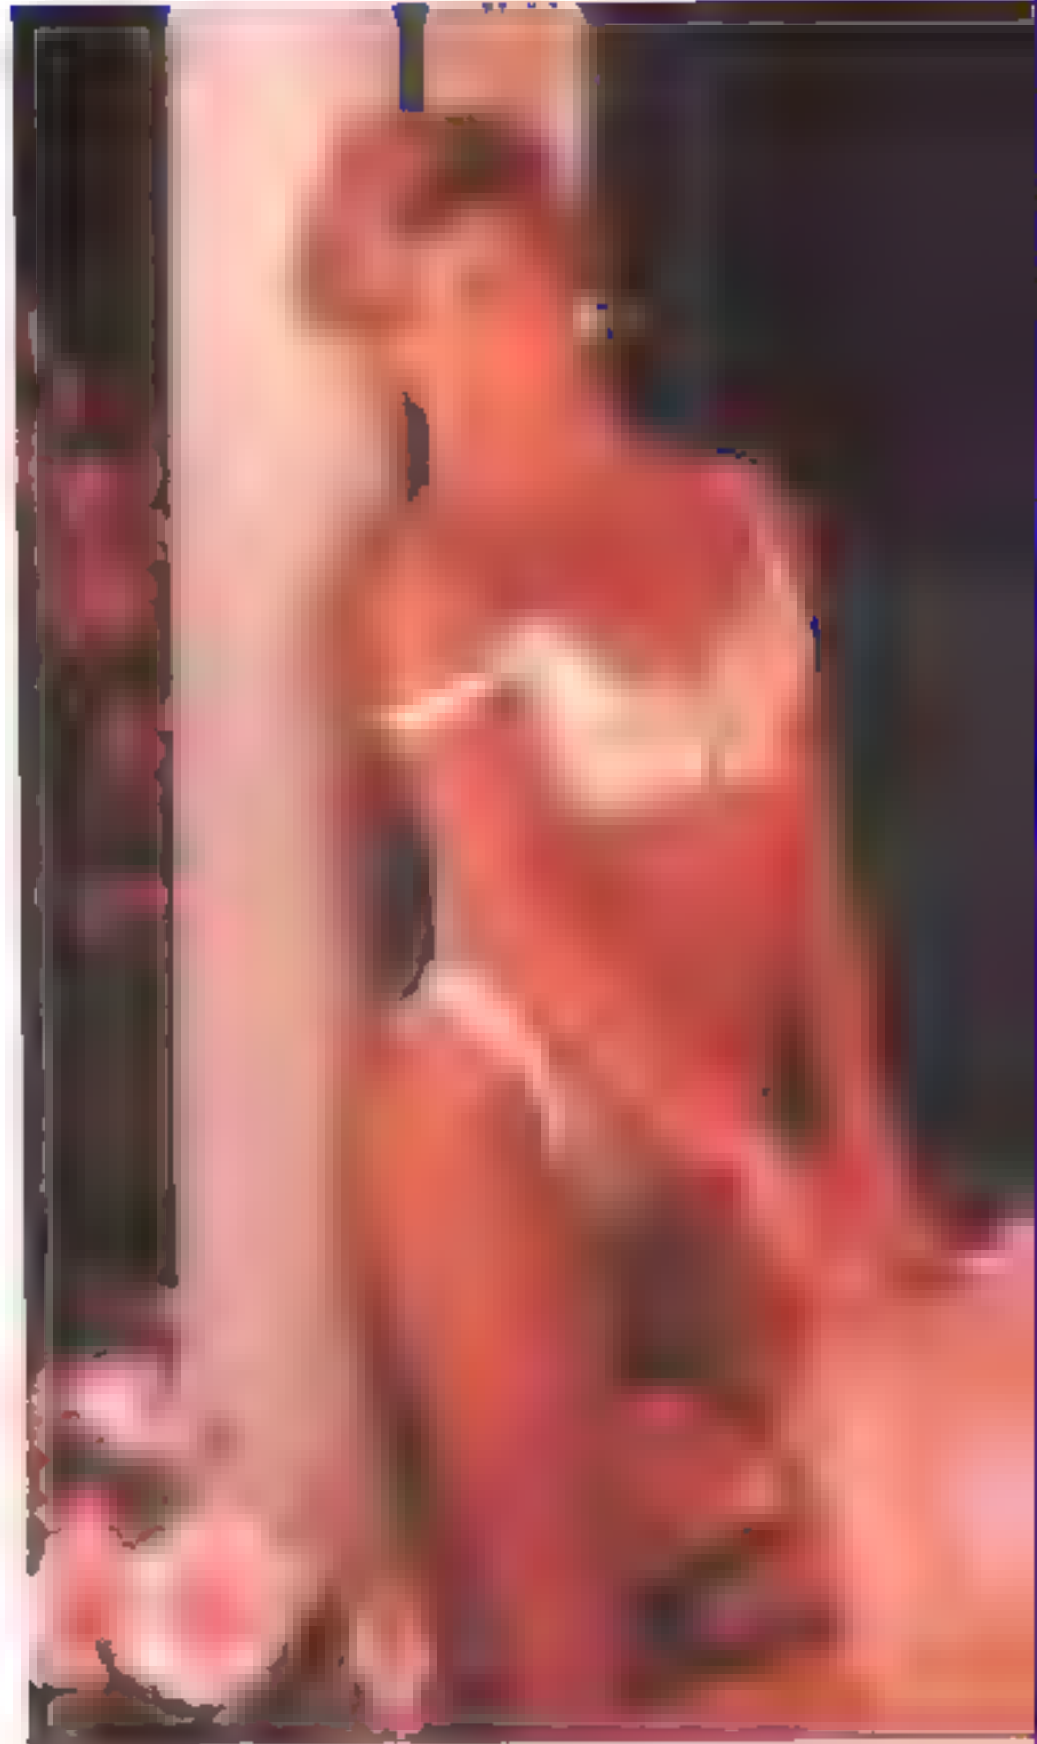

Certain intimate wear can make a woman feel as if she were the heroine in a romance novel. Carolyn Jones (left) relives magical memories in a fringed metallic chemise. Lost in a reverie, Correen Busché (above) dreams her dreams in an iridescent gown.

Melding lace and loveliness, Shannon McLaren (above left) in a back-zipped teddy, Kelly Gilstrap (above right) in a button-front bra and panties and Raquel Cristal (right) in a garter belt epitomize the appeal of lingerie. Cynthia Kaye (overleaf) emphasizes the point in dramatic fashion

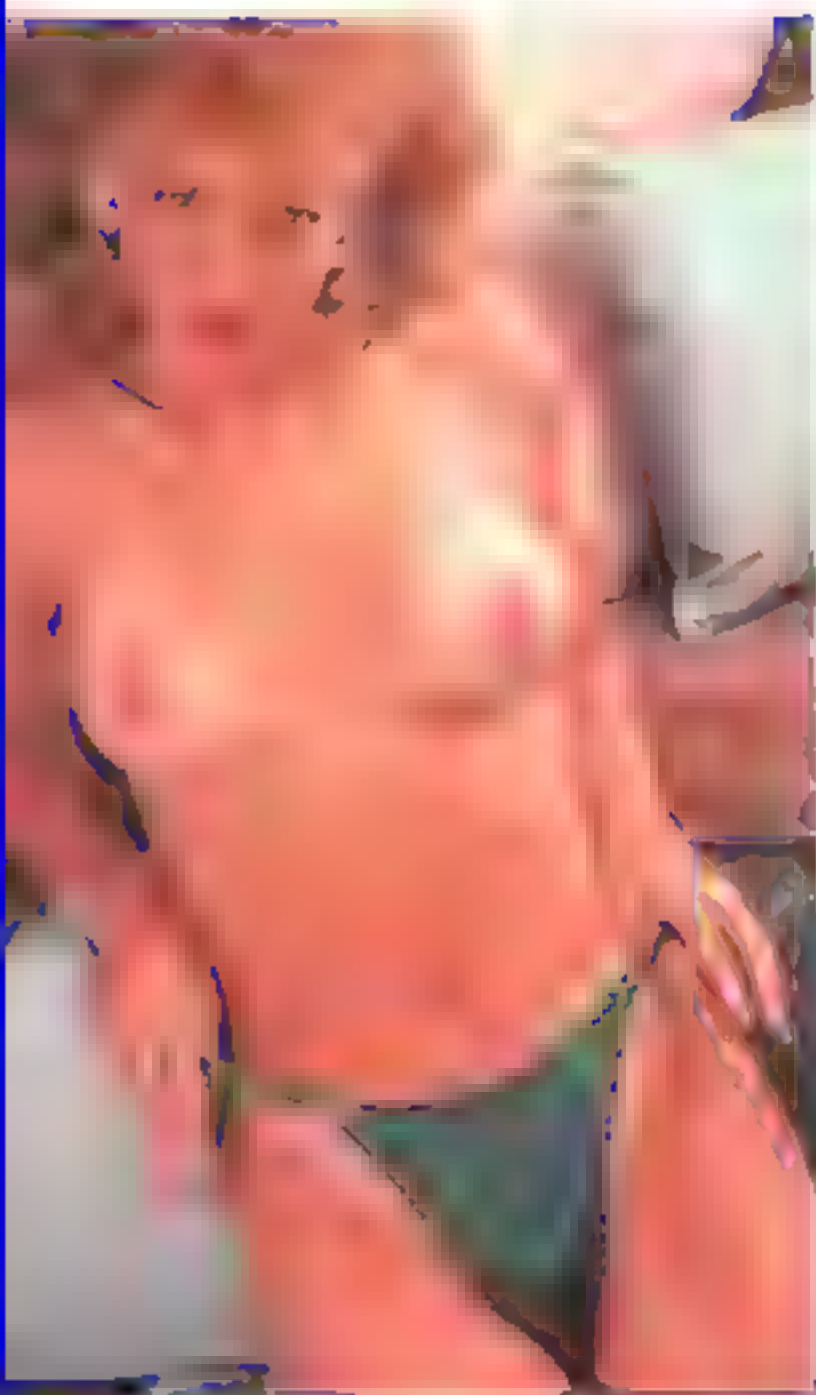

Morning becomes Gianna Amore (far left), as she ushers in her day with a terrific print bra and garter belt. Suzie McClure (left), in high-cut panties, takes a rare backward glance. Lauren McDonough (above) checks atmospheric conditions in her tantalizing thong

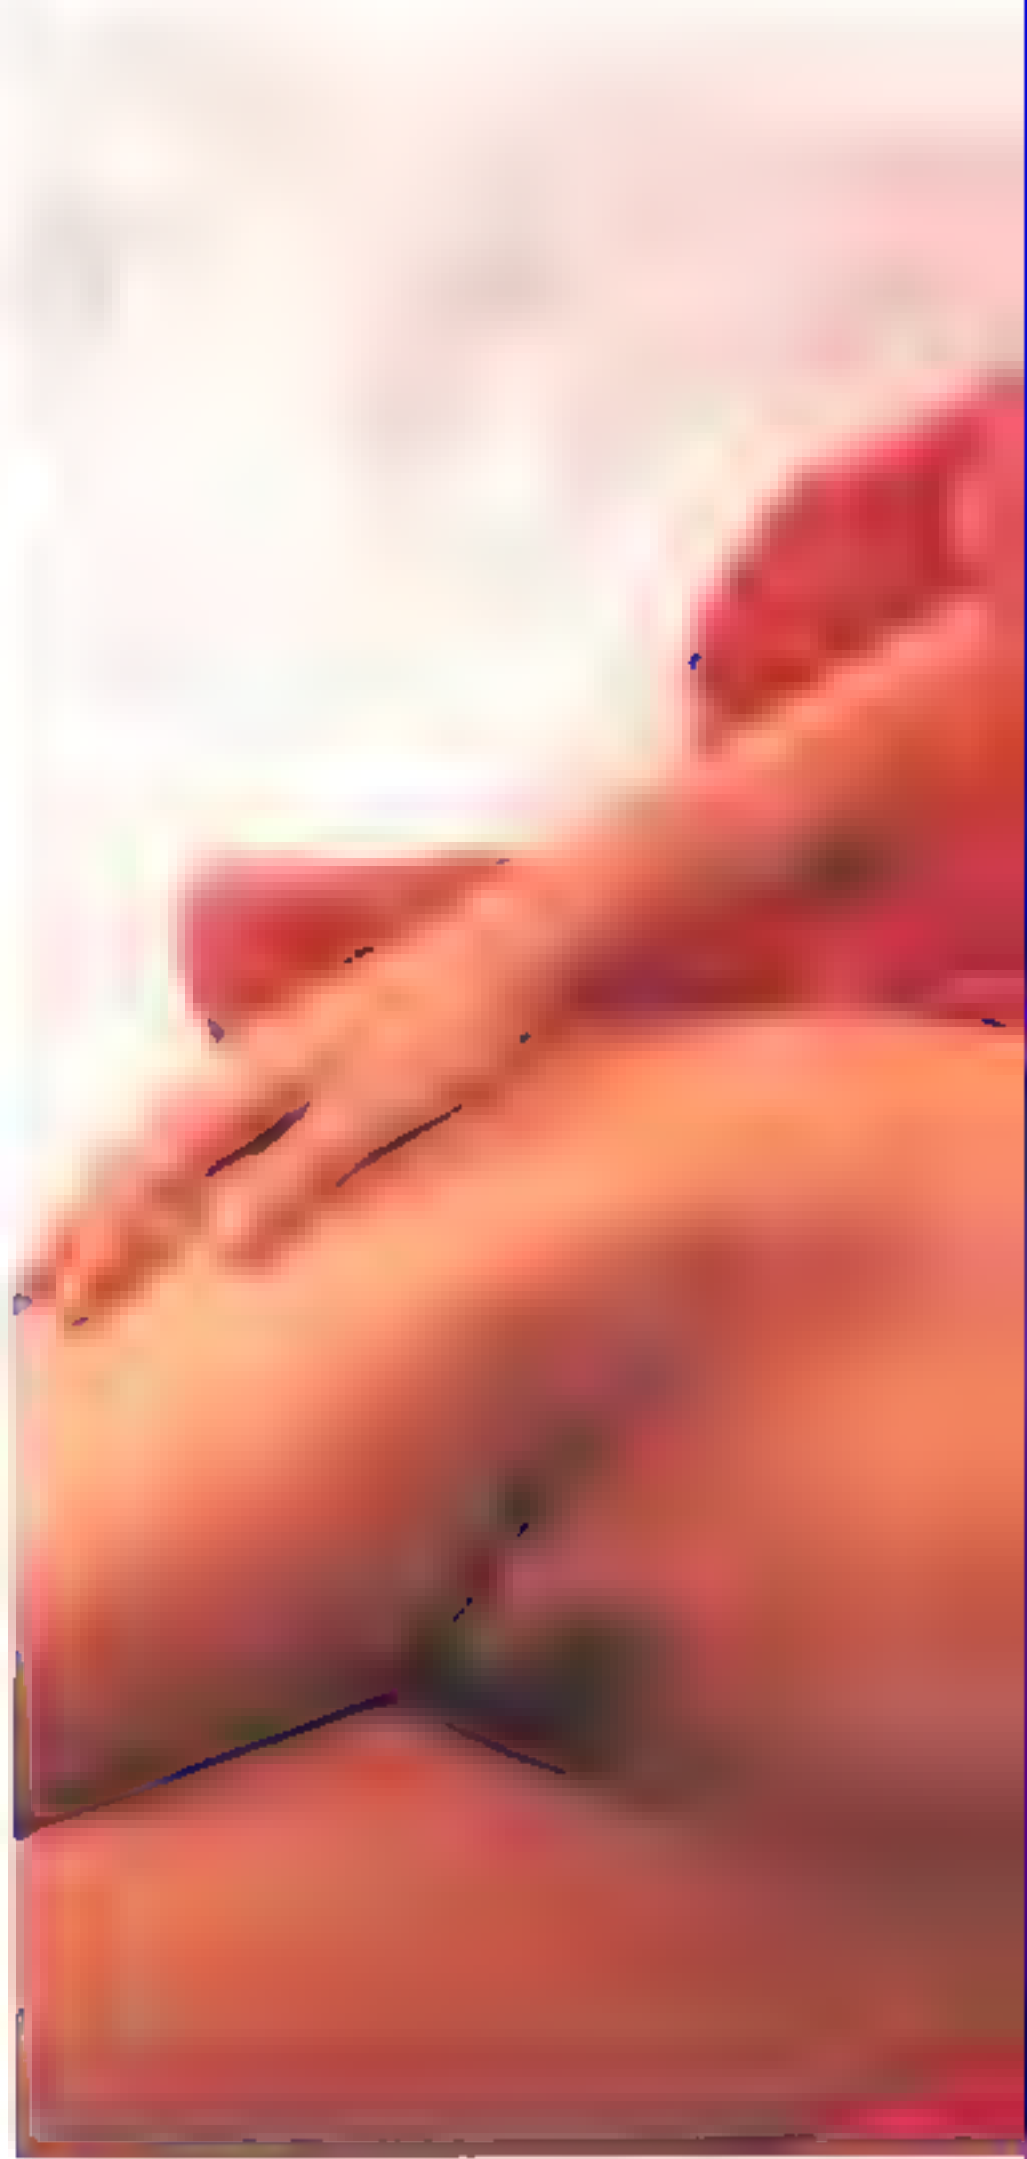

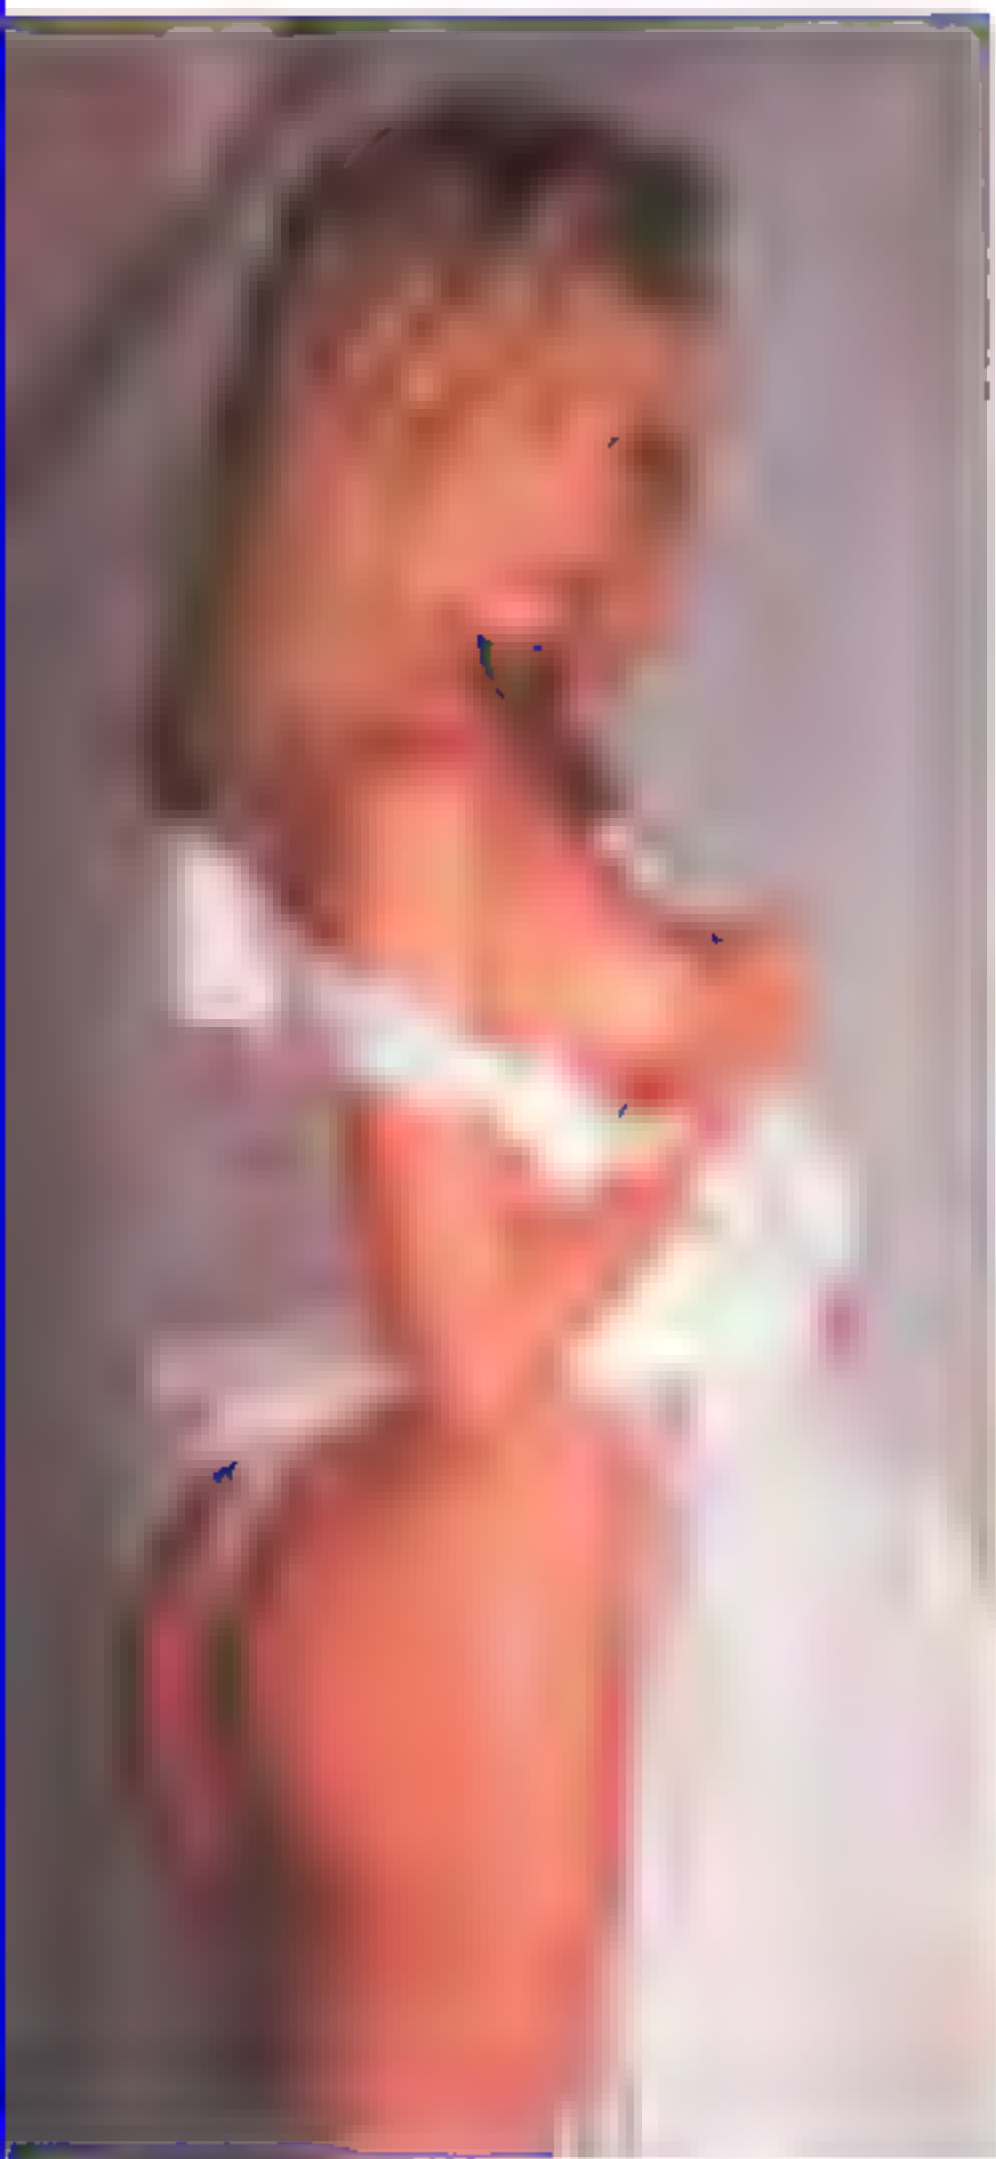

Women have a myriad of styles and colors of panties available to them. Cynthia Harris (above) shows off in an emerald bikini. Teresa Magee (right) looks dandy in silk boxers. Karen Foster (far right) has chosen a G string to go with her leopard-print slip.

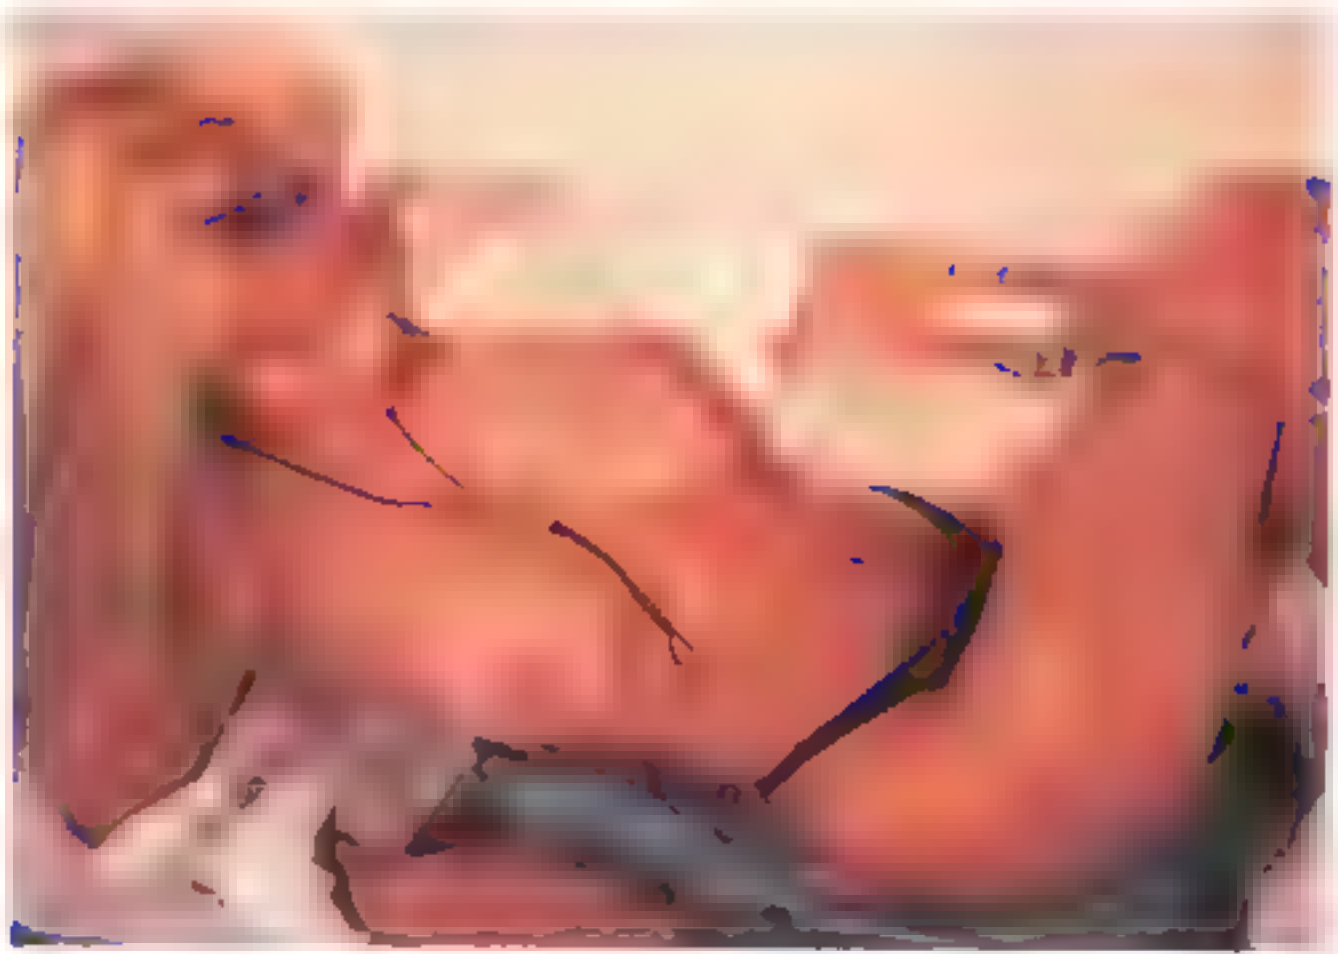

Surrounded by sunshine and brilliant blooms, Kristine Rose (left) creates a sumptuous spring scene in her pretty white lace gown. Beware of sensitive sirens going off in the vicinity of Kimberly Hoo Brook (above), especially when she drapes her shapely silhouette in fiery satin

A comfy nightgown makes peaceful sleep a sure thing for Terrri Lynn Doss (above) Mary Ann Kidwell (right) chases chills with a colorful robe and demibra.

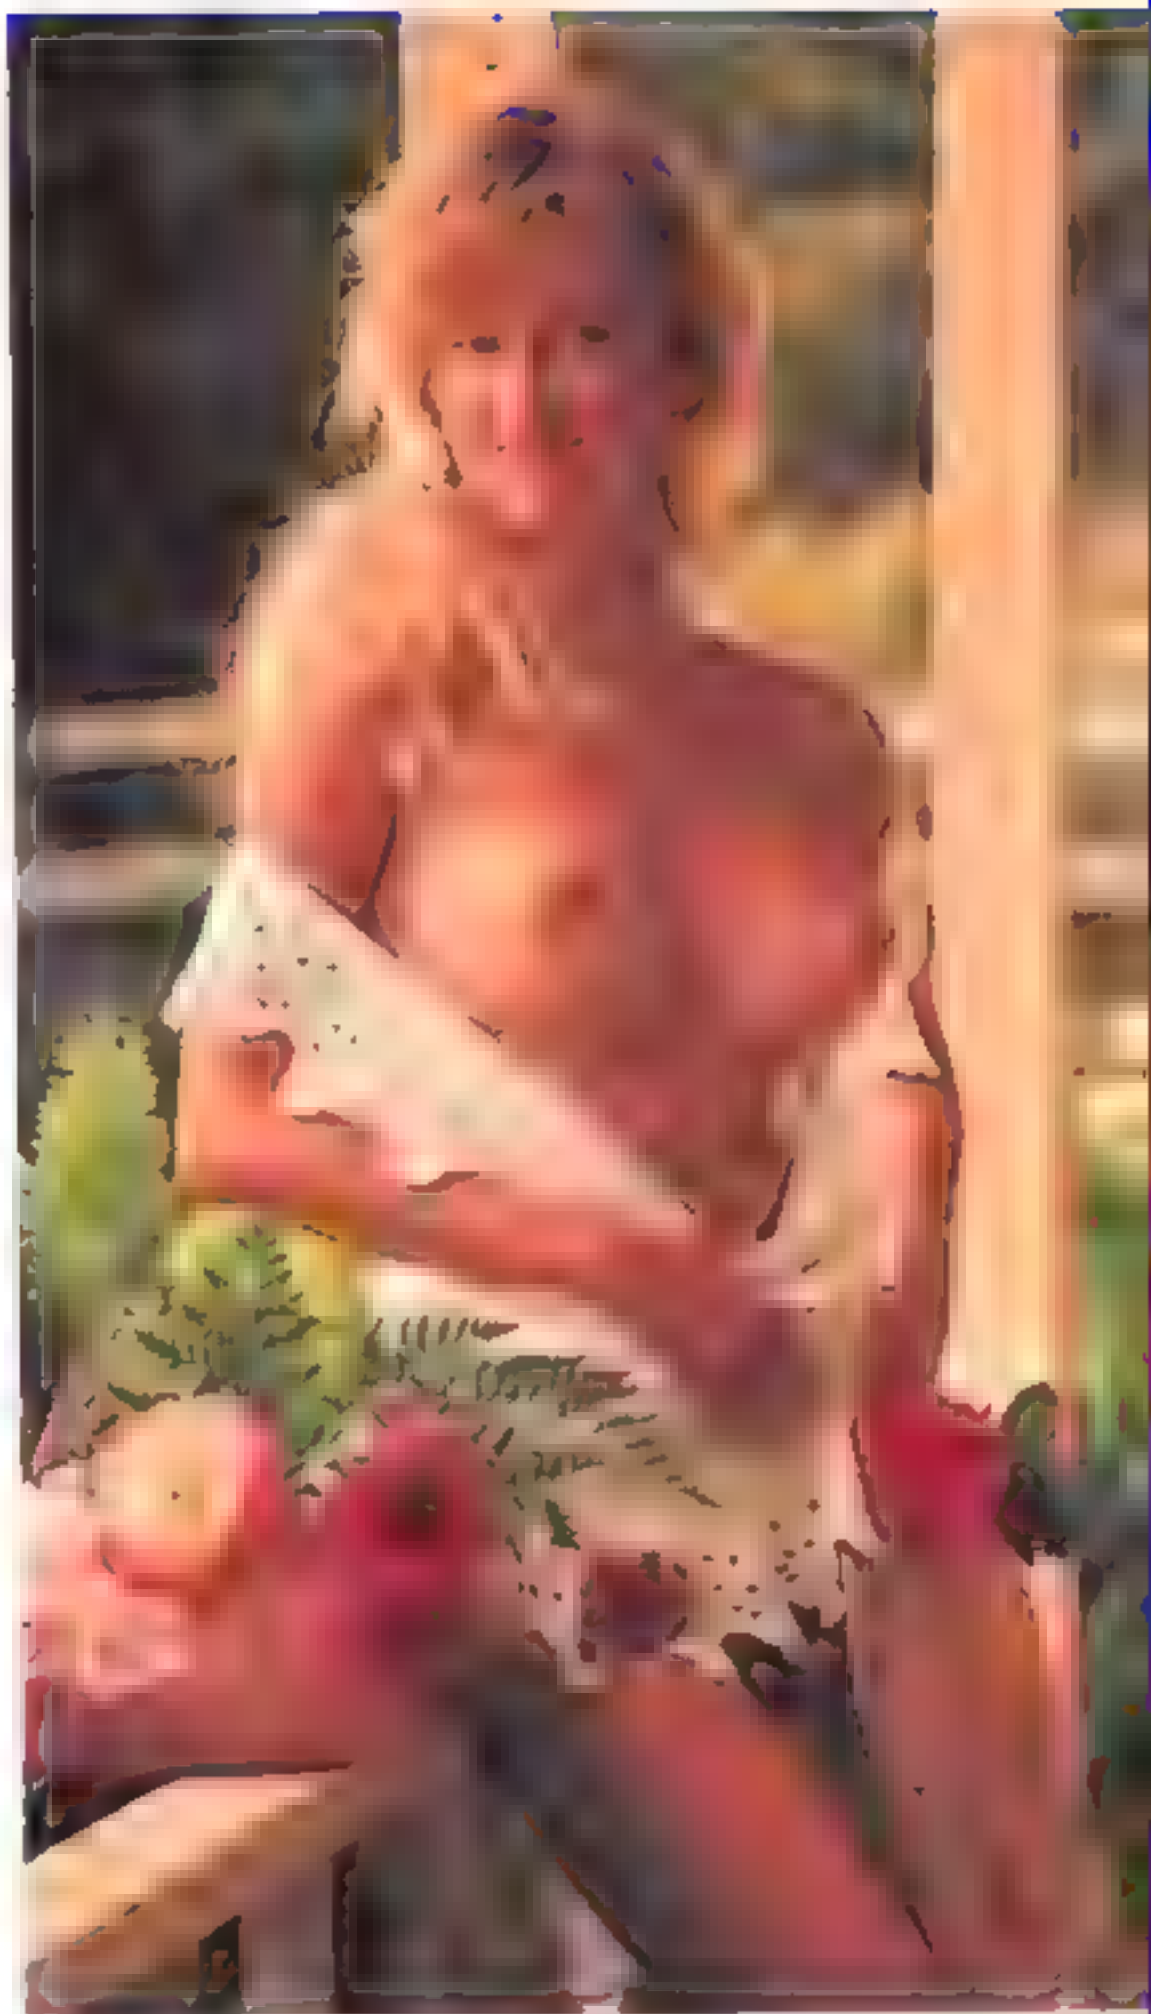

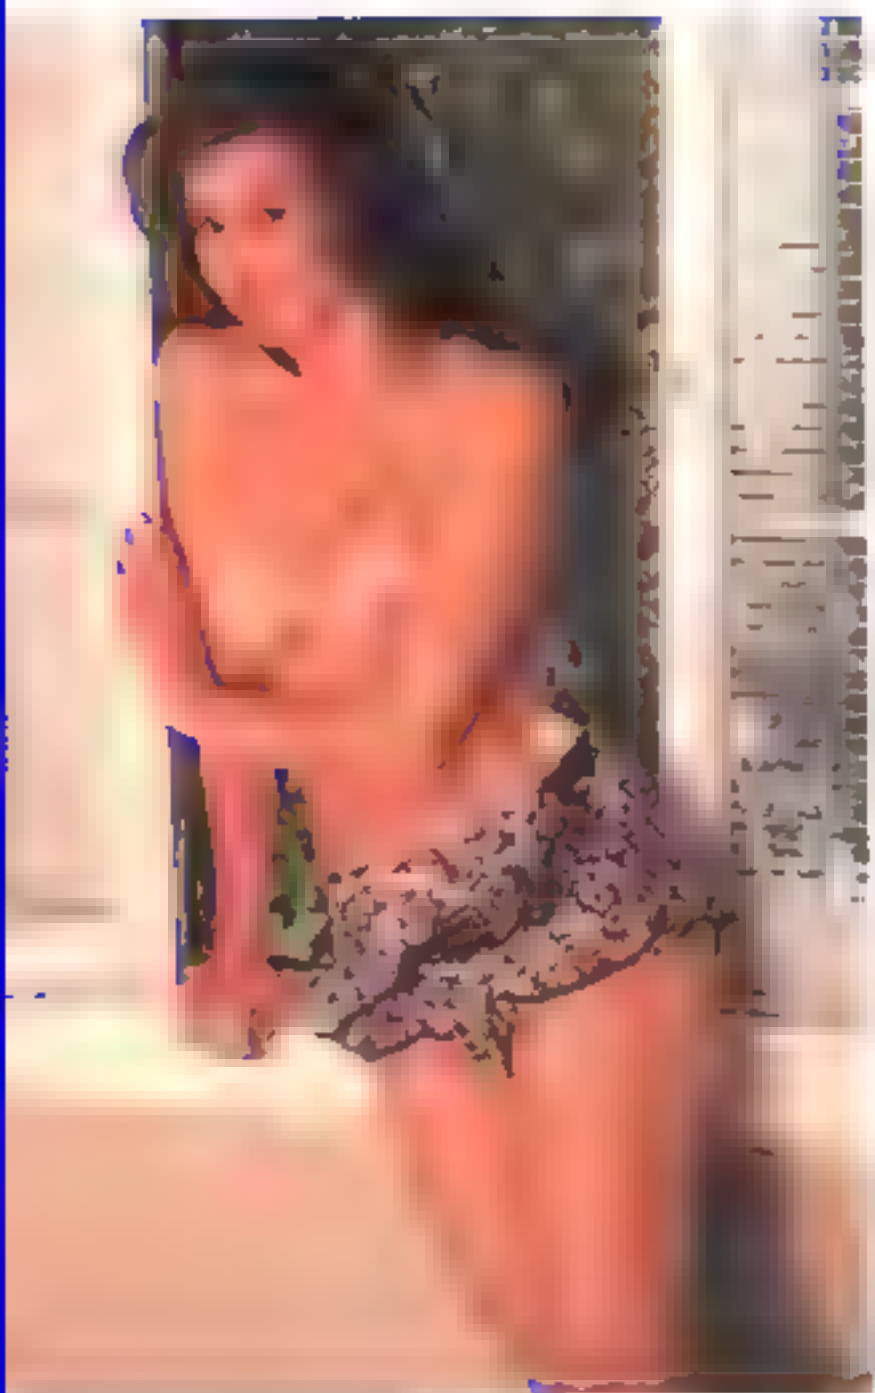

Chestnut-tressed Petra Verkink (left) looking splendid in a cotton camisole and panty, could be the muse for a romantic poet. Golden-haired Donna Spangler (above) accents her ebony panties and denim jacket with silver jewelry. Dazzling DeAnna Lee (below) goes into slow motion removing a lacy bra-and-panty set.

Lingerie inspired by spring flowers is popular with Kristina Keasbey (above). One could never label Valorie Shae (right) a garden-variety woman, especially when she's wearing a cotton-eyelet chemise. It's amusing to see the way springume affects Shannon Rae (far right)—she can scarcely keep her teddy on

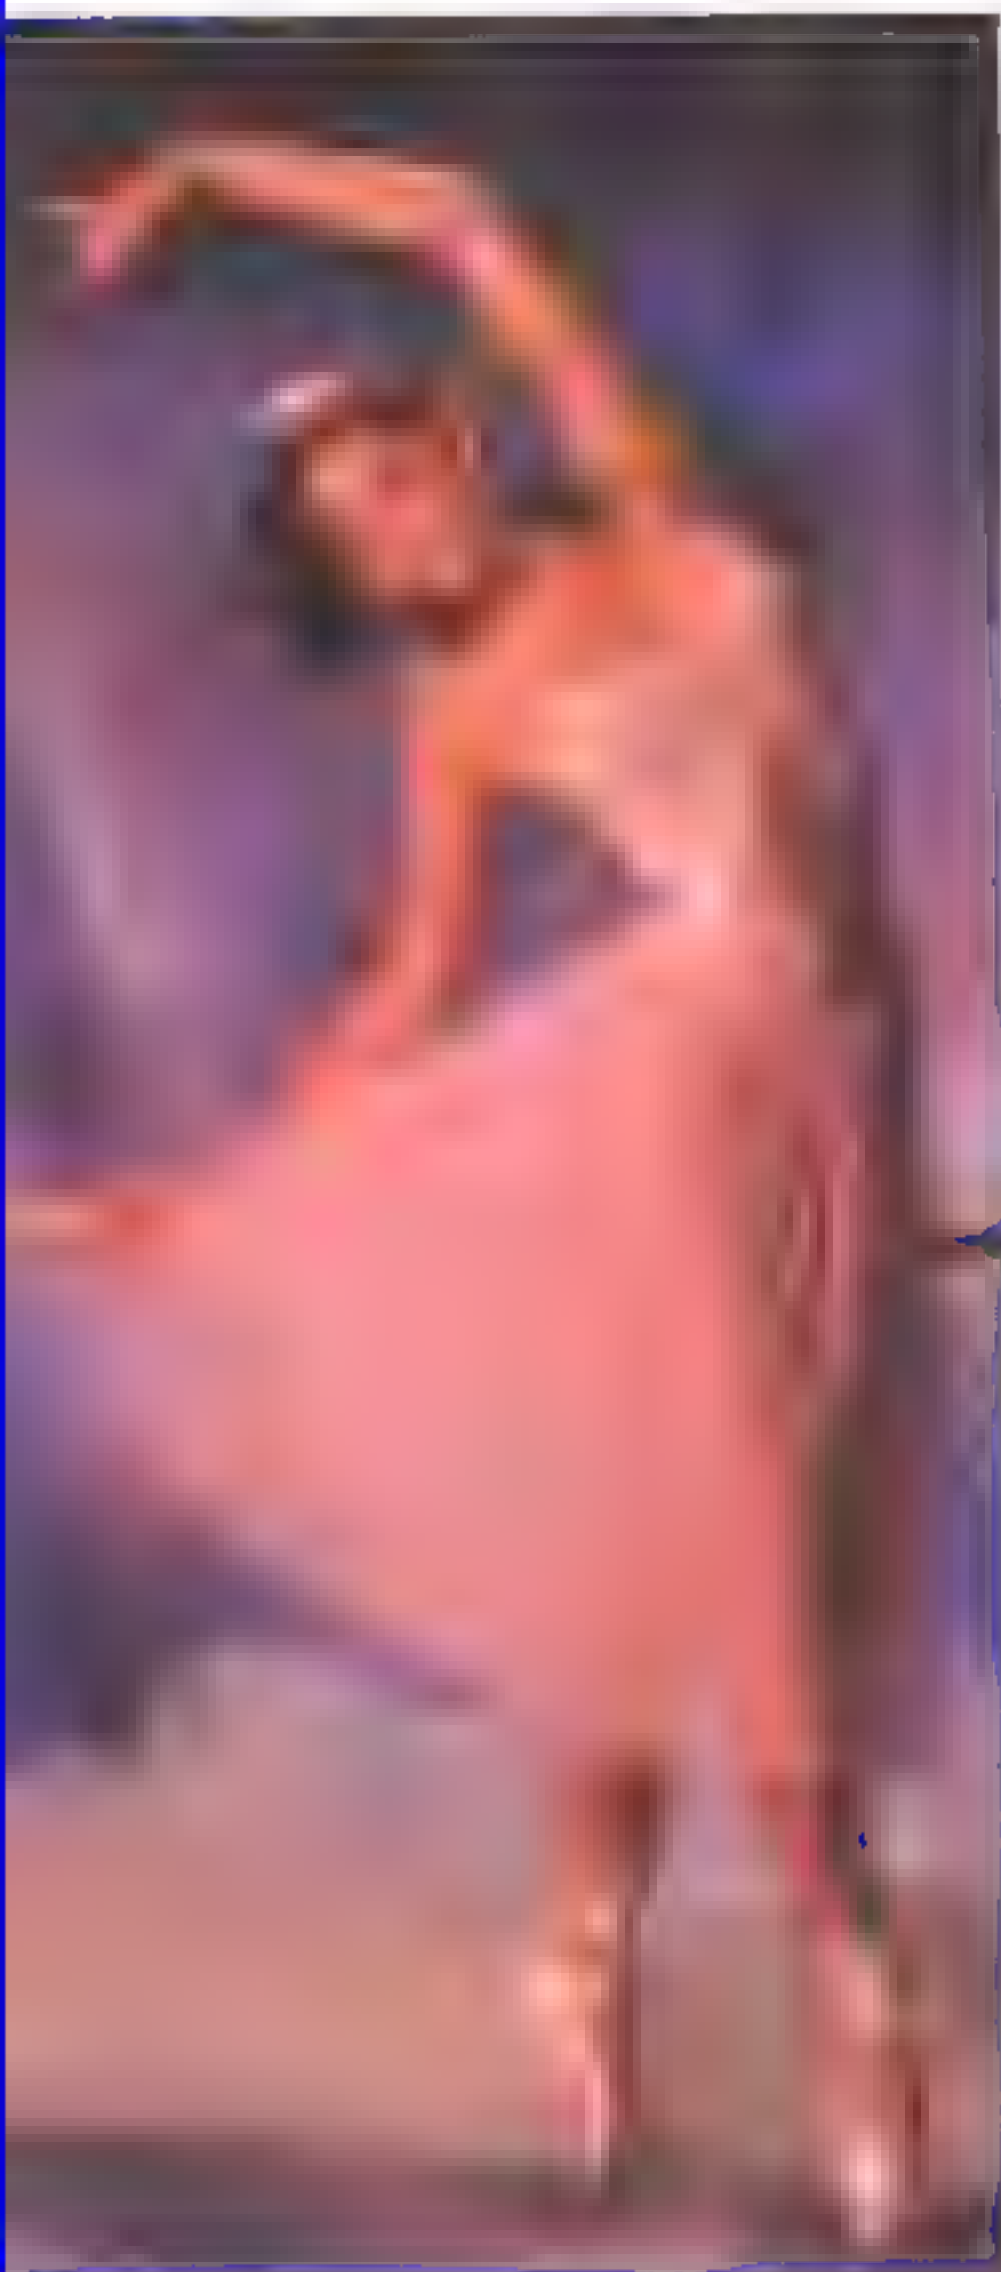

A gilded chair seems the proper perch for regal Deana Richards (left), an exquisite eye-ful in her satin teddy. Dana Hardin (above) also in a teddy, might hasten the changing of seasons by sending the mercury soaring. Gwen Hajeck (overleaf) is a welcome antidote to winter blues.

Kristina Keasbey is our featured player in the finale to this issue of *Playboy's Book of Lingerie*. She performs the rites of spring in a gown reminiscent of a ballerina's costume. For her curtain call (overleaf) she rests her toes while wearing a camisole with a new twist. Look for Kristina to make encore appearances in future issues.
